NATIONAL AND STATE BANKS

ONE of the most vital and important regulations of the NATIONAL BANKING LAW is that which controls what is known as the "Legal Reserve." It requires that 15 per cent. of all Deposits shall be kept in the vaults of National Banks or in the hands of Approved Reserve Agents.

The following statement of the Deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, June 30th, 1914:

	Deposits	15%	Reserve Held	Per Cent.
Third National	$586,353.16	$87,952.96	$95,257.66	16%
Chestertown Bank	394,188.67	59,128.30	23,887.34	6%
Kent Savings Bank	319,691.40	47,953.71	17,398.21	5 2-5%

As you will see by the above statement, the Reserve held by the Third National Bank ($95,257.66) is more than twice as much as held by both of the other banks ($41,285.55). After reading the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The Third National Bank cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large reserve, but we KNOW it is better banking. Nearly $100,000.00 on hand with which to meet immediate demands. Think of the above while doing your banking.

NOW is the time the farmers realize on their season's work. As you sell your grain, stock or produce, place the money with a reliable bank. Pay your bills by check, which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money. Your business is carefully looked after in this bank. We pay 4 per cent. on all Savings Accounts.

Very respectfully,

The Third National Bank
of Chestertown, Md.

Do not forget Chautauqua week—August 31-Sept. 6.

WE ARE

MAKING THEM! Compare quality, fit and workmanship with some of these guaranteed Suits we're turning out. See if you're treating yourself just right, then we'll make yours.

No large rent, no large stock to carry and carry over, no large up-keep is why we're making Suits to order for less money than you can NOW buy ready-mades. Same quality. Think this over.

In connection with my tailoring business, I've added a line of Alpaca and Mohair Coats, Dusters and Raincoats from a manufacturing plant in New York. I carry sample garments and can deliver in two days. Look them over. I'll save you 25 to 30 per cent. on this line also. Respectfully,

W. E. MOODY,

Nation Called to Prayer For Peace.

Washington, Sept. 8.—President Wilson to-day signed a proclamation calling on the people of the United States to pray for peace in Europe.

The proclamation sets aside Sunday, October 4, as a day of prayer, its full text being as follows:

"By the President of the United States of America:

"A PROCLAMATION.

"Whereas great nations of the world have taken up arms against one another and war now draws millions of men into battle whom the counsel of statesmen have not been able to save from the terrible sacrifice; and

"Whereas in this, as in all things, it is our privilege and duty to seek counsel and succor of Almighty God, humbling ourselves before Him, confessing our weakness and our lack of any wisdom equal to these things; and

"Whereas it is the especial wish and longing of the people of the United States, in prayer and counsel and all friendliness, to serve the cause of peace; therefore,

"I, Woodrow Wilson, President of the United States of America, do designate Sunday, the forth day of October next, a day of prayer and supplication, and do request all God-fearing persons to repair on that day to their places of worship, there to unite their petitions to Almighty God, that, overruling the counsel of men, setting straight the things they cannot govern or alter, taking pity on the nations now in the throes of conflict, in His mercy and goodness showing a way where men can see none, He vouchsafe His children healing peace again and restore once more that concord among men and nations without which there can be neither happiness nor true friendship nor any wholesome fruit of toil or thought in the world; praying also to this end that He forgive us our sins, our ingnoance of His holy will, our willfulness and many errors, and lead us in the paths of obedience to places of vision and to thoughts and counsels that purge and make wise.

"In witnese whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done at the city of Washington this eighth day of September in the year of our Lord one thousand nine hundred and fourteen, and of the independence of the United States of America the one hundred and thirty-ninth.

"(Signed) WOODROW WILSON.

"By the President.

"WILLIAM JENNINGS BRYAN,
"Secretary of State."

Red Men's Tournament!

Old "Jupe Pluvius," after loafing on the job for three or four months, suddenly awakened on Friday last, and by his activity succeeded in squelching the Red Men's Carnival scheduled for Saturday last at Massey.

The Red Men are determined to have their annual shindy, however, and have decided to give Jupe two weeks in which to disport himself and have set the day for

Saturday, September 12, '14.

The tournament, in which knights from Cecil and Kent will compete, promises to be an innovation, while the parade of Indians and other attractions will repay anyone who journeys to the pretty little junction at Massey. The original program will be carried out even to the dance in the evening. s5-2t.
