VOL. LIII—NO. 13. CHESTERTOWN, MARYLAND, SATURDAY, AUGUST 22, 1914 $1.00 PER ANNUM

NATIONAL AND STATE BANKS

ONE of the most vital and important regulations of the NATIONAL BANKING LAW is that which controls what is known as the "Legal Reserve." It requires that 15 per cent. of all Deposits shall be kept in the vaults of National Banks or in the hands of Approved Reserve Agents.

The following statement of the Deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, June 30th, 1914:

	Deposits	15%	Reserve Held	Per Cent.
Third National	$586,353.16	$87,952.96	$95,257.66	16%
Chestertown Bank	394,188.67	59,128.30	23,887.34	6%
Kent Savings Bank	319,691.40	47,953.71	17,398.21	5 2-5%

As you will see by the above statement, the Reserve held by the Third National Bank ($95,257.66) is more than twice as much as held by both of the other banks ($41,285.55). After reading the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The Third National Bank cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large reserve, but we KNOW it is better banking. Nearly $100,000.00 on hand with which to meet immediate demands. Think of the above while doing your banking.

NOW is the time the farmers realize on their season's work. As you sell your grain, stock or produce, place the money with a reliable bank. Pay your bills by check, which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money. Your business is carefully looked after in this bank. We pay 4 per cent. on all Savings Accounts.

Very respectfully,

The Third National Bank
of Chestertown, Md.

Do not forget Chautauqua week—August 31–Sept. 6.

WE ARE

MAKING THEM! Compare quality, fit and workmanship with some of these guaranteed Suits we're turning out. See if you're treating yourself just right, then we'll make yours.

No large rent, no large stock to carry and carry over, no large up-keep is why we're making Suits to order for less money than you can NOW buy ready-mades. Same quality. Think this over.

In connection with my tailoring business, I've added a line of Alpaca and Mohair Coats, Dusters and Raincoats from a manufacturing plant in New York. I carry sample garments and can deliver in two days. Look them over. I'll save you 25 to 30 per cent. on this line also. Respectfully,

W. E. MOODY,
SPECIAL REPRESENTATIVE OF THE INTERNATIONAL TAILORING CO., OF NEW YORK, CHICAGO AND LONDON,
Office Under Voshell House, Next to Robert McWhorter's, CHESTERTOWN, MARYLAND.

Chapter of Accidents.

Mr. William Embert had his foot crused and several toes broken last week when a big truck of paper fell on it at the strawboard mill.

Mrs. Howard Reed scalded one of her feet quite badley one day last week when she dropped a pan of hot weater upon it.

Mr. Maxwell Blakeney, of West Chester, Pa., who has been visiting here, sustained a painful injory to his right hand while driving his car near Fannel's Branch Saturday morning. The car struck a deep rut in the road and the steering wheel broke two of Mr. Blackeney's fingers.

A horse driven by Mrs. Fred Kinsey ran into the "danger" rope stretched across High street near Hurlock's Corner on Monday night, causing it to rear and throw the occupants, Mrs. Kinsey and two children, from the team. The baby was considerably bruised. The little sister received a gash on the head and several minor bruises, while Mrs. Kinsey escaped with several bruises and a sever shaking up. Dr. H. L. Dodd rendered surgical aid, and all are doing well. The team was not damaged.
