CULTIVATORS

Have you ever looked over the "I. H. C." No. 4 CULTIVATOR?

Then you have missed seeing the most complete riding cultivator. What we might say will not convince you half so quickly as what the man says who has one. We will give you the names of persons who use them, then see what they say. They can be adjusted for a wide or narrow row in only a few minutes time; will work closer to the crop being cultivated, and are long lived. Come in and look one over.

BUCKEYE RIDING CULTIVATOR

This is the independent tooth and is so well known that it is hardly necessary for us to take space to do more than tell you we have them on hand and the price is only $55.00.

We carry several styles of teeth for Buckeye Cultivators.

Binder Twine

When you go in the harvest field you want to avoid all unnecessary trouble. One to avoid is bad twine. Avoid twine trouble by placing your order now for McCormick Standard. Every ball is guaranteed or your money will be refunded. There are some twines on the market that do not run regular in size and they do cause trouble in the field. We wish to advise you against buying anything but the best STANDARD TWINE.

SAD ACCIDENT NEAR TOWN

Young Washington Lady, On Visit Here, Instantly Killed When Auto Turns Over

Another sad accident occurred nearly opposite the old Ford Shop property, about a mile from Chestertown, on Sunday afternoon at about 7.10 o'clock, when an automobile, being driven by Mr. Charles H. Eshman, son of the proprietor of the Voshell House, Chestertown, turned over and Miss Helen Bross, of Washington, D. C., aged 25 years, a visitor of the Eshman family and a friend of many years' standing of the family when they resided in the capital city, was instantly killed.

In the party was Mr. Norman Crouch, of Chestertown, son of Mr. and Mrs. James L. Crouch. Mr. Crouch was thrown several yards from the car and rendered unconscious. He has a bruised eye, a cut head and his left hand was slightly injured. The other member of the party was Miss Edna Breeze, of Washington.

The car was owned by Mr. Biddle Hossinger, of Chestertown, and was a Nash, which was badly damaged.

These young people were on their way to Tolchester when the accident occurred. They left Chestertown at seven o'clock. In an interview with Mr. Norman Crouch, he said that the accident occurred so quickly, and he being rendered unconscious immediately, he did not know what caused it or how it happened.

The other members of the party were slightly injured, Mr. Eshman being injured about the leg.

Undertaker Dodd's "dead wagon" went to the scene and the unforunate girl's body was rested over night in the Voshell House, a Washington undertaker, accompanied by the unfortunate girl's father, coming from Washington Sunday night and taking the body home.

Coroner H. L. Dodd held an inquest soon after the accident and Young Eshman was held under bond for an investigation.

Mr. Eshman is an experienced auto driver and did good service for Uncle Sam in the late war, as did also his brother, who recently arrived from overseas, and both have recently been honorably discharged from service in the army.

There are numerous versions of how the accident occurred, but the general supposition is that the car skidded and the young man applied the brakes too hard, causing the car to upset.

TO HONOR KENT BOYS

Big Celebration To Be Held On August 7 To Pay A Fitting Tribute In Their Honor

The Woman's Committee, appointed by the Governor for the reception and home-coming of the boys, was called together on Monday evening at the home of Mrs. W. W. Hubbard, the County Chairman. About 25 responded to the call from all parts of the county and two members of the Men's Committee were present. It was decided to hold the celebration on the 7th of August.

Our returned heroes are to be welcomed first by a parade of automobiles containing all of our boys and every one in the county is especially invited to decorate their car and join this parade; we want it to be miles long. A band of music, possibly two, will be in this parade; there will be carnival features added. Then we are going to have a big county picnic with every body in the county invited to come and bring their supper. Tables will be provided in the squares for you to spread your supper. We are asking you to bring your own supper and bring one dish that you wish to donate to the soldiers table and we know you will want to donate one very nice dish to make the supper of those boys a feast. The Red Cross workers of the county will handle the supper. The chairman of the local auxiliaries are Mrs. W. O. Selby, Rock Hall; Mrs. Urie, Kennedyville; Mrs. Merritt Brice, Millington; Mrs. Harold Baker, Pomona; Mrs. Arthur Brice, Betterton; Mrs. Wm. Medders, Still Pond; Mrs. George R. Jones, Galena; Mrs. A. N. Stavely, Lynch; Miss Anne Clements, Woman's Literary Club of Chestertown and Mrs. Jane V. Robinson, Chestertown. Please get in touch with the chairman of your local Red Cross and tell her if you will bring your supper and what dish you will give to the boys' table; this is all you will be asked for, as General Waters, Chairman of the Men's Defense Council, has appropriated for each county $20 per thousand persons and this will be about $340 for Kent County. A special committee appointed, composed of Mrs. Wm. T. Brown, Mrs. Evelyn Harris, Mrs. Harry Willis, Mrs. Wm. G. Smyth, Mrs. J. W. Urie, Mrs. Thomas Bordley and Mrs. W. W. Hubbard, waited upon the County Commissioners and received the full amount asked of the county, which was $500. This is about one-third of the amount other counties are appropriating for this purpose, but we are going to make this a home affair without caterers and it will cost less and be more sociable.

Other features will be community singing with a leader from Baltimore, a memorial service, a good speaker and later in the evening a community dance.

The Publicity Committee is Wm. G. Smyth, Chairman; F. G. Usilton, R. H. Collins, L. B. Russell, Stockton Startt, Mrs. Wm. G. Smyth and Mrs. Anne E. Physick. All other committees will be published next week.

Start to think about the good time you are going to have, the good things you are going to bring for your own supper and the one dish you are going to give the boys. Get your car ready and decide how you are going to decorate it.
