Baltimore's Best Store is a Pleasant Place in Which to Shop In Person or by Mail

Can't you "sense" the atmosphere of a store the moment you enter it?

People tell us they like to shop here because it is a friendly store—because they find not only splendid merchandise and fair prices, but they find also cordiality, courtesy and helpfulness.

In addition to the fact that our stocks are the largest and best selected in Baltimore, that our prices are always reasonable, and usually lowest on similar grades of merchandise, and that every article sold is subject to return if unsatisfactory, there are a number of other very good reasons why you will like to do your shopping here.

Pay this store a visit the next time you come to Baltimore. Or test our Mail Shopping Service to-day.

Gun Did The Work.

The editor of a newspaper in a nearby town borrowed a gun from a friend the other day to go hunting. When he appeared with it on the street he noticed a pecular agitation among the citzens of his town. People rushed from store to store and little crowds gathered in the doorway and windows to watch him pass along. The editor was thinking about the vacation ahead of him, but his face, from habit, was set and stern. Suddenly a man, braver than the rest, rushed up with a dollar bill in his outstretched hand. "Bill," he said, "old boy, I've been intending to hand you this dollar for six months. It's for the subscription I owe you." The editor gasped, almost fainted, caught himself and manfully accepted the proffered dollar with a look which said, "Go on! Damthetorpedoes!" The man rushed away, and several others braved the editor's gun and paid up back bills. Altogether, when the editor arrived at the office he had a nice roll, enough to pay for his vacation and some left over. But a suprise awaited at the office. He found six bushels of potatoes, ten dozen eggs, a load of hay, two fine hogs, a firkin of butter, two bushels of corn and a gallon of hard cider. In the center of his desk was a large placard, and somebody had written on it: ,'Dear Bill: All the boys have paid in full. Put up your gun and be friends again."

Gasoline Advances in Price.

The price of gasoline was advanced another cent a gallon on Thursday of last week, making 2 cents that week and about 3 cents a gallon within the past month. This brings the retail price to the automobile owners and others to about 18 and 20 cents a gallon. This is the highest for some time and is causing complaint among the owness of the automobiles.

The dealers in gasoline say the rise in price is due wholly to its scarcity. They say the advance in the raw material is not the cause, but the excessive demand created by the enormous increase in automobiles. They say the new ones are being turned out at the rate of perhaps 600,000 a year, not many of which are substituted for the old cars.

Crop Conditions of Maryland.

Wheat—10,208,000 bushels; yield in 1914, 13,158,000 bushels.

Oats—1,480,000 bushels; yield in 1914. 1'161,000 bushels.

White Potatoea—4,950,000 bushels; yield in 1914, 3,432,000 bushels.

Sweet Potatoes—1,040,000 bushels; yield in 1914, 2,000,000.

Apples—2,480,000 bushels; yield in 1914; 3,500,000 bushels.

Peaches—1,250,000 bushels; yield in 1914, 1,032,000.

Hay—456,000 tons; yield in 1914, 448,000 tons.

Referring to the tomato crop, the bulletins give the crop of the State at 73 per cent. of a nine-year average.
