COLLINS & HOPPER,

EDITORS AND PUBLISHERS.

LET US CELEBRATE OUR VICTORY AS BECOMES A GRATEFUL AND LOYAL DEMOCRACY.

LET the Democracy of Kent have at a ...ar day, such a rejoicing, jollification and ...ocratic house-warming as the old county has never known, and let the whole country join us.

Six applicants are alread in the field for the Chestertown postmastership.

IT is interesting to watch the curious expressions of joy on the countenance of the "Original Cleveland Men"—and they are legion now.

PRESBYTERIANS were certainly in the presidential race. Cleveland and Stevenson, Harrison and Reid and Bidwell are all of the Presbyterian faith.

THE history of politics has no parallel to Tuesday's glorious triumph of popular rights in the hands of the people, over political bosses and machine politics.

SENATOR A. P. GORMAN, of Maryland, cast his first vote for Mr. Cleveland for President on Tuesday. In 1884 and again in 1888, Senator Gorman was compelled to remain at national headquarters on election day and did not vote.

IT IS not only extremely complimentary, but should be highly gratifying to the people of the Eastern Shore to note the responsible positions taken by her daughters away from home. Miss Mary Goldsborough, a true example of heroism in the cholera scourage, and who offered her services as nurse to those afflicted by the fearful contagion, has been assigned the position of superintendent of the Union Protestant Infirmary, Baltimore, with Miss Carrie F. Sutton, of Kent as assistant superintendent or head-nurse. Both of these ladies are well known in Kent, Miss Sutton being a native of the county and Miss Goldsborough having lived for several years in Chestertown. With one exception every nurse of the Union Protestant Infirmary, one of the most excellent institutions of the State, are Eastern Shore ladies. The corps of physicians, as well as the board of directors, are composed of some of the most eminent physicians and representative citizens of the State.

SOME POLITICAL GOOD THINGS.

Jerry Simpson is eternally swamped.

Czar Reed is shelved.

Lodge and his Force Bill will seek obnoxious disquietude.

The machine and a Republican corruption fund could not rise superior to the wishes of an intelligent and determined people.

A. E. Stevenson is next to Grover Cleveland the greatest American citizen.

Indians voted in North Dakota.

THE CABINET.

There are various combinations that commend themselves to speculation. On the plan of rewarding merit as it deserves, Mr. Cleveland's immediate advisers would be about like this:

Sec. of State, Wm. C. Whitney, N. Y.
Sec. of Treasury, Chas. S. Fairchild, N. Y.
Sec. of War, Richard Croker, N. Y.
Sec. of the Navy, Edward Murphy, N. Y.
Sec. of the Interior, Wm. F. Sheehan, N. Y.
Sec. of Agriculture, W. R. Grace, N. Y.
Attorney General, Burke Cockran, N. Y.
Postmaster General, D. Cady Herrick, N. Y.

The Cabinet might be made up on this more comprehensive principle:

Sec. of State, W. C. Whitney, N. Y.
Sec. of the Treasury, C. S. Fairchild, N. Y.
Sec of War, W. E. Russell, of Mass.
Sec. of the Navy, W. F. Harrity, Penn.
Sec. of Agriculture, C. H. Jones, Missouri.
Sec. of the Interior, Tom. Patterson, Col.
Attorney General, E. J. Phelps, Vermount.
Post. Gen. Don. McD. Dickinson, Mich.

Or with Mr. Whitney at the Court of St. James, the following:

Sec. of State, E. J. Phelps, Ver.
Sec. of the Treasury, C. S. Fairchild, N. Y.
Sec. of War, W. E. Russell, Mass.
Sec. of the Navy, W. F. Harrity, Penn.
Sec. of Agriculture, Horace Boies, Iowa.
Sec. of the Interior, Isaac P. Gray, Ind.
Post. Gen., Don McD. Dickinson, Mich.
Attorney Gen., J. M. Bermudes, La.

The time honored adage of "a bad day for Democratic success," was broken on Tuesday, not only in Kent but throughout the country, for the day was as bright and beautiful as the victory was complete and sweeping. The election passed off quietly throughout the county and in nearly every instance the Australian ballot, which was used for the first time, worked smoothly and entirely satisfactory. The voting however, was at first very slow, and many feared that the full vote would not be gotten in, but there was no trouble, and though the vote was short, no vote was left out because of a lapse of time. There was but little confusion experienced in marking the tickets and only several were thrown out on that account. The negroes voted as a unit and the result in the first precinct of the fourth district came as a profound surprise to the Democrats and as a paralyzing shock to the Republicans. Dr. Samuel Beck, an extremely popular candidate before the people carried the district in his candidacy for clerk by one vote, and on Tuesday without any apparent *special* cause it indulges in a Democratic boom.

The following is the registered vote of the county by districts and colors:

THE LATEST DESPATCH.

BALTIMORE, Nov. 9, 2.50 P. M.

The election of Cleveland and Stevenson is conceded by all Republican leaders and newspapers. The latest returns up to noon to-day show the following certain apportionment of the electoral vote for Cleveland: The solid South, 159; Connecticut 6; Illinois, 24; Indiana, 15; Michigan, 6; New Jersey, 10; New York, 36; Wisconsin, 12; total, 268. For Harrison: Idaho, 3; Iowa, 13; Maine, 6; Massachusetts, 15; Michigan, 8; Minnesota, 9; Nebraska, 8; New Hampshire, 4; Ohio, 23; Pennsylvania, 32; Rhode Island, 4; Vermont, 4; North Dakota, 3, Washington, 4; total, 15. For Weaver: Colorado, 4; Nevada, 3; Wyoming, 3; South Dakota 4. Total, 14. Doubtful—California, 9; Montano, 3; Kansas, 10; Oregon, 4; total, 26.

Russell probably elected in Massachusetts. Democrats elect State tickets in New Jersey, Illinois, Wisconsin, Connecticut, Wyoming, Washington, and gain United States Senators in New York, Wisconsin, Wyoming and possibly others. Later returns indicate the United States Senate will stand 41 Democrats, 37 Republicans, 3 People's Party and 7 doubtful. The house will have 100 Democratic majority. West Virginia and Delaware solidly Democratic by increased majorities. McKaig majority in 6th Maryland 700. Latest returns from Western states indicate unexpected Democratic gains. Cleveland probably carries California.

OFFICE OF THE
Local Board of Health.

October 24th, 1892.

Within the past few weeks several cases of small pox have appered in Baltimore city.

The proximity of our section to that city, and the painful experience through which we passed when last the disease visited us, make it necessary to be vigilant and careful. To that end we quote sections 11 and 12 of article 25, Revised Code, 1878, etc.:

Section 11. It shall be the duty of every parent and guardian to have his or her child vaccinated within twelve months from birth if it shall be in proper condition, or as soon thereafter as practicable; and if such person or guardian shall have any other person under his or her control or care, not DULY vaccinated, he or she shall cause such person or persons to be vaccinated.

Section 12. No teacher in any school shall receive into such school any person as a scholar until such person shall produce the certificate of some regular practicing physician, that such applicant for admission to the school has been DULY vaccinated. Any teacher so offending, shall, on conviction thereof forfeit and pay a fine of ten dollars for each offence, and no public school trustee or commissioners shall grant a permit to any child to enter any public school without such a certificate under the same penalty.

It has been brought to the notice of the Secretary of this board that in many instances this law has been and is being disregarded, especially in some of the colored schools

It is hoped that this notice may be the means of calling the atenttion of teachers and trustees to such cases.

W. FRANK HINES,
o27 3t. SECRETARY.
