THE THIRD NATIONAL BANK
OF CHESTERTOWN, MD.

The Only National Bank in Kent County

THUS FAR in 1918—for seven months—there has not been a single NATIONAL BANK failure in the United States. Never before in the history of the NATIONAL BANKS since 1870 (with the single exception of the year 1881) has there been such immunity from failures. This is due to National Supervision, more conservative management, rigid examinations, etc. This bank, of course, is under National supervision. Our growth during the past year has been very gratifying. See below:

Our Individual Deposits Tuesday, Aug. 13, 1918, were $1,332,359.98
Our Individual Deposits Tuesday, Aug. 14, 1917, were 943 303.41
Showing an INCREASE during the year of.....$ 389,056.57

This splendid increase in business is based upon CONFIDENCE. If you are not a customer of this institution we will be pleased to have you become one. Call and see us.
