LAUGHLIN
Automatic—Non-Leakable
SELF STARTING FILLING PEN
10 Days' Free Trial

You don't have to fuss and shake a Laughlin to start the ink—*It's a Self Starter.*
You don't have to *fill* the Laughlin, *it's a Self Filler.*
You don't have to clean the Laughlin, *It's a Self Cleaner.*
You don't have to monkey with awkward or unsightly locks, extensions, or so-called Safety devices—*There are none.*
You can't forget to seal a Laughlin against leaking, it seals itself air-tight *Automatically.*
You can't lose your cap from a Laughlin—it secures itself Automatically.
You can't break your cap or holder on a Laughlin—*They are non-breakable.*
Holder and cap of scientific reinforced construction throughout, see illustration.
You don't have to wait until a Laughlin is ready. It is ready to write when you are, the air-tight leak-proof construction keeps pen and feed "primed", insuring a free uniform flow of ink instantly—even though not previously used for a year.
It performs these functions with no more hindrance or interruption to your thoughts or writing inspiration than your breathing. *These results—or your money back.*
These features are peculiar only to this patented construction.

LOCAL MATTERS

SALE RECORD.

SATURDAY, SEPTEMBER 12th.—Public sale of a carload of Missouri mules at Robert McWhorter's livery stable, George Vickery, proprieter.

THURSDAY, SEPTEMBER 17th—Public sale of valuable personalty on the Green Point farm by G. Spencer Comegys, owner.

TUESDAY, SEPTEMBER 22nd.—Mortgagee's sale of a valuable dwelling and lot of land in Galena, by Hope H. Barroll, assignee. This property is finely located and adjoins the lands of Wm. A. Hyland.

Grange Meeting.—A meeting of the Chestertown Grange will be held in the High School Building on Wednesday afternoon next at 2.30 o'clock. All members are urged to be present as business of the most vital importance will be taken up.

BRIEF ITEMS OF INTEREST

Quite a large number of town and county folks took in the Wilmington fair this week.

Mr. Walter R. Strong has one of the finest tomato patches we have seen in the county.

Weather prophets are predicting an early fall. Well, it will begin on September 20th, anyhow.

The public schools of the county will open Monday. Washington College will begin the fall term the following Wednesday.

The B. & O., the Pennsylvania and all other trunk lines will increase the rate of interchangeable mileage books from 2 to 2½ cents a mile.

Hog cholera has broken out in Spaniards Neck, Queen Annes county. It is also quite prevalent in Piney and Skinner's Neck and around Betterton.

The Metz automobile for which chances were taken at the fair in July will be chanced off in front of the Voshell House next Saturday, September 19th.

Mr. Percy V. Hendrickson sold last week to a well-known Baltimorean 50 head of fine stock ewes. He quickly disposed of the two carloads he received on Friday week.

We understand that buyers are offering 20 cents a basket for kieffer pears. Mr. Wm. G. Smyth on his Lankford Bay farm has the biggest crop we have seen in the county.

Mr. Charles H. Jefferson has purchased from Mr. John H. Clendaniel, Jr., agent, of Kennedyville, a handsome five-passenger Overland touring car. It arrived on Tuesday night.

The residents of Betterton will give a festival and dance in Pleasure Pier next Saturday evening for the benefit of the State road from Betterton to Still Pond.

The Blackway Bros. Bottling Works, Chestertown, has doubled the business of last year. They are now delivering soft drinks to all parts of Kent and Queen Annes counties. People that once asked for Blackway Bros. soft drinks always insist on getting them afterwards. The season is drawing to a close but the plant will be open another month yet.

Beginning Monday morning next the B. S. Ford leaves Chestertown every Monday, Wednesday and Friday at 8 A. M. instead of at 7 A. M. See change of schedule in this issue.

While enroute from Chestertown to his home in Rock Hall on Saturday night, Mr. Benjamin Coburn's automobile was badly wrecked at Brice's Mill by colliding with a tree on the roadside. The accident was caused by a defective stearing gear.

Fourth-class postmasters of Kent county will be granted leave of absence not to exceed four days, to attend the Postmasters' Convention, October 5, 6 and 7, of this year. It is probable that nearly every postmaster in the State will attend the big gathering at the capitol.

Mr. W. Holt Woodall's fine pacer Twinkle March, in Mr. George Sutton's stable, got third money in a race, the fastest time of which was 2.11, in Pennsylvania last week. He also won first and second monies, and got a mark of 2.14¼. He started at Wilmington yesterday.

The turkey crop in Kent county is said to be the largest for some years. A city wholesale buyer recently offered a lady 22 cents a pound for her fine flock of something like 100 birds to be delivered during Thanksgiving week. She thanked the buyer but declined the offer, believing that the price will be much better.

The great scarcity of cull perch in the waters of the bay and tributaries has been most remarkable during the entire year. Whether they have been exterminated by the Manhaden fishermen, or have left Chesapeake Bay waters is the question. The general belief is that they have been exterminted by carless fishermen, and what a shame.

