The fly of the post-war era will find life a precarious venture, according to the entomologists, who report the finding of new and more effective fly poisons. Pyrethrum has been the base of fly sprays of the past. A new chemical, DDT, has been found to kill flies just as surely, but more slowly, and one spraying remains effective for as long as three months. And now tests made by entomologists at more than 250 plants have unearthed a substance contained in a plant native to Mexico that is more poisonous to flies than pyrethrum.

Malarial Sites
Malaria occurs where the warmth and the dampness permit the right kind of mosquitoes to develop and where there are human beings with malaria from whom the mosquitoes may carry the infection to other people. In some counties in the United States the rates have been reported as up to 100 for each 100,000 people.

Tasty Gargle
Certain medicos have advanced the idea that gargling with fresh fruit juices rather than with standard mouth-wash is healthier and tastes better.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!
Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion whatnot, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble.
After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.
Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.
In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.
THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "Doan's have helped me; I recommend them to you." That is why we say, Ask your neighbor!
DOAN'S PILLS
