A Worthy Cause

L. Wethered Barroll, Esq., of the Baltimore bar, held a meeting in the Lyceum Theatre on Saturday afternoon with a number of citizens of the town in the interest of the Hospital for Women in Baltimore. A campaign is now on throughout the state for the purpose of raising funds for this most useful and worthy institution, and the object of Mr. Barroll's visit here was to form a committee for Kent county which would assume the responsibility for the raising of a fund from Kent county. There are perhaps very few people in Kent county who know anything about the advantages of this splendid institution which has done so much for the welfare of the women of the state, and yet it is doing a most excellent service in saving the lives of thousands of women and children who come within its influence and service. There are a number of free wards in the hospital, which are supported through the state and private assistance, and the "run" on the institution has been so heavy during the war, because of the high cost of everything, that the managers of the institution are appealing to the people of the state for financial aid in order that the hospital may do more efficient service for the people. To this end Mrs. A. N. Stavely, of Lynch, has been elected chairman of the Kent county committee, and she is organizing committees in every district in the county for the purpose of soliciting the aid which the hospital has a right to expect from the people here because of the good it has done many of our citizens. It is to be hoped that our people will lend encouragement to this most worthy cause, and help to place the institution in a position to continue the very excellent service it is rendering to the people of the entire state.

Dr. T. F. Beauchamp filled his new pulpit in Epworth Church, Wilmington, both morning and evening last Sunday. Good crowds heard the new pastor.
