HONEST VALUES

---AT---

Kilbourn, Bramble & Noland's

IF YOU READ THE PAPERS CAREFULLY you may have concluded that this store is somewhat remiss in its duty in having nothing to sell at less than its worth. Much as we regret that we have to ask $5 for $5 articles, and so on up to $10 and $15 for $10 and $15 articles, we're consoled by the knowledge that no other store gives so much value for the money as we do, and we have the further satisfaction of doing a STRAIGHT business with STRAIGHT goods at STRAIGHT prices.

Any man who wants good goods and his money's worth can come here and choose from the largest stock and widest variety in the county—every article here is high-grade and fully guaranteed.

Step in to-day or any day and see the goods that we are selling. Compare them with the "cut rate" offerings you see advertised. If you don't find better articles here for less money than elsewhere, then we won't expect your trade.

Furthermore, we accord the same service and attention to your "phone" orders, or your servants or children as we do to you in person. We seek the reputation of being the dependable store. Won't you let us "show you?"

New Officials Take Charge.

The newly elected county officials took the oath of office on Tuesday and have taken charge of their respective offices. Clerk of the Court A. Parks Rasin qualified before Judge P. B. Hopper on Tuesday, and took charge of the clerk's office on Wednesday. He has named Mr. Charles W. Kibler, Jr., as his deputy, but will retain Mr. Thomas Dixon, Jr., for one year. Mr. Rasin is the first Republican to be elected Clerk of the Court, and is only 29 years old. He is one of the most capable young men in the county and will discharge the duties of his office with honor, we are quite sure. The new Board of County Commissioners organized by electing Mr. Carey Reinhart, president. Mr. Samuel Hicks, the only applicant for clerk, was re-elected. Mr. Hicks has been Clerk to the Board of Commissioners since 1909, and he has made one of the most capable officials the county has ever had. The board acted wisely in retaining Mr. Hicks. The board withheld the appointment of a counsel. The new board is composed of three Republicans—Messrs. Carey W. Reinhart, Olin S. Davis and John N. Bennett, and two Democrats—Messrs T. Benjamin Crew and John Wood—all good men and capable of giving the county an economical and business-like administration. Mr. Robert R. Hill, the newly elected Register of Wills, qualified and wisely named Mr. T. A. Matthews as his deputy. Mr. Hill is one of the younger men of the Second District, and has been a prominent leader in his party for years. He is qualified to discharge the duties of his office, and enjoys the confidence and respect of everybody. Treasurer-elect Howard Owens will not qualify until next June. Sheriff Thomas Hadaway, that good Seventh District worker, and popular with everybody, took charge of the jail and appointed Mr. Mark A. Perkins the deputy. Sheriff Hadaway will have no difficulty in managing the affairs of the office, and it is fortunate that the sheriff could retain Mr. Perkins. The Judges of the Orphans' Court, Messrs. John H. Simpers, Dr. Edward A. Scott and J. Henry Thompson, will sit for the first time next Tuesday, only two of the judges having qualified on Tuesday. Now the TRANSCRIPT wishes all the officials success. They are capable men, everyone of them, and they are men, we believe, who will not allow party affiliations to influence their official acts, or their relations with the public generally.

A slight fire in the Piney Neck Church last Wednesday night made it impossible to hold services on Sunday and a great many of the Piney Neck folks attended the Rock Hall Church.

Prof. F. A. Greenhawk spent the holidays in Baltimore with Mr. A. R. King, scoutmaster of the troop of scouts who camped at the log cabin of the Rock Hall troop. Thursday a big mass hike was formed of the scouts in South East Baltimore and Mr. Greenhawk had charge of the hike, instructing the boys in woodcraft and scouting. There were about sixty boys on the hike.

Buckney Sewell spent the holidays in Baltimore, with several of his scout friends.

A novel indoor athletic meet was held in the headquarters of the Rock Hall troop of the boy scouts a few days ago. The jumping events were made with tiddledy winks as was the hurdle race. Shot put and hammer throw was made with two pound paper bags blown up. The boys were much interested and made some new records in all events. Prof. Davis presented the prizes to the winners at their regular meeting last night.

George Rich has accepted a position in Baltimore. He left yesterday to take up his new duties.

Miss Anna May Ayres spent the holidays in Washington, visiting relatives.

The Town Improvement Association had quite a fine time last Wednesday evening in their club room. After the business meeting they were treated to some very good string music by loca artists, after which refreshments were served.

The tenth and eleventh grade boys are making a fullsized wheelbarrow to be used at the new school, while the seventh have completed a pair of six-foot step ladders in the Manual Training Department. The boys expect to make the furniture to be used for the science department and drawing room.
