CITY MECCA OF MARYLAND AUTOS.

Fifty Chestertown Business and Profession Men Enjoy Visit to Wilmington.

The Wilmington Every Evening gives the following account of the very enjoyable trip to Wilmington which the Chestertown Automobile Club took on Friday afternoon.

"A convincing illustration that the campaign being waged for a greater Wilmington is productive of results was given last evening when more than 50 representative business and professional men of Chestertown, Md., made this city their mecca for an automobile tour. Incidentally the Chestertown vistiors came, saw and then became enthusistic Wilmington boosters and returned to Maryland wearing quantities of "Wilmington, My City First" buttons and well armed with Chamber of Commerce literatue.

"The automobile trip was really planned as an informal celebration of the fact that the State Road has been completed with the exception of one mile at Cecilton, Md., which necessitated a slight detour. The visitors declared that the road was in excellent condition and the 55 miles between this city and their home town was covered without a sirgle mishap. It was said that this road would act as a great factor in making Chestertown and scores of other towns our neighbors, bound to be frequent and welcome visitors.

"The party enjoyed an informal banquet at the Hotel du Pont at 6.30 o'clock and spent the evening at the Garrick Theature and The Playhouse after a thorough inspection of the city. They were also greeted by Assistant Secretary Killen of the Chamber of Commerce who supplied them with boosting material in the shape of buttons and literature.

It was at a late hour that night when the last car was homeword bound and many of the visitors announced their intention of becoming frequent dinner and theatre guests here as the excellent highway connection would enable them to do so with ease.

The party left Chestertown at 2 o,clock in the afternoon and the first to arrive was the pilot car of J. Sargent, which reached Wilmington at 4.30 P. M. There was no attempt at speeding, but because of the wide variety of automobiles in the tour they strung out along the road and other members of the party did not commence arriving until between 5.30 and 6 o'clock."

The automobiles in the tour were owned and driven by the following:

J. H. Sides, T. Kemp Bordley, C. F. Parks, W. W. Hubbard, W. B. Cooper, H. F. Jefferson, Thomas W. Perkins, Merritt Clements, Clifton L. Jarrell, Dr. H. Benge Simmons, David B. Ford, P. M. Brooks and E. A. Corey.

John Ahern, J. S. Bacchus, James G. Beck, Senator W. W. Beck, Arthur Bacon, J. Arthur Bradley, H. Clay Brown, A. W. Carmine, Prof E. G. Clark, R. H. Collins, A. L. Sparks, William C. Sutton, Raymond Wilkins, J. Hydie Thompson, Fred G. Usilton, Harrison W. Vickers, Thomas G. Wroth, Blackiston Wroth, Jesse Usilton, Harry Wills, R. Groome Parks, T. W. Perkins, E. F. Perkins, H. B. Rote, L. Bates Russell, J. Waters Russell F. H. Russell, A. P. Rasin, Irving L. Sparks, J. H. Sides, Prof. Creasey, T. D. Bowers, James W. Crouch, A. A. Harris, Dr. H. C. Hughes, C. C. Jones, Leonard Wilson, Mr. Jarvis, Gove Everett, P. G. Wilmer and S. Mathews.

The guests of the club were Rodney Wilson, J. Frank Davis and James H. Shuster, of Wilmington, and J. W. Flesh, of Piqua, O.

The trip was a stag affair and the only entrance requirements were good fellowship and entusiasm which formed the true spirit of the occasion.

250 Miles State Road.

The longest connected section of State road now completed is that between Georgetown, in the upper part of Kent county, to a point a few miles from Sharptown, just over the Nanticoke river in Wicomico county. This means that the main artery is completed through Kent, Queen Annes, Talbot and a part of Caroline and Dorchester. Unless all calculations go wrong, Baltimore will by December 1 be connected with Belair, Havre de Grace, Perryville, Elkton, Chesapeake City, Chestertown, Centreville, Easton, Denton, Cambridge, Hurlock, Preston, Sharptown, Salisbury, Princess Anne, Berlin, Snow Hill and Pocomoke City.

This will give a modern, high-class highway more than two hundred and fifty miles in length and second in construction to no road in the United States.
