Dear Doctor:-

I received your favor of December 26th, and greatly appreciate this evidence of confidence from the Highland Beach Civic Association. You can understand, I am sure, that it has not been possible as yet to give publicity to what is being done in the effort to apprehend the perpetrators of the recent lynching. I can assure you, however, that everything possible is being done by the State authorities to this end. It is very gratifying to receive such a letter as yours.

With kind regards, I am,

Very truly yours,

Governor.
