$4,000,000 W.P.A. FUNDS AVAILABLE IN MARYLAND

$50,000,000 OBLIGATED TO DATE

Out of $53,770,694.51 allocated to Maryland under the Emergency Appropration Act of 1935, $49,761,836.14 has been obligated and $32,111,884.63 has been expended as of June 30, according to information received by Arthur E. Hungerford, State Director, National Emergency Council for Maryland.

It is explained that the amount expended is based on checks drawn, while the amount obligated consists of actual and accruing liabilities incurred by project managers or other authorized administrative officers. In other words when an expense is incurred the money to pay for it is set aside or obligated.

The unexpended balances on June 30 were $21,658,809.88 and the unobligated balance was $4,008,853.37.

The total allocation by the President for the entire country was $4,668,159,883. A total of $3,424,564,515.64 has been expended and including expenditures, $4,249,875,093.92 has been obligated. The unexpended balance was $1,243,595,367.36. The unobligated balance, however, was $418,284,789.08.

The greatest expenditure of funds in Maryland was made by the Works Progress Administration, amounting on June 30 to $9,122,061.97. Its total obligations, however, were $10,680,965.90.

The necessities for meeting relief called for the expenditure of $7,409,090.72 for the Federal Emergency Relief Administration. No obligations were outstanding.

The C. C. C. camps (Emergnecy Conservation Work) spent $7,150,188.13 in Maryland with obligations amounting to $8,500,000. The obligations include the amount spent.

The Federal Emergency Administratin of Public Works on June 30 had obligations in Maryland, including expenditures of $3,643,861.55, amountng to $11,775,077.40.

For the various phases of Resettlement Administration work in Maryland, obligations amounted to $5,935,259.16, of which $2,609,623.81 had been actually spent.

The obligations for roads, grade crossing eliminations, amounted to $3,470,444.79, of which $413,877.91 has been actually spent.

The Corps of Engneers, U. S. Army has obligated for rivers and harbors work in Maryland, $95,594.51. It has spent $70,388.41.

The Agriculture Department has spent in Maryland $158,734.77. Including expenditures, the total obligations are $173,069.19.

Expenditures of all other Government agencies in Maryland amounted to $1,534,057.36. The total obligations, including these expenditures were $1,713,334.47.

These figures relate only to the Emergency Relief Appropriation Act of 1935.

HOW MODERN WOMEN LOSE FAT SAFELY

Gain Physical Vigor—Youthfulness With Clear Skin and Vivacious Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give you a joyous surprise.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts.

NOTE—Many people find that the only diet change necessary while taking Kruschen regularly is TO EAT LESS.
