The farms to be sold belong to the estate of the late James Bright, a former prominent citizen of Kent Island. Some of the finest farm lands and water locations in that county are offered in this sale. Several of the farms are most beautifully located on the Chesapeake Bay side of the Island in sight of Annapolis and Baltimore. Communications to both Annapolis and Baltimore are convenient and either city can be reached in a few hours. Philadelphia, New York and other northern cities can be reached by railroad, as a branch of the Pennsylvania system extends across the entire Island and connects with the Queen Annes and Kent road at Centreville. These farms offer to purchasers beautiful homes and good investments. An opportunity, such as is offered here, to secure desirable homes, rarely comes once in a life time. Kent Island is one of the finest agricultural sections on the Eastern Shore. All the delicacies of the water are right at your door and can be had at a trifling cost.

## SAD DROWNING.

Cecil Robinson, son of Mr. and Mrs. Samuel F. Robinson, was drowned while bathing in Chester river on the Queen Annes flats shortly before six o'clock on Thursday evening. The lad, accompanied by Mr. Melvin, telegraph operator at the station, went for a swim. Mr. Melvin states that they jumped overboard from their rowboat, and as soon as young Robinson came to the surface he noticed something wrong with him. Mr. Melvin went to Robinson's assistance and grabbed him but the current was so strong that he was forced to let go or drown himself. Mr. Melvin rushed to the boat and started after the unfortunate young man, but he went down before he could get to him. The news of the drowning spread rapidly and the boy's father and brother were the first to go in search of the body. They were soon joined by a number of boats with men with hooks and grappling irons, and an all night search was made for the body without avail. Yesterday morning about eight o'clock the body was found by Capt. Harry Pfeffer scarcely ten feet from where he went down. The remains were taken to the home of Undertaker C. L. Dodd and prepared for burial. The drowning of young Robinson is a particularly sad occurrence. He was a bright boy and of a most pleasing manner. He was 16 years old and was to have graduated at the High School commencement in June, and was so well advanced in his studies that he had the permission of the faculty to spend part of the day at the telegraph office in an effort to learn the business, and he was courteous and obliging in all his relations. His father, who is the faithful engineer at the electric plant, and his mother, both grief-stricken at the calamity which has befallen them, have the sympathy of the community in their affliction. Young Robinson joined Chestertown Council, No. 177, Jr. O. U. A. M. last week, and had been a member sufficiently long to receive the order's financial benefits. He also was insured in the Railroad Relief for $250 and in the Prudential Life Insurance Company.

Funeral services will be held from the residence of his parents on Front street to-morrow (Sunday) afternoon at 1 o'clock, conducted Rev. Dr. L. E. Barrett. Interment will be made in Chester cemetery. The pall-bearers will be from the members of his Sunday school class, as follows: Albion Bailey, Charles Ford, Norman Hirons, Alvin Coleman, Irving Sparks and Jewell Armstrong. Undertaker Chas. L. Dodd will have charge of the funeral arrangements.

### St. John's Trims Washington College, 6 to 2.

Before one of the largest crowds that ever attended a local game, Washington College went down to defeat before St. John's College, of Annapolis, last Saturday afternoon, by a score of 6 to 2. Stevens, of the visitors, proved too much for the local boys, allowing only two hits. St. John's was in the lead from the first inning, when Clark tallied. Most of the runs made by the Annapolis boys were on passed balls and errors. Biddle pitched good ball, but was poorly backed up by his team-mates. Noble's catch of a foul ball in the ninth inning was one of the features of the game. Strong and Usilton did the best stick-work for Washington. This was one of the games for the inter-collegiate championship of the State. The score:

## OUR DEATH RECORD.

JOHN W. SILCOX.

Former Deputy Sheriff John W. Silcox died at the residence of his brother-in-law, Wm. T. Hearn, in the city of Wilmington on Tuesday, aged 75 years. The deceased was a well-known resident of this town and county for a number of years. He was an ardent Democrat, and during the term of the late Sheriff Eugene Gooding he served as deputy sheriff. He was from manhood actively identified with Democratic politics, and labored for the success of his party at all times. He was an ardent admirer of Secretary of State William Jennings Bryan and President Wilson, and when Mr. Bryan visited Chestertown during last year's Chautauqua, he was the first citizen to shake his hand after the great commoner left the stage after his lecture. For some years after the death of Mr. Charles Estes, Mr. Silcox was in the employ of the Beck, Walker Fertilizer Company, which position he held until his health failed when he removed to Wilmington to live with his sister. While in Chestertown he made his home with Mr. Thomas Clements. The deceased was not married, but he leaves a number of relatives in this county and in Wilmington. The remains were brought to Chestertown by train yesterday morning and interred in Chester cemetery. Rev. Dr. Graham conducted the services at the grave, and Undertaker C. L. Dodd had change of the funeral arrangements. The pallbearers were Messrs. Milton Baker, W. Bradford Copper, William Vansant, Jas. T. Dixon, Chas. D. McCleary and Dr. H. L. Dodd.

CAPT. WILLIAM T. HENRY.

Capt. William T. Henry, an aged and highly respected citizen of Chestertown, died at his home on Cannon street, Sunday morning at one o'clock, of paralysis, aged 75 years. Capt. Henry had a paralytic stroke about three years ago and has been an invalid since. A short time ago he had another similar stroke, and his faithful wife, who has ever been by her husband's side in his affliction, was told a few days ago that the end was near. The deceased in his younger days was a mariner and has sailed in many parts of the world as a captain and in other capacities. When he was about forty-five years old he returned from a long voyage and found that during his absence his wife—by a former marriage—and two children had died. Worrying over this had turned his hair white and broken him down in health for many years. Soon after this calamity had befallen him, his two sons went west into the newly opened gold fields of California, carrying their younger brother with them. Capt. Henry never heard from these missing ones. When he was fifty years old he married again, three children blessing this union and surviving him, viz: William T. Henry, Mrs. Thomas Kennard and Mrs. Jesse Latham. The funeral was held Tuesday at 10 o'clock A. M., interment in Chester cemetery. Undertaker Charles L. Dodd had charge of funeral arrangements. The pall-bearers were: Wm. Vansant, M. A. Toulson, Capt. Pfeffer, J. B. McIntire, J. C. Davis, C. S. Smith; Dr. W. R. Graham officiating.

