FOR SALE OR RENT

The late J. K. Aldridge house located on Water Street, adjacent to my home.

The property has more recently been occupied by Mr. L. H. Wood and family.

This property is reputed to have cost Mr. Aldridge during his life time over $16,000.00. It is one of the most substantial residences in Kent Co., has a beautiful outlook on the river, plate glass windows throughout the entire front of the house and the wood work is exceptional, with electric fixtures installed.

Will sell the property at a bargain, but failing to do this would like to have a good tenant.

To The Members Of The Bar Of Kent County

The Maryland Council of Defense has transmitted to the respective Legal Committees of the State a request from the National Council of Defense, that the Local Legal Committee of each county will render to our returning soldiers and sailors in their respective counties such legal advice and assistance as they may need in relation to their service in the army and navy, or in litigation pending for or against them, in which their rights by reason of such service may be involved.

The need of such advice and representation in litigation will be as great in the period of demobilization as during actual service. Especially in event of suits entered against such soldiers and sailors, the members of the bar, in cases brought to their knowledge, are requested to take such action as may prevent unwarranted entry of judgment or preserve the right given to open the same within the ninety days allowed for that purpose.

JAMES A. PEARCE,
Chairman Of Local Legal Committee For Kent County.

—The following resignations have been received by the Board of Education: Misses Eva M. Dwyer from Worton; Maude H. Robinson from Morgnec and Margaret Burgess from Eastern Neck Island.

LEGAL HOLIDAY

Next Wednesday being Christmas Day and a legal holiday, the Third National Bank will be closed. Notes maturing on that day may be attended to the following day.

What is the difference between an OCULIST and an OPTOMETRIST? The Oculist treats diseased Eyes and fits glasses according to the laws of optics. The OPTOMETRIST USES THE SAME MEANS FOR DETECTING ANY DISEASE, but does not treat, but refers to the oculist or family physician. The OPTOMETRIST fits glasses according to the laws of OPTICS, just the same as the oculist, but without DRUGS or DROPS.