President James W. Cain informs us that every room in the Washington College domintories is taken for the coming fall term and the attendance will be larger than last year. Coach Thomas Kibler will arrive in time for the opening of the football practice season, and expects to have a winning squad on the gridiron.

Five young gentleman in a Maxwell touring car, made the trip from Chestertown to Wilmington on Wednesday, a distance of 53 miles, in 2 hours and 20 minutes, and made two stops at stores. They left Wilmington at 11.45 P. M. and were in Chestertown at 2 o'clock. The car never made a skip going or coming.

Messrs Graham, Clements and Sutton, on of Chestertown's most progessive automobile firms, last week received three Buicks of the model 37 kind. All were five passengers. They were driven from Easton here. Mrs. Rosa Strong has purchased one and the other two are sold. The firm has also received a five-passenger Chevrolet roadster.

It looks as if the wheat tillage in Kent county this fall will be double of that of the present season. And regardless of whether the war is long or short in Europe, wheat must be about $1 in price next year. It the season should be unfavorable and the crop short, it would not surprise us to see wheat go to $2 a bushel next year, and we predict $1 corn before Christmes.

The Steamer Corisca left Baltimore on Thursday evening at six o'clock and did not reach her wharf here until six o'clock yesterday morning. She had 20 tons of fertilizer for Love Point. Quite a number of Chestertown people were on board, and they enjoyed (?) a long trip.

The fine building lots belonging to the estate of the late George B. McWhorter were offered at public sale in front of the court house door on Tuesday by Hope H. Barroll, trustee. They were withdrawn on a bid of $700 for the lot next to Mr. W. B. Copper's residence, and $600 for the one adjoining the first lot. They may be purchased at private sale.

The Federal Department of Labor has established a Children's Bureau to teach parents how to care for children, and has just issued a book on "Parental Culture," which is for free distribution. Judging from the numerous compliments which the children received twice a day during Chautauqua week from the superintendent, Mrs. Gregory, there does not appear to be any great need for such government instruction here at least.

Rural Carriers Meet.

The semi-annual session of the Tri-County Rural Letter Carriers Association met Monday, Labor Day, in the Voshel House parlors, for the purpose of disposing of unfinished business and otherwise perfecting said association which organized at Millington on Washington's birthday last.

After the reading of minutes of last meeting and enrollment of a number of new members, very interesting addresses were made by Postmaster M. W. Thomas, of Chestertown, and President N. A. Wallen of the Association; the proceedings of the National Convention, which was held in Washington, were discussed and approved of and a rising vote of thanks was given to the R.F.D. News and its editor, W. D. Brown, as a token of our appreciation of his efforts and splendid achievements in behalf of the Rural Letter Carriers of the country. A committee composed of President N. A Wallen; Secretary R. E. Porter, of Millington; Bros. T. H. Cecil, of Barclay, and G. W. Atwell, of Kennedyville, were appointed to visit Elkton on Thanksgiving day for the purpose of holding get-together meetings and endeavor to gather a number of Cecil county carriers into the fold, who have not as yet been enrolled. After selecting Centreville for our next annual convention of February 22, 1915, the meeting adjourned.

The Star Spangled Banner Celebration.

Baltimore outdid itself this week in the scope and grandeur of the great Star Spangled Banner Celebration. A most elaborate and interesting program has been carried out every day during the week with a precision and ease of action that has pleased thousands of sight seers who have thronged the city's streets and thoroughfares. The celebration will close practically to-night in a blaze of glory that will outrival anything in the way of illumination and fireworks. The bombardment of Fort McHenry will take place to-night and the thousands of sightseers will wend their way homeward, leaving Baltimore a greater city in many respects than some people believed it to be. Mayor Preston is to be congratulated upon the conception of the idea which led to the development of the great event, and his energy, enthusiasm and good judgment have done more to advertise Baltimore than any mayor the city has had in years. And if the mayor wants a renomination as a result of his great efforts for the advancement of the city's civic and financial interests, the citizens of Baltimore should give it to him without a murmur. He deserves it and should have it.

Our Merchants' Interests.

Come on, Mr. Merchant, get busy with your fall openings. Don't let the city merchants get ahead of you.

The Hub big stores in Millington are in the midst of one of the most gigantic clearance sales in their history. Price is no consideration whatever and everything for men, women and children is sacrifised to make room for the largest fall and winter stock proprietor Hollins has ever carried. Those shoes and school suits for boys are dandies, and he can fix the school girl up also. Try and see what you can get. See big full page advertisement for particulars.

That fine drill of A. S. Turner's—the John Deere Van Brunt drill is attracting great attention and Mr. Turner is receiving many inquiries about it. He has made several sales also.

W. M. Hadaway, the Worton merchandise store man offers the highest cash price for country produce and carries a line of goods that are well worth a trade. He is getting ready for the fall and winter trade and will have a fine stock.

