FORMER KENT COUNTIAN AGAINST SMITH.

Mr. Edward B. Emory Argues Against Senator Smith and in Favor of Preston and Lee.

TO THE EDITOR OF THE SUN—*Sir:* I have been a reader of your paper since 1860, when I was a child, and know that for many years it was conservative, and a valuable educator of the people of Maryland. Of late years it has been a meddler in State politics; doing good at times and harm to the Democratic party at other times by undertaking to be its dictator. From the first I was a Wilson man for the Presidency, and he has made good all my expectations in governmental affairs. I was for Blair Lee for the Governorship as against Gorman, for I did not think he measured up to the position. I was for W. L. Marbury for the United States Senate, because he did measure up to the position and because President Wilson wanted him on the floor of the Senate because he could ably defend Wilson reforms. I fought for Senator John Walter Smith for Congress because I thought he was the only man on the Eastern Shore that had the sinews of war and the ability to beat Jackson. I was largely responsible for bringing Smith out for the nomination, and helped to make him a success in every way to elect him.

I fought for him for the Governorship because I thought he measured up to the position. He gave me and the people at large his pledge that he would not be controlled by any clique or faction. We Eastern Shoremen gave him a big majority and elected him Governor. He told us in his campaign speeches and inaugural that the height of his ambition had been to be the Governor of Maryland and that he would not ask the people for any thing more. He made voluntary promises to me and some of his other friends that he would give us appointments and he would not be controlled by any individual clique or faction. After he was made Governor he failed to carry out his promises, and was controlled in making his appointments by unscrupulous politicians who held a stick over his head that controlled hold-over Senators. They insisted that they must name for him his appointmenas and unless he allowed them to do so they would cast their Senatorial votes against him if he was a candidate for the United States Senatorship. He then turned to us who had faithfully served him in his political battles and said: "It is a hard thing for me not to be able to serve my friends as I would like to, but I can't without antagonizing the machinery of the party." I and others were turned down because we were not machine men.

So I have been up against Smith because he was a machine man and working solely for Smith's advancement, and he has played politics that way ever since.

Preston has shown more ability since he has been Mayor of Baltimore than you or I ever dreamed of. He has led the ward bosses of Baltimore city instead of being controlled by them. He has worked for the best interests of the city in every way and has accomplished more improvements in the city than any former Mayor. And in taking up Senator Lee for the Governorship he was working for the best interests of the State; to harmonize the feelings between the county people and the city people. In this he has shown a broad and masterly mind, and has at heart the best interests of the Democratic party and the people of the whole State.

Smith can't carry the whole Eastern Shore for Harrington. He is a back number. His race is run as a State leader.

Preston is the man of the hour, and in taking up Lee he has shown a master mind. He is in line with the national Democratic party; and Smith is up against it.

These are the facts, pure and simple facts. Is it the love of the Sun paper to make trouble? She is trying to bring into the fight for the Governorship as good and true a man as ever lived. He would make an ideal Governor, but it is too late now for him to enter the race. You have always been a warm supporter of Lee. Why not now?

WHEN THE KIDNEY FAILS

Chestertown People Have Found That Ill Health Follows.

Do you ever feel that you simply can't go any further—that you must have rest from that lame and aching back—relief from the constant dead-tired feeling—freedom from those stabbing, darting pains? Likely your kidneys are worn and tired and need help. The kidneys work night and day, removing uric acid from the blood and other waste created by expenditure of strength and energy. Naturally a life of unusual activity doubles the duties of the kidneys and in time the strain generally tells. Doan's Kidney Pills have brought new strength to thousands of bad backs and quick relief to weakened kidneys, so users say. Let them do the same for you. Convincing proof of merit in Chestertown testimony.

Mrs. Albert Rawleigh, Cannon St., Chestertown, says: "One of my family suffered from kidney trouble. The kidney secretions contained sediment and the passages were too frequent. He had pains through his back and kidneys and at times was dizzy. Doan's Kidneys Pills were finally procured from Toulson's Drug Store snd they made him well.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rawleigh recommends. Foster-Milburn Co., Props., Buffalo, N. Y.
