R. HARRISON COLLINS. C. COX HOPPER.

COLLINS & HOPPER,

EDITORS AND PUBLISHERS.

IT HAS BEEN DECIDED to be an infringement of the Constitutional provision, to subject President Cleveland and United States Judges to the operations of the Income Tax.

LI HUNG CHANG, the peace envoy of the Emperor of China, while returning to his lodgings on Sunday was wounded by a pistol shot in the face, fired by a young Japanese. The wound is not considered of a serious nature.

MR. GORMAN'S "Snap" convention is far from reassuring to the masses of rural voters. The people want, and have a right to demand an opportunity to thoroughly study both men and measures in and for the coming campaign. It is not enough that self-constituted party bosses under the misnomer of party leaders, shall decide upon the fitness of candidates and the methods of their selection. The people want a say, and as nothing can be said in support of an early convention which can not be advanced in support of one to be held later, the masses mistrust the proposition of undue haste.

THE REMARKABLE characteristics of the late happily defunct congress, are constantly growing in "singularity." It has recently been discovered by Secretary Morton, of the Department of Agriculture, that many Congressmen have sold the quotas of seed alloted to them for distribution among their constituents. The secretary says he could recently have purchased from a second hand book dealer in Washington the quota allowed to three members of Congress for $150 each. Besides these, he says he has the names of probably 100 members of Congress who have given orders for the transfer of their entire quotas of seed. He further says he will print the names of all offenders in his next annual report.

The average member of the Fifty-third Congress was truly a *rara avis*.

THAT REASSESSMENT is to figure as the most important general issue of the coming campaign, is too evident a fact to admit of controversy. The people demand an equalization of the burthens of taxation. They insist that every class of people and every class of property owners contribute to the support of government economically and intelligently administered, and in order that this may be secured, demand that only a sound, practical man, free from Gorman or other boss dictation and influence, be placed in the position of highest political trust in the State—the Governorial chair. While Messrs. Spencer Compton Jones and Thonas G. Hayes may fill the reassessment demands, the people are not deceived in regard to the relations which these gentlemen bear to the rulers, party bosses, and patronage hunters which are embodied in the State machine and its rural supporters, under the management and control of Arthur P. Gorman. Neither Mr. Jones nor Mr. Hayes dare deny their allegiance to these gentlemen, or if they repudiate this allegiance, their past records, like Banquo's ghost, will not down at their bidding.

ROCK HALL MATTERS.

A Delightful Dance and Other Matters of Interest.

The Chesapeake Glee Club gave a delightful dance on Thursday evening, at which were present the prettiest young ladies and the most gallant young men of the entire fifth district. The occasion was a delightful one, and a royal good time was enjoyed. Prof. Eugene Willson, and Messrs. James L. Beck, Frank Ayres and Harry Wagoner discoursed fine music for the dance. Among those present were: L. J. Whaland and wife; Harry Wagner and wife; Romie Crouch and wife; George Whaland and wife; Mr. Luther Tarr and wife; Mr. B. Goodman and wife; Mr. Wm. Goodman and wife; Missses Annie and Maggie McKivitt, Lillie Crow, Lula Webb, Blanche Sutton, Mary Hersch, Hallie Lambert, Clara Middleton, Rilla Downey, Florence Watkins, Alverta Pearce, Susie Thomas, Estella Kendall, Gertie Gideon, Hope Greenwood, Bessie Satterfield and Sallie Robinson; Messrs. Spencer Urie, Clarence Greenwood, Frank Satterfield, Jacob Urie, John Freionce, W. C. Porter, Lawrence Kendall, Thos. Harrison, Sam. Porter, Charles Harrison, Frank Sappington, Charles Howard, George Roland, John Wilson, George Lambert, James Moffit, John Ayres, Charles Baker, Chas. Middleton, Harry Watkins, Benj. Davis, Kendall Urie, Jos. Taylor, Elmore Stevens, Wash. Atkinson, Romie Wagner, John Walmsley, Wm. Clayton, Allie Hudson, Bennett Wilson, Wm. Taylor, Harry Clark, Wm. Urie, James Pearce, Edgar Hyland, Benj. H. Coburn. Refreshments were served at midnight. The committee in charge were Clarence Greenwood, George Camp and Charles Middleton.

Quite a number of our young people drove to Still Pond on Friday to hold an entertainment there at night, but as no one came to the hall it was not given, and they returned home just $11.50 out of pocket.

The entertainment to be given by the I. O. G. T.'s on April 2d, promises to be a success. Everything is in readiness and tickets are selling satisfactorily at the drug store.

Miss Maggie McKivitt, left Saturday morning for Baltimore, where she has secured a position in one of the leading retail stores of the city.