Mr. Frank A. Hurlock has just installed a full and complete assortment of school supplies. He is selling them at close prices. Go in and get fixed up in pencils, tablets, ink, slates, etc.

Mr. Clarence Thompson, Rock Hall's exclusive shoe man, has moved into his new and commodious store room. The room is 22 feet square, fitted up nicely and is stocked with all the latest and best models in fall and winter footwear for young and old. Go in and make your selection early.

To Inspect Maryland Dairies.

Means having been provided by the last Legislature, the State Live Stock Sanitary Board is making preparations for a thorough inspection of dairies throughout the State. Heretofore, owing to lack of funds, the inspection of dairies has been confined largely to the establishments near Baltimore. Last year inspections in and around the city disclosed bad conditions in many instances, which, however, have now been corrected.

To do the work in the counties the Board will name local inspectors.

NOMINATION CERTIFICATES.

In accordance with the Acts of the General Assembly of Maryland of 1912 the following persons having fully complied with the law by filing certificates for nomination with the Supervisors of Elections, and there being no opposition before us to their candidacy and no contesting candidate for the office for which they desire to be nominated, it will not be necessary to vote for them in the Primary Election, and we hereby declare them NOMINATED by certificate.

Edward C. Carrington, Republican, of Baltimore county, for United States Senator.

For Delegates to Democratic State Convention, L. R. Vansant, Thos. Vandyke, J. Henry Thompson.

Delegates to Republican State Convention, John D. Urie, John C. Davis, Henry Yorker.

The names of Democrats to be voted for to published in the Primary Ticket.

JOHN C. DAVIS, Pres't.;
WALTER S. TREW,
J. HALL DENNY,
Supervisors of Elections for Kent County.

Test—W. W. BALDWIN, Clerk.

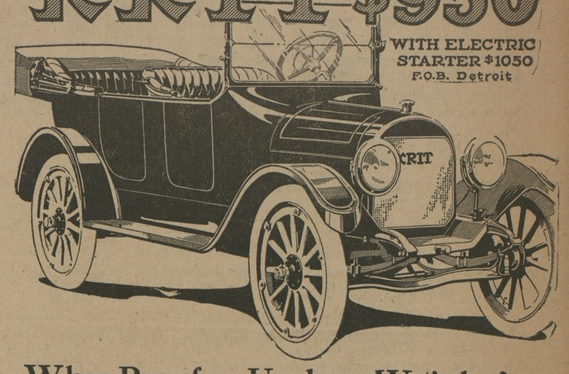
KRIT $950

WITH ELECTRIC STARTER $1050
F.O.B. Detroit



Why Pay for Useless Weight?

KRIT lightness comes from correct design—not from skimping. 120 pounds in weight is saved by using aluminum for our crank case and transmission case. The sturdy, powerful KRIT motor weighs only 283 pounds, as against 400 to 550 pounds for motors in cars the same size and power of the KRIT. And so on—throughout the car.

Engineers tell us that the KRIT is two years ahead of its field, for it possesses, at $950, the quality features you find in cars at double the price. The sensational sales records made by the new KRIT is an endorsement by critical motorists that proves these experts right.

So, we ask you, what more can you get in a higher priced car? More weight, perhaps, but weight only adds to the expense of upkeep. More *rated* horsepower, but much of the extra horse power is used up in carrying around the extra weight—and the rest of the excess power you do not need. For the KRIT will take you anywhere you want to go. It will take you there speedily, safe and comfortably.

Learn more about the economical, dependable KRIT—the moderate priced car with the high priced features. A ride will demonstrate to you the rare quality of this car—value you can't get elsewhere at the price.

The Beehler & Ogden Motor Co.,

KRIT DEALERS, BALTIMORE, MD.

OPENING

OF

A new establishment in Chestertown. Something that the ladies and gentlemen of this community have been looking for.

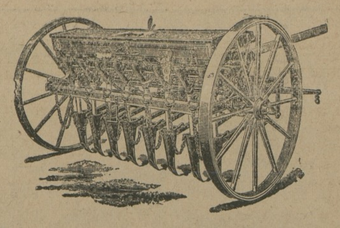
New Wheat Drill a Winner!



The John Deere Van Brunt Wheat and Fertilizer Drill is now on our sample floor. It was a favorite with farmers from Kent, Queen Annes and Cecil counties at the fair. Ask Messrs. W. S. Collins, W. T. Morris, R. G. Nicholson what they think of it. Look it over before placing your orders.

We have one Farmers' Favorite Drill made by the American Seed Mch. Co. cheap to close out.

Runabouts and Carriages at reduced prices.

A. S. TURNER, Worton, Md.

To the Farmers, Their Wives and Sweethearts:

You are cordially invited to make JOHN DEERE PLOW COMPANY'S PLACE YOUR HEADQUARTERS during the Star Spangled Banner Celebration, at 211-217 W. Pratt Street. I will be there to greet you Wednesday and Thursday. We shall be glad to take care of your packages.

A. S. TURNER
