Mr. Dugan is rapidly becoming one of the most prominent railroad men in the east and his many friends here are delighted to hear of his success in life.

Mr. Hepbron, of the Baltimore police force, who has been granted a leave of absence for the benefit of his health, is spending sometime with relatives and friends in Kent.

A Mighty Catch Of Fish.

The purse net law, which William W. Beck succeeded in passing through the Legislature during the last session, legalizing purse net and buck net fishing from June 15th to November 1, became effective on Monday of last week. One day the latter part of last week a Rock Hall crew made a dip on Swan Point catching about 18,000 pounds of rock fish weighing from 3 to 9 pounds, as well as a large number of smaller fish. The captain of the crew filled his vessel and left for Baltimore. The net was hauled into Rock Hall creek and when the boat returned from Baltimore another load was gotten out of the net and sent to Baltimore, besides supplying the neighborhood with all the fish they wanted. This is, perhaps, the greatest haul of fish ever known on Swan Point. NINE tons of rock fish taken at one dip, which at 15 cents a pound sold for $2,700. There is no question but that the success of this purse-netting crew will induce others to engage in the business, and the bay will soon be full of purse-netters and buck-netters, and where will the fish industry be in a year or two? It is said now that the very people who induced Mr. Beck to pass this law regret it very much, for the legalizing of the business will cause so many people to go in as to kill the fishing industry as well as destroy the fish.

Anniversary of Caulk's Field.

This year, 1914, early in the fall, marks the 100th anniversary of the battle of Caulk's Field, the bloodiest battle in history in proportion to the number of men engaged in the conflict. This is the battle before which it was said by Sir Peter Parker, the British general, that he would eat his breakfast in Chestertown or in Hell that eventful morning, and General Philip Reed, whose monument stands on the celebrated field, defeated the British, and for all we know Sir Peter Parker ate his breakfast right out of the oven in the hot place. Would it not be well in connection with the Star Spangled Banner celebration in Baltimore in September to celebrate in some fitting manner the anniversary of the battle that saved Chestertown? Some patriotic spirit move the thing along.

The Annapolis Excursion.

For the first time in many years the people of Chestertown and vicinity, as well as Queen Annes, will have the opportunity to enjoy a delightful trip to Annapolis and Washington on Wednesday, July 8th. The Sunday school of Christ M. P. Church has chartered one of the Tolchester steamers—the Annapolis—and for the small sum of 50 cents the round trip, and any one who wishes to go on to Washington from Annapolis may do so and spend four hours in the nation's capitol for $1.00 a round trip. The indications are that a big crowd will enjoy the trip. The committee in charge has made arrangements for a splendid time in Annapolis. The steamer will leave the electric light plant wharf at 7.30 A. M., and stop only at Rolph's, arrive at Annapolis at 11 o'clock, and leave at 6.30 P. M., enjoying a beautiful moonlight ride on the bay and river. What more could you ask for 50 cents?

☞The Easton Star-Democrat in its last issue stated that 243 gallons of liquor were shipped into Talbot county during the month of May.
