★ What You Buy With ★ WAR BONDS

Beans

So long as a soldier can eat and think up disparaging names for his equipment the Army will do all right. Food is either "beans," or "chow."

"Chow" may consist of a well cooked meal or if circumstances demand our fighting men have learned to subsist on "Ration K," the concentrated food that all of them carry into battle.

With millions of men and women in the services it will require a lot of War Bond buying on our part to keep them happy.

Slate Up in Air Tells Aviator He's a Daddy

WITH THE U. S. PACIFIC FLEET.—It's a safe bet that Lieut. Louis De Camp, a naval aviator from Hollywood, found out he had a new daughter via the strangest birth announcement ever put out.

It was written on a slate and said: "Mother and baby daughter doing nicely. Congratulations."

The slate was held up, so Lieutenant De Camp could read it, by another pilot in a plane which drew near De Camp's while he was on flight.

Baby De Camp now is three months old.

Burglar Tries Plan to Beat Coffee Rationing

AKRON.—A thief with an eye for beating coffee rationing was the guilty possessor of 16 pounds of the "golden" bean.

Not only did the thief take the coffee after he had forced the rear door of a grocery store, but he took a large ham and 16 cartons of cigarettes, Sam Levine, the store proprietor, said.

Enlists in Army and Navy

Just to make sure, a Midwest youth enlisted in both the army and navy. When the army called him he was at a naval training station.

One battle won does not win a war. We've got tougher times ahead.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!

Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion *whatnot*, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble.

After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.

Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.

In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use *Doan's Pills*. They have been winning new friends for more than forty years. Be sure to get *Doan's*. Sold at all drug stores.

THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "*Doan's have helped me; I recommend them to you.*" That is why we say, *Ask your neighbor!*