H. CLAY STEVENS.

Mr. H. Clay Stevens died at his home in Crumpton, after a five months' sickness of tuberculosis of the throat and complete break down, May 19, in his 73d year. Funeral services were held at his home May 22, conducted by the Rev. Mr. Jones, of Crumpton M. E. Church. Interment in Crumpton cemetery. Messrs. Bradley & Sparks had charge of the funeral. Mr. Stevens is survived by his widow, Amanda M. Stevens; three daughters, Mrs. W. W. Mallalieu, of Millington; Mrs. F. E. Bridgewater, of New Castle, Del.; Mrs. James E. Maher, of Baltimore, and four sons: Wm. E. Stevens, Crumpton, Sam'l H. Stevens, South River, N. J.; Fred W. Stevens, Crumpton, and L. Burton Stevens, South River, N. J.; also one brother, James Stevens, of Sudlersville. He has been identified with the life of Crumpton for the last thirty-five or forty years and during that time has always been known as a man of clean moral habits, renowned for his honesty and kindness toward everybody. He was loved and respected by all who knew him. (Delaware papers please copy.

MRS. ALICE A. AYRES.

After a heroic struggle of more than a year against the demands of the grim reaper, with skilled doctor of Baltimore and at home, Mrs. Alice A., wife of Jefferson D. Ayres, died at her home at Rock Hall Saturday night, May 23rd, in her 49 year of age. Besides her husband, she leaves one brother, Richard H. Coleman; one sister, Mrs. James A. Casey; one half-brother, Frank E. Coleman; three half-sisters, Mrs. Charles D. Wood, Mrs. Frank Stevens and Miss Coleman, and many friends. Funeral services were held Tuesday afternoon at 4 P. M. in Rock Hall M. E. Church by Rev. J. W. Prettyman, which was largely attended by her many friends. Interment in Wesley Chapel Cemetery. Casey & Bro. in charge. The pallbearers were: Elmer E. Leary, Wm. E. Parsons, James Durding, Thomas Rich, Joseph Williams and Wm. T. Downey.

MR. FRANK WHELEN.

Mr. Frank Whelen, printer and editor known throughout the Maryland-Delaware peninsula, died on Wednesday at the home of his daughter, Mrs. E. R. Winkler, 1329 N. 53rd street, Wilmington, aged 64 years. The deceased was one of the most widely known newspaper men in Delaware, and for a number of years owned and edited a weekly paper in Smyrna. He was the father of Justice Frank Whelen, of Massey, this county.

WILLIAM KEATING.

William Keating died at the home of his daughter in Raspeburg, Baltimore county, on Thursday, aged 75 years. The deceased has a son living in Rock Hall. The remains will be brought to Chestertown to-day and interred in Chester cemetery. Dr. Barrett will conduct the services at the grave. Undertaker J. E. Ferguson will have charge of the funeral arrangements.

Mr. Samuel O. Wallace, of Chestertown, received word Monday announcing the death of his brother, Mr. B. F. Wallace, in Virginia. The deceased was a former resident of this county.

## Temperance Meeting.

In persuance to a call signed by representative temperance men from various parts of the county, a goodly number of temperance people met in the court house on Tuesday, May 26th at 2.30 o'clock for the purpose of perfecting an organization representing every election precinct in the county. The object of said organization is to see to it that no candidate of whatsoever political party be elected to the Maryland Legislature two years hence who will not pledge himself to vote for a constitutional amendment which simply gives the people of the entire State a right to vote on the question of State-wide prohibition.

The meeting was called to order by Rev. Cyrus P. Keen, Eastern Shore district superintendent of the Anti-Saloon League, who made a few explanatory remarks. On motion of Rev. A. H. Covey, Mr. Tilghman Shafer was elected permanent chairman, after which Rev. A. H. Covey was elected secretary. After a brief address by Dr. T. M Hare, the State-wide suderintendent of the Anti-Saloon League, the meeting by vote unaminously adopted the program of the League, and proceeded at once to organize the county by electing the following committees. Committee on information:

First District—Joseph Mallalieu and Henry Rosin.

Second District—E. R. Pennington and Wilbur Ford.

Third District—B. F. Rash and Harvey Moore.

Fourth District—Thomas S. Bordley and Wm. A. Wheatley.

Fifth District—C. L. Miller and Capt. Apsley.

Sixth District—Wm. G. Smyth.

Seventh District—I. R. Leaverton and E. Y. O'Mera.

A committee to nominate a county executive committee was named as follows: Ralph Barnett, Herbert E. Perkins and M. A. Toulson. This committee met promptly and named the following executive committee: Tilghman Shafer, Samuel G. Caldwell, Thomas S. Bordley, C. L. Miller and A. H. Covey.

At night a temperance mass meeting was held in the Court House, at which Dr. T. M. Hare made a convincing address in which he dealt with the prohibition question from a state and national standpoint. This meeting was well attended and very enthusiastic. It is very evident from the spirit manifested at these two meetings that the temperance people of Kent county are determined that their representatives in the Legislature in 1916 shall at least be fair enough to vote to give the people the right to settle this great question as they please.
