And we say hasten the day for the smoke from the pump house is worse than a nuisance to the nearby property owners. Let the Ladies' Town Improvement Association or Federated Club get busy and make a beautiful spot of the ravine.

HOW LEE STOOD ON OYSTER LEGISLATION.

Senator Louis M. Milbourne, of Somerset county, one of the strongest friends the oystermen had in the last Legislature, in an open letter to the oystermen of Somerset county, speaking of Senator Blair Lee's stand on oyster legislation, says:

"Senator Lee became a figure in State politics when he was a candidate for Governor in 1911, at which election he received the generous support from the oystermen, and at the following sessions of the Legislature of 1912 he displayed the keenest interest in their cause. On many occasions he rendered valuable aid and support to those of us who were leading the fight against the Campbell-Price bill. One notable occasion was during the stubborn fight made on my amendment to that bill prohibiting the use of power boats to take plants from leased ground, when President Price left the presiding officer's chair and made a two-hour speech in favor of the use of power boats. Senator Lee made a very effective speech in favor of my amendment, and it was his influence and vote which made its adoption possible.

"Neither of the gubernatorial candidates was a member of the Legislature of 1914, but the Act of 1914 was passed by a Democratic Legislature and members of that body who were friends of Senator Lee supported it as earnestly and as effectively as did the friends of Mr. Harrington.

"No member of the Legislature of 1914 rendered more valuable service in securing the passage of the Shepherd bill than did the Hon. Andrew J. Cummings, of Montgomery county, the home of Senator Lee. No man in the General Assembly was closer to Senator Lee or more frequently in consultation with him during that session of the Legislature than Mr. Cummings, and it is fair to assume that the Montgomery legislator acted with Senator Lee's advice and approval.

"Anyhow, I personally know that Senator Lee regards the oyster question as settled and has no purpose to reopen it or to do anything as Governor detrimental to the interests of the oystermen."

IN THE CHURCHES.

Rev. Dr. F. T. Tagg, editor of the Methodist Protestant filled the pulpit in Christ M. P. Church last Sunday morning and preached a grand sermon. Dr. Tagg recently celebrated his 75th anniversary, but has lost none of his force and power as a preacher. A patriotic service was held in the Sunday school in the afternoon in charge of Mr. R. Frank Elburn. The American flag was used for an effective decoration, as were also beautiful flowers. Patriotic addresses were made by Mr. Elburn, Mr. Frazier Russell and a number of classes responded with appropriate selections and the singing was spirited and inspiring. At night the service was in charge of the Young People's Society. Miss Olive Pennell read an interesting article as to the origin of the American flag. Mr. Foster Cannan rendered a beautiful trombone solo, and Messrs. A. L. Sparks, Webster Hague, J. Hydie Thompson and T. D. Bowers rendered a male quartette. Dr. Tagg delivered a short address on liberty. The day was an inspiring one, and all the services were fine.

The evening services at the M. E. Church were held on the church lawn. It was a most beautiful and inspiring service. The sweet songs were echoed to all parts of the town and many a man who rarely hears the sound of church music was no doubt awakened to a sense of his religious responsibility by the sweet strains of music. Dr. Barrett preached a stirring patriotic sermon in the morning and also at night. Messrs. James T. Anthony and C. Norman Jefferson also made short addresses.

Chestertown M. E. Church—Rev. L. E. Barrett, D. D., pastor. Services next Sunday, July 11th, as follows: 9.30 A. M., Sabbath school and pastor's Bible class; 10.30 A. M., short sermon by the pastor, followed by sacramental service; 6.30 P. M., on the church green; Epworth League song service with a sermon by the pastor. Bring your Billy Sunday Song Book to this service; whole service but one hour—All invited.

Rev. F. D. Reynolds, pastor of Waverly M. P. Church, will fill the pulpit in Christ M. P. Church to-morrow (Sunday) morning and evening. Sunday school at 2.30 P. M.; mid-week prayer service on Thursday evening at the usual hour.

Betterton Auxiliary of Betterton Mission P. E. Church held a very successful bazaar at Mann's Casino June 18 and 19. Total amount sold from the many beautiful articles donated was $134.56, of which, after expenses were paid, $119.34 were left toward building the new chapel. The success of the bazaar was due largely to the kindness and courtesy of Mr. Geo. Mann, for which all who took part thank him.

A Prosperous Lodge.

Massey Lodge No. 157, I. O. O. F., now bears the distinction of having adopted the largest class of candidates perhaps of any lodge in the United States of its size. Prior to Tuesday night the roster of Massey Lodge numbered thirty-three members; it now boasts a membership of one hundred and four. This was made possible through the good work of our worthy brother, W. T. Medford, District Deputy Grand Master, and the activity of the members who secured candidates from all surrounding towns, including several from Millington, Sudlersville, Centreville, Golt, and distant points as Clayton, Del., Marydel, Md., and Caroline county. The degree work was presented by the degree staff of Liberty Lodge No. 10, of Baltimore, Md., under the supervision of Degree Master Hoppman. To any one familiar with the beautiful ceremonies incident to Odd Fellowship, will appreciate the statement that seldom have these solemn rites been more vividly portrayed, and great credit reflects on those men for their painstaking work. Grand Master Hoffstetter, and Grand Treasurer Plummer, of the Grand Lodge, were present and addressed the new candidates. Following the degree work the elder members of Massey Lodge, assisted by the ladies of Massey, transferred the lodge room into a banquet hall, and then it was in the wee small hours of morning that all enjoyed this part of the program. Massey presented a beautiful sight, having more autos on its street than at any other time in its history.

