

my object is to help you  
to secure the nomination  
for President, then to win  
the election, I know that it  
is talked that if you cannot  
enforce the law in your  
own state as Governor then  
what can be expected of  
you as President.

I therefore am ready to  
serve you. know that I  
can do this.

wishing you success in  
your Campaign, and  
happy return of the season

I am Very Truly yours
