Last year at Byberry, Pa., while in the stable of Powell Peacock, he fractured a hip bone, and has been lame since. If he comes around allright, his new owner will have a prize.

THE KENT AND QUEEN ANNES FAIR.

Annual Exhibition Draws Big Crowds and is a Success Financially.

The annual fair and exhibit of the Kent and Queen Annes Fair Association held at Radcliffe Park this week was attended by large crowds each day. Never before in the history of the association has such a fine array of horses been brought together for the races, and the bangtails, all of which are thoroughbreds, furnished lots of sport for those who love running races. More than 200 horses were entered in the various classes, and the racing each day was all that could be desired. A pleasing feature of the fair was the exhibit of farm implements, carriages, etc., by Kent's leading dealers. Those who have exhibits are: Davis & Satterfield, Chestertown; Baynard Harper, Still Pond, A. S. Turner, Worton; C. C. A. Bauercamper, Chestertown; Graham & Thomas, Chestertown; T. B. Kilbourn, Fairlee; H. D. Orem, Chestertown, International Harvester Co.

Besides the display of farm implements there were most creditable exhibits of automobiles by local dealers. The Overland and other makes were well demonstrated by Mr. John H. Clendaniel, Jr., of Kennedyville; the handsome Paige, 1916 models, were ably championed by Mr. Charles W. Kibler, Jr., and Mr. A. S. Turner, the Worton dealer, had the popular Dodge, and lost no time in telling the people of its merits. The only thing that was lacking which after all is the real drawing card at a fair, were the farm products, cattle and poultry exhibits. These things were most conspicuous by their absence, and the management should surely make an effort to arrange such exhibits another year. The management is to be congratulated upon the absence of objectionable catch-penny amusements and skin games. There was a most conspicuous absence of such things, and the pleasure of the visitors was all the greater because of their absence.

The various privileges looked after the needs of the inner man, and nobody had the slightest chance to leave the grounds hungry or thirsty.

The racing each day was the feature. Starting Judge Wm. H. Whitehurst, of Baltimore, handled the field in a creditable manner, and aside from a slight confusion on the first day, caused by a lack of correspondence between the number worn by the horse and the number on the program, the card was run off each day in fine shape. The showing made by the Kent and Queen Anne's horses in their various races shows that Kent is in the running with the best of them. Pony Boy, Twinkle March, Susie A., Grey Nipps and others showed their speed to fine advantage and rewarded their backers by either winning or getting a big piece of the purse. The summary of each day's racing including the runners, is as follows:

THURSDAY.

Between 8,000 and 10,000 people saw the greatest racing in the history of the association on Thursday. The feature of the card was the special free-for-all, which brought together three of the fastest half-mile side-wheelers in the county which were offered a purse of gold to the one breaking the track record, 2.10¼, held by Joe Boy. The crowd had the pleasure of seeing Mary Ellen, the speedy Washington mare, ably driven by Miller, turn the track in 2.09¼. Sellers D. took the first heat in 2.10¼, and after the second heat the race was postponed until yesterday. Every race on the card was a great one, but the 2.14 pace furnished the sport of the afternoon. Bessie Patchen, the Philadelphia mare, with McCarnas up proved the real good thing in this race, and after laying up the first and second heats went on and won the next three handily. In the 2.30 pace Ashland Read, Kline's entry, and Billy Fair, Dr. Free's entry from York, Pa., had a battle royal, doing each mile in 2.14¼, and there were many who believe that Billy Fair was not extended, and some go so far as to say that he is the fastest pacer at the track. The crowd was very orderly, and was handled splendidly by the officials. The attendance was the largest in the history of the association. The summary of the races follows:
