RAMBO'S LIME,
MANUFACTURED BY
Robt. McCoy & Co.

Farmers must admit that it is necessary for them to use Lime in order to keep up their lands, and there is none better than the above. It is the cheapest because it is the best; gives the best results and improves the land more permanently and lasts longer. All orders will be promptly delivered at any station on any of the Peninsula railroads. We are selling at prices to suit the depressed times; a substantial reduction from last year. Orders by mail will receive prompt and careful attention. Also for sale the

A Chat With the People

ABOUT SHOES.

THOMAS G. WROTH, Under Stam's Hall, Chestertown, Md.

To claim the largest, most varied and complete line of Boots and Shoes in Kent county, is to put the matter fairly and squarely before the people; and those who patronize us will secure many advantages not to be found elsewhere in Kent county. In the first place—this establishment is an

EXCLUSIVE BOOT and SHOE STORE.

filled from the front to the rear with such an assortment as to cause one to wonder at its completeness. Now, in having this chat with you, reader, remember that you do not have to buy the first pair of shoes offered you; but we can show you dozens of different styles at the same price. This, of course, is one of the many advantages you enjoy at our store—So much said about the Shoes. Now, we will chat about prices; that, of course, is the most important feature. Well, we handle large quantities of goods, buy largely at rock-bottom cash figures; consequently, we are satisfied that they are bought close enough when we offer them to the buyer we are prepared to place such a low price on each pair of Boots and Shoes as to make it a pleasure to purchase from us. The balance of our winter stock has been greatly reduced; they must move out of the way for spring goods. So, come in and secure bargains in footwear. More later about our immense stock of spring goods. Respectfully.

A VETERAN'S STORY.

GEN. CATLIN PRAISES MUNYON FOR HIS GREAT WORK.

His Restoration to Health due to the Wonderful Little Sugar Pellets.

General A. B. Catlin, formerly Deputy Surveyor of the port of New York, is a veteran of the army and a well-known Republican politician.

"I have been troubled with catarrh for many years," said General Catlin, "I doctored for it a great deal, but did not obtain any material relief, and this winter my condition was terrible. I took cold easily, and my nose became stopped up. I had severe pains across the front of my head, my eyes became watery. I sneezed a great deal, and my bones and joints ached continually. When I got up in the morning my throat was filled with a nasty slime, which stopped there during the night. I had to hawk a great deal, and this made me gag and often vomit. There was a roaring or buzzing sound in my ears, and my breath was very offensive. I lost my appetite, ran down in weight, and became depressed in spirits.

"I tried thoroughly several of the best physicians so-called, in New York. Took patent nostrums of all descriptions, but grew worse all the time.

"Finally, I began Munyon's Catarrh Remedies. I thought it was no use, and had but little faith, but I began to improve right away. My disease rapidly yielded to the remedy, and I underwent a change that was wonderful. Within a short time I was entirely cured, the last trace of the hideous disease had vanished, and to-day my friends are marveling at the great change in me. It is a wonderful relief to feel strong and healthy again, and it gives me great pleasure to testify that my restoration to health is due to Munyon's Catarrh Remedy."

Munyon's Homœopathic Remedy Company, of Philadelphia, put up a cure for every disease. No matter what the disease is or how many doctors have failed to cure you, ask your druggist for a 25 cent vial of one of Munyon's cures, and if you are not benefited your money will be refunded.

Those who are in doubt as to the nature of their disease should address Professor Munyon, 1505 Arch street, Philadelphia, giving full symptoms of their disease. Professor Munyon will carefully diagnose the case and give you the benefit of his advice absolutely free of all charge. The Remedies will be sent to any address on receipt of retail price.

ROCK HALL NOTES.

Personals and Base-Ball Galore at the Bayside.

Miss Laura Deal, of Baltimore, is the guest of her sister, Mrs. Wilson Smith.

Mrs. Wm. Durding left for Baltimore Tuesday to attend the wedding of her sister, Miss Brown, on Wednesday.

Miss Clara Middleton, daughter of Mr. P. G. Middleton, we regret to announce, is very ill, and her many friends are anxiously hoping for her speedy recovery.

Mrs. R. S. Crew and little son, and Miss Ada Proctor, are spending a few days with friends at Still Pond.

Mrs. Thomas and Mrs. Charles Ayres attended the W. C. T. U. convention at Still Pond on Tuesday.

Notwithstanding the extreme hot weather, our churches were crowded at both morning and evening service on Sunday last. Children's Day exercises will be held at the M. E. and M. P. Churches next Sunday.

The Rock Hall and Grey Town base-ball teams crossed bats on Saturday, and the Rock Hall hustlers simply ran away and scoured up the bayshore with their opponents, as will be seen by the score. Ben Davis and Frank Ashley were mysteries which the Grey Town men never solved. The Grey Town boys are ready for another contest, however. The players and their positions were:

Rock Hall.—Ben Davis, p.; John Dowling, s. s.; Frank Downey, l. f.; Will Williams, r. f.; Frank Ashley, c.; George Camp, c. f.; Clarence Moffet, s. b.; George Baker, f. b.; Clarence Hersch, t. b.