Mr. and Mrs. Bartus Wilkins, Jr., were given a pleasant surprise at their pretty home on Saturday evening. Though not expecting their guests, Mr. and Mrs. Wilkins were ready for their friends and the occasion was one of rare pleasure. The evening's pleasures were greatly enhanced by several charming solos by Mr. Samuel Maslin. Mr. Maslin's voice is certainly none the worse from the explosion of a barrel of vinegar under his house some time since. About ten o'clock refreshments were partaken of and not until nearly twelve o'clock did the guests take their leave. Those present were; Mr. and Mrs. Edward Bramble, Misses Nora and Ida Bramble, Miss Minnie Smith and Messrs. S. H. Todd, Morris Bramble, Richard Smith, Samuel Maslin and C. C. Hopper.

Mr. and Mrs. Romie Ashley's little daughter is improving, and under the care of Dr. Selby, we hope will soon recover.

Mr. Frank Hogan's youngest child is extremely ill with pneumonia.

Mr. M. Ascher is getting better and will soon be out.

Mr. Leonard Disney's three-year-old son came near being burned to death a few days ago. The children had built a fire of sedge, and the little fellow's clothing caught fire and only with great difficulty were the flames extinguished.

Bishop Hurst Presides Over the Twenty-Seventh Session at Smyrna.

THE APPOINTMENTS FOR THIS DISTRICT.

The 27th session of the Wilmington M. E. Conference met in Asbury Church, Smyrna, Delaware, on Wednesday of last week, Bishop John F. Hurst presiding. After the roll-call of delegates the following officers were elected: Secretary, A. S. Mowbray; assistant secretaries, W. A. Wise, Z. H. Webster, J. D. Rigg; statistical secretary, W. R. Mowbray; assistants, W. O. Hurst, W. W. Sharp, H. C. Turner, J. H. Geoghegan, V. P. Northrop, H. A. G. Westerfield, J. A. Brewington; treasurer, C. A. Grise; assistants, A. G. Cox, D. H. Corkran, H. S. Goldey, F. C. McSorley, J. M. Tindale, E. C. Atkins, T. F. Beaucamp, W. J. Duhadway; conference postmaster, Charles I Stengle. After a heated debate it was decided that the conference and not the June examinations were final in determining the success of candidates for the deaconate.

Presiding Elder Alfred Smith, of the Easton district presented his report, which was in part as follows: Members of conference, 31; supernumerary, 1; superannuated, 1; probationers, 3; local preachers, 14; five of whom are supplying pastoral charges; church members, 5736; on probation, 1134; total, 7920. During the year two ministers and about 100 laymen have died. In his report the presiding elder alluded to the sudden death of the Rev. N. M. Browne, of Middletown. He also spoke of the temperance work going on in the Easton district, especially in relation to the enforcement of the local option laws of Kent county. Wilmington district, a total of 10,500 probationers; Salisbury, 9,600 probationers; Easton, 6,786 members and 1,134 probationers. He gave a stinging rebuke to the curse of vote buying, and said: "Let us heed the injunction of the disciple to cast out bribery and scourge from the Church every one who dares touch, even with the finger, this accursed thing." Revivals have been held in many places in Easton district and about 1200 persons were converted during the year.

The vote on the Hamilton amendment to admit women as delegates to the conference has been taken in most of the churches of the Easton District and showed more than three to one in favor of the admission of women to the General Conference.

THURSDAY, MARCH 21.

Avery, and toasts were given by Bishop Hurst, President George Reed, Rev. V. S. Collins, President John F. Goucher, of Woman's College, Baltimore, Principal Gooding, of Conference Academy, and others.

FROM GALENA.

A Pretty Entertainment and a Delightful Supper.

An entertainment of more than usual beauty, and an elegant oyster supper were given in the chapel at Galena, on Monday evening for the benefit of the M. E. Church.

The programme consisted of singing and recitations. Miss E.K. Scott with fine effect recited a selection from "William Tell," also "The Last Hymn," assisted by Mr. R. H. Hicks. Miss Lena Ireland sang a charming solo, "I will Marry My Own True Love"; Miss Kate Mulford sang very sweetly, "Grandmother's Advice"; Mrs. L. R. Vansant and Mrs. R. H. Hicks delighted those present with a duet, "Dreamland," and were followed by Miss Ollie Price in a fine rendition of "How the Deacon Went a Courtin." After the pretty solo), "Some Day I will Wander Back Again," by Mrs. L. R. Vansant; Mr. R. H. Hicks gave an amusing reading about a Dutchman who tried to set a hen, and was followed by Miss Fannie Scott with a pretty recitation. Ten little girls recited prettily, "The Ten Sunflower Girls."

Mrs. S. H. Todd, of near Tolchester, has been visiting her father, Mr. Henry Parr. Mr. Todd spent Sunday and Monday the guest of Mr. Parr, and was accompanied on his return home on Monday afternoon by his wife and little girl.

