Maryland farmers, now cooperating in 19 soil conservation districts to hold the fertile topsoil on their fields, are also helping to reduce damage by silt to Chesaveake Bay harbors and oyster beds.

High humidity as well as heat is required for the rapid curing of sweet potatoes in storage. Large storage houses need ventilation the first few days of storage, small storages do not require much ventilation.

A late crop and the lag in crushing of soybeans from the 1945 crop are two reasons for the temporary tight situation in livestock feed protein concentrates. Farmers are advised to make best use of pasture and of feeds on hand in October till the high-protein feeds can be marketed.

China and India, as well as continental Europe and Japan, are definitely short of food supplies, due to low production and depleted stocks, according to a recent survey of the world's food situation by the U. S. Department of Agriculture. Methods of financing food shipments, not transportation problems are the main problem in present food export programs for war torn countries.

When Your Back Hurts
And Your Strength and Energy Is Below Par
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!
Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion, alcohol, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble.
After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.
Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.
In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.
THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "Doan's have helped me; I recommend them to you." That is why we say, Ask your neighbor!