Wheat Yields.

The indications from those who have threshed wheat point to a rather poor yield of wheat this year. We have heard of a few yields this week:

Mr. John E. Morris got an average of 26 bushels per acre from his potato patch.

Mr. George Hatcherson put his crop in his barn for a little over 14 bushels per acre.

Mr. Thomas Maslin, in Quaker Neck, got an average of 19½ bushels all over.

Mr. William S. Collins on his Burchinal farm, got an average of 20 bushels.

Mrs. George Hudson got a yield of 20 bushels per acre.

Local buyers were paying $1.05 a bushel for wheat yesterday.

A COMPLIMENT.

The following very complimentary reference to Mr. L. Wethered Barroll's candidacy for State's Attorney was published by the Enterprise on Wednesday:

"It was reported through reliable sources yesterday that L. Wethered Barroll, Esq., acceding to the urgent solicitations of his many friends, had finally consented to become a candidate for the Democratic nomination for State's Attorney in opposition to H. W. Vickers, Esq., the present incumbent of the office, and who is a candidate for renomination. Mr. Barroll's entrance into the arena as a candidate will add fuel to the flames and fury to the contest between the rival factions of the Democratic party. Mr. Barroll's candidacy will doubtless, also strengthen the Anti-Organization ticket. He is an aggressive campaigner, and enjoys a wide personal popularity and the confidence and esteem of the community generally."

PERSONAL AND SOCIAL.

Other personals on pages 2 and 3.

Mrs. Holtz, of Baltimore, has been the guest of Mrs. H. H. Klinefelter, over the river, during the week.

Mr. J. P. Wilson, who died in Easton last week, was a brother of Mrs. Henry Brown and a cousin of Senator Wm. T. Hepbron, of Chestertown.

Mrs. Elizabeth Merritt, of Baltimore, is visiting her daughter, Mrs. Charlas Richard Twilley.

Mr. Arthur Hurlock and family, of Cambridge, are at the bedside of his mother, who is quite ill at the home of her daughter, Mrs. Fred G. Usilton. Dr. Harry Hurlock is also at home.

We are glad to state that the condition of Mr. R. Hynson Rogers, who is in the Union Protestant Infirmary Baltimore, for special treatment is more favorable. His many friends here hope for his speedy recovery.

Mr. D. B. Stewart, of the Stewart Fruit Company, Baltimore, spent the Fourth in Kent, looking over his farming interests and mingling with friends.

Mr. Jarrett Sheridan, of Baltimore, spent the holidays with her sister, Mrs. Walter T. Morris, near town.

Mr. and Mrs. M. M. Stewart, of Baltimore, were guests of Mr. and Mrs. Fletcher Melvin and other relatives in Kent during the Holidays.

Mr. Sudler Weist, deputy postmaster in Millington, spent Wednesday in Chestertown.

In Memoriam.

SHROPSHIRE—In sad but loving remembrance of our dear and loving daughter, Isabella Starr Shropshire, who departed this life July 12th, 1909.

Death has dimmed her eyes, bright lustre
From her cheek has dashed the rose.
And upon her snowy forehead,
Set his seal of deep repose.
Never more her smile will cheer us,
Never more her words will bless us,
All in vain we wait her foot steps,
And her loving, kind cares.

—Sadly missed by her
PARENTS AND DAUGHTER.

CARD TO PUBLIC.

TO MY FRIENDS IN KENT COUNTY:

Owing to the continued ill state of my health I have determined to withdraw from the contest for Register of Wills, since in justice to myself and to my friends I do not believe it will be possible for me to make an active canvas for the office. I trust that my friends will secure some good active candidate in my place and I cordially endorse Mr. Samuel G. Caldwell, should he determine to run.

Sincerely yours,
CLARENCE S. HURLOCK.

We Know You Like Good, Pure Ice Cream---And You Should!

Pure Ice Cream? Has the thought ever entered your mind, while enjoying a plate of cream, under what conditions it was manufactured? Did you ever investigate the plant in which the cream you have been in the habit of buying is made? Do you appreciate the fact that there are different qualities of Ice Cream sold at exactly the same price that good, pure cream can be obtained for?

To produce absolutely pure, wholesome Ice Cream, the manufacturing plant and general conditions must be sanitary from the foundation. Cleanliness must be the watchword. Good material the substance. Careful and clean in attendance.

Ice Cream is a Pure Food Product—a wholesome product—an appetizing product—if you know that it is manufactured under absolute conditions.

Ice Cream manufactured by the Chestertown Candy Kitchen at their establishment on the corner of High and Cross Sts., is made under strict sanitary conditions from the best products the markets afford, and costs you no more than the inferior grades sold elsewhere.

Chestertown Candy Kitchen solicits your business for home use. They serve the family trade as well as dispense their Pure Ice Cream and Fancy Ices in boxes or packed, Soda Waters, Fancy Sundaes, etc., at their store at High and Cross Sts.