CRUMPTON ITEMS.

Local Happenings From up the River.

Mr. Chas Bradley has sold his wheelwright business to Mr. Amos Lynch, who will conduct it in the future. Mr. Bradley will continue in the carriage and agricultural implement business as before.

The management of the local base-ball team announce that they will receive challenges to play any time after May 1. They expect to wave the peninsula pennant by the close of the season. Address Mr. Bruce Sparks, who is captain of the club.

The literary society connected with the graded school at this place, gave an entertainment on Friday afternoon which was enjoyed by a number of visitors. Among those who took part were: Ethel Clements, Minnie Dillahunt, Gussie Walls, Martha Walls, May Boehm, Susan Walls, Clifford Sparks and the two teachers. Miss Maude Ringgold filled her position as president with grace and dignity.

One dollar apiece seems rather high for potatoes, but that is what our fellow-citizen paid for choice seed which he intends to plant this spring.

Rev. John Boehm, who has been stationed here for the past two years, expects to leave for his new appointment this week. We are extremely sorry to part with him.

Mr. Geo. E. Harrison and wife are away on a visit.

Capt. Thos. Ware has been kept busy all winter building boats for the fishermen.

We are pleased to notice that Mr. Alday Clements is mentioned as a probable candate for legislative honors. Should he be nominated and elected he will fill the position with credit to himself and the district.

CHESTER.

From Still Pond.

Revival services closed here on last Sunday evening, and about five hundred persons attended to hear Mr. Galloway give his last talk. His earnest words will long remain fresh in the minds of the people of this vicinity. Thus closed one of the most glorious revival meetings ever held in this place.

In the absence of Superintendent Jos. W. Harper, Mr. Wm. Watts took charge of our Sunday school on last Sunday morning.

Miss Louise Jewell, of Baltimore, is spending a few days with her sister, Mrs. Thomas Bradley.

The Epworth Twilight service will be in charge of Mrs. J. W. Harper on next Sunday evening.

The young people of Rock Hall came up here on last Friday, for the purpose of giving their entertainment, but were forced to return home without giving it, as the people all went to the church and left the hall empty. We wish them better success next time.

AMICUS.

Deafness Cannot Be Cured

by local application as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever: nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

PRIDE OF ENGLAND,

Registered No. 161, Imported, Stands Alternate Weeks at Elkton and Chestertown, Maryland.

PRIDE OF ENGLAND, 161, is a beautiful Blood Bay Color, stands 17 hands high and weighs 1300 pounds.

Pride of England is registered in the Ontario Coach and Roadster Horse Breeders' Association of St. Thomas, Canada, as No 161. He is a descendant of the best producing families on both sides for speed, beauty, endurance and general utility.

Tracing from Mark Twain, Moonstone and Old Clear Grit [859] as producers of speed, and through Rattler and Hornpipe to thoroughbred and imported coach horses, through Fox Hunter, Pride of England [161] sired by Mark Twain, he by Moonstone, by Old Clear Grit [859], he by Lapadist by Touchstone, the English race horse.

Mark Twain's dam Big Nell, by Foster's St. Lawrence, he by Old St. Lawrence. Mark Twain is sire of Nellie Baker with four-year-old record of 2.32 with six weeks handling. She gave a trial mile on Woodbine Track, Toronto, in 2.21¾, and a half mile in 1.08.

Moonstone's dam by Bradley's thoroughbred, he by Oliver's thoroughbred. Moonstone is sire of Nettie C., record 2.23, and several others that show their ability to trot close to 2.30.

Old Clear Grit [859], was one of the greatest Canadian sires. Sire of Amber, record 2.23, made in Australia, and the fastest record for two, three and ten miles in Europe, Flora F., 2.24¾, Bay William, 2.27¾, Little Billy, 2.23¾, Billy M., pacer, 2.19¼, Fuller, pacer, 2.13¼, St. Patrick, 2.30¼ and a large number that trot under 2.40.

Pride of England [161], dam Fanny [55] by McQueen's Rattler, he by Wilson's Rattler, he by Biggart's Rattler, by Sir Henry, he by the Garrett horse, by Leonidas Imported Thoroughbred. Biggart's Rattler, sire of Joe Brown, 2.23 also of Warner's Rattler, sire of Mary Davis, 2.26.

Pride of England [161], grand dam by Hornpipe by Imported Thoroughbred, great dam by Fox Hunter, he by imported coach horse.

It will be seen by the above that Pride of England is gilt edged on both sides.

Breeders cannot possibly err in breeding their brood mares to this noble stallion, as the intensity of his breeding is in itself a certainty that his stock will partake largely of the characteristics of their sire.
