NURSERY STOCK.

A Few Ideas
For Agriculturists to Consider!

Did your Wheat crop last year pay you? Did your last year's Corn yield pay you for the trouble and expense? Is not the present outlook even still more unfavorable? Then why continue an unprofitable business? Is it intelligence to continue a non-paying or losing business? You can do better, then why not begin at once? Life is too short to delay longer.

BERRIES AND FRUITS PAY WELL,

even handsome prices are the results of GOOD STOCK properly cultivated. Cheap stock is the worst thing in the world to get cheap, as it never grows out of it, never gives satisfaction, never gives fine fruit. Good Stock pays for itself many times before cheap stock comes to fruiting. If our prices appear a little high, as a fact they are not, for we make a specialty of the FINEST stock. Every Tree and Bush is inspected, and if it don't grade, is rejected.

WE HAVE EVERYTHING IN THE NURSERY LINE.

PEAR TREES, GOOSEBERRIES, CURRANTS, ASPARAGUS, MAGNOLIA GRANDIFLORA AND ALL THE ORNAMENTALS.

A resonable time given to responsible buyers. Call on or address.