Grey Town.—Tom Collier, c.; Jim Harris, f. b.; Sam Collier, p.; Henry Collier, s. s.; R. Coleman, r. f.; Fred Williams, s. b.; Joe Ryans, t. b.; James Davis, l. f.; Tom Fogwell, s. f.

Innings	1	2	3	4	5	6	7	8	9—Score
Rock Hall	1	5	2	2	4	7	5	22	1—54.
Grey Town	4	0	3	4	1	2	2	0	0—17.

We will challenge any boy-nine under 17 years old in the county. Send challenge to Ben Davis.

FAIRLEE LOCALS.

Improvements still go on at Fairlee, both of a private and public nature. Rev. J. B. Merritt has nearly completed the work at and near the church, and has arranged with property owners to extend the walk to the centre of the village.

By the way, what has become of the society or committee for the improvement of county school property? Please look it up and report as we have some business to introduce.

The weather is warm, but it suits growing crops, especially corn. Some rye has been cut for hay and is reported a good substite for some of the grasses, and can be grown quicker. We have also had some barley grown as an experiment. It looks rather short, perhaps the winter was too severe for it.

The creamery is getting a large quantity of milk and never was better prepared to handle it, as the machinery has recently been put in thorough repair and the ice house is full of excellent ice, which is very necessary at this time.

We had a game of base-ball Monday. Your boys came out rather unexpectedly, to play the Fairlee nine, but with short notice our boys were ready and defeated them by a score of fourteen to twelve. Prof. L. J. Smyth, of Kennedyville, happened to be present and was chosen as umpire, he having a thorough knowledge of the game. No better choice could have been made. The Chestertowners took their defeat mildly and throughout the game behaved well. In the early part of the game the score was in their favor. Our boys have signified their willingness to go to town to play the return game, and if successful, are promised by the ladies, a supper on their return home.

Next Sunday will be Children's Day at Salem; exercises in the evening. All invited. R.

BETTERTON HAPS.

Our local base-ball team played the Kennedyville team on Saturday afternoon on the Betterton grounds and suffered defeat by a score of 39 to 10.

On Monday the Betterton team played a picked team from Betterton and Still Pond, who started in to do the boys in the same manner as Kennedyville treated them on Saturday, but the regular team had their eyes on the ball and rolled up a score of 37 to 2 in their favor.

The festival held by the base-ball club on Friday and Saturday evenings was a grand success; gross receipts, $53.04.

Miss Ida Crew, of Baltimore, is visiting her parents, Mr. and Mrs. G. W. Crew.

Children's Day services will be held in the church next Sunday evening.

Howard Owens, Robert Crew, Walter Brice and William Wheeler are enthusiastic converts to the pleasures of bicycling. Mrs. Lockard and Miss Crownhart are expert cyclists, though only having had wheels a short time. Betterton should have a club, and this would make a delightful feature of our "Glorious Fourth" celebrations. Uno.

Protestant Episcopal Convention.—The annual convention of the Protestant Episcopal Church in the Diocese of Easton, was held in Berlin, Worcester county, on Tuesday and Wednesday. The convention is the representative council of the Diocese, and consists of the Right Rev. Bishop Wm. F. Adams, D. D., presiding, with the Clergy, and one Lay delegate or representative from each parish or independent congregation, together with the Chancellor of the Diocese, Hon. James A. Pearce, of Chestertown. One of the most important matters which came before the convention this year was the proposed amendments to the Vestry Act, reported by a special committee appointed at the last convention, held in Elkton. Rev. S. C. Roberts, James A. Pearce, Esq., and Mr. W. S. Walker, left Chestertown for Berlin on Monday morning.

Sabbath Observance.—At the sixty-third anniversary of the American Baptist Home Mission Society, held at Saratoga last week, the following resolution relating to the Seventh Day-Adventists and Seventh Day-Baptists, offered by Rev. H. L. Wayland, of Philadelphia, was unanimously adopted:

"Whereas, in some portions of the United States citizens who have conscientiously observed the seventh day as a day for religious rest and worship, and who have thereafter on the first day of the week conscientiously engaged in labor which in no wise disturbed their fellow-citizen, have for this act been arrested and fined and imprisoned, and put upon the chain gang, therefore

"*Resolved*, That we most solemnly protest against this violation of the right of religious liberty for which our fathers have contended at the cost of imprisonment and spoiling of goods, and stripes and even of life itself."

Struck by Lightning.—During the thunder storm of Sunday night, a valuable colt in the field of Mr. James M. Severson, living near Still Pond, was struck and killed by lightning. There were several peals of thunder and rather vivid flashes of lightning.
