Notice to Candidates.

It has been called to my attention, that the County Executive Committee failed in its call for the primaries, to state that the usual and settled practice in nominating candidates for County Commissioners should be adhered to, to wit: That each district shall vote for *one* candidate for County Commissioner who shall reside in said district, and that the person receiving the highest number of votes in said district shall be entitled to, and shall receive the nomination at the hands of the convention.

All persons who desire to be candidates for any office will hand in their names not later than Wednesday, 12th instant, so that they may, with the committee for each district, be printed on the ticket. Each person will be expected, at the same time, to pay $1 for the purpose of defraying the expenses of printing said tickets.

W. S. Walker.
Chairman Co. Exec. Committee.

DEMOCRATIC PRIMARIES.

To the Democratic Voters of Kent County.

Pursuant to the action of the county Executive Committee, the Democratic voters will meet in their respective election districts and precints, on SATURDAY, JUNE 15, 1895, between the hours of 2 and 6 o'clock P. M., for the purpose of appointing five delegates from each district to meet in Chestertown on Tuesday, the 18th day of June, 1895, at the hour of 11 o'clock A. M., to nominate one candidate for Senator, two candidates for House of Delegates, one candidate for sheriff, one candidate for county treasurer, three candidates for judges of the orphans' court, five candidates for county commissioners, one candidate for State's Attorney and one candidate for county surveyor. The judges hereby named for each district shall appoint two clerks and shall open and close the polls at the hours herein prescribed, and when the polls are opened, shall receive the votes of all persons offering to vote who are well known and recognized as Democrats and whose names shall appear upon the registration books, and also the votes of those not registered, but who will be entitled to registration and to vote at the November election following, provided such persons shall give satisfactory proof equal to that required by the officers of registration, to said judges, and shall further pledge themselves to support the nominees, and of none others. And upon the closing of the polls at the hour herein directed, shall proceed to count the votes cast, and shall certify to the five persons receiving the highest number of votes for the respective offices to be filled. Whereupon it shall be their duty to proceed to Chestertown on said Tuesday in June, and cast the vote of the district for said persons until it shall be made to appear that all or part of such persons cannot be nominated. In this event the convention shall proceed to nominate a ticket by a majority vote of the same.

The voters at the primary election on said Saturday, June 15, shall vote for one person for Senator, two persons for the House of Delegates, one person for sheriff, one person for county treasurer, 3 persons for judges of the orphans' court, 5 persons for county commissioners, one person for State,s attorney, one person for county surveyor and five persons as delegates to the county convention.

The mode of procedure herein prescribed shall be strictly followed, any other method will not be legal, as this committee has full power so to decree.

The clerk of the circuit court is hereby requested to furnish each election district with the registered voters thereof.

WILLIAM S. WALKER, Chairman.
RICHARD D. HYNSON, Secretary.

CHIEF JUDGE JOHN M. ROBINSON has been honored by his Alma Mater, Dickinson College, by having conferred upon him the degree of Doctor of Law.

YESTERDAY was a field day in Kent county politics. From early morn till dewy eve, politicians held the field. In the afternoon the "pot biled over" and some political fires were greatly deadened.

"NOW we want to have the pleasure of placing Judge Robinson' name at the head of our columns as the State standard bearer."—*Cecil Democrat.*

We heartily join you in this desire. With Judge Robinson to head the splendid ticket already put in the field in Cecil, it would be absolutely invincible against the assaults of its opponents.

TUESDAY was a day of political surprises. Mr. James S. Harris, a gentleman and Democrat whose record as president of the orphans' court has been one of distinguished usefulness, opened the list of surprises by publicly announcing his positive refusal to be a candidate for another term. Next came the withdrawal of commissioner Horace A. Willson, of the fifth district, whose official life has been eminently satisfactory, from the contest for the commissionership as his own successor. Then Mr. J. M. J. Byron, candidate for commissioner from the fourth district, made known his withdrawal from the contest, leaving the field, to this time absolutely clear for Mr. George W. Hatcherson. Mr. James S. Harris' withdrawal will leave a member of the orphan's court to be elected and Mr. Byron is in the field for the place.

DELEGATES CHOSEN.

The following list of delegates to be voted for at the primaries in the respective districts of the county on Saturday next, has been filed with chairman W. S. Walker:

1st district—Jno. F. Wilson, Fred L. Vansant, Dr. E. G. Clarke, Dennis McCauley, Wm. Darrell, James Donahoe, Jr., Sam'l F. Caldwell.

2d dist—Wm. J. Hurlock, John M. Comegys, Jesse R. Copper, George E. Parrott, Wm. T. Money.

3d dist—Thomas Gale, Noble B. Gears, James Brice, Sr., Wm. W. Newcomb, W. B. Stephens, Joseph R. Usilton, Harry Willis, Howard Turner, John H. O. Stokes.

4th dist—Geo. S. Biddle, D. A. Bacchus, Solomon Startt, W. Frank Hines, Geo. W. Smith.

5th dist—Wm. E. Keyser, Sam'l J. Wickes, Lawrence Stevens, Thomas J. Vickers, Charles D. Wood.

This list is liable and subject to change

GENERAL POLITICAL MATTERS.

THE BROWN'S DEFEATED.

The great battle of ballots in Queen Anne's county on Saturday, resulted in a victory for the Keating faction, which succeeded in electing all their delegates in the first, second, fourth and fifth districts and three delegates in the seventh district. The Brown element won in the third or Centreville district and in the sixth district. The seventh gave the Browns two delegates.

The Keating wing carried the first district by 42, the second by 8, the fourth by 18 and the fifth by 35.

The Browns won in the third by 126, which was an unprecedented majority, and the sixth by 30.

The seventh district gave Keating 3 delegates and Brown 2, so that the convention on Tuesday stood 23 to 12 in favor of Keating.

In the fifth district there were no ballot clerks, and the judges were allies of the Keating faction.

It will be seen that in the two districts carried by the Browns the aggregate majority was 156, while in the four carried by Keating, the aggregate was 103. Therefore, leaving the divided district out of the question, the Browns carried the county by 53 votes, though they lost control, the machinery being in the hands of the Keating element.

The Democratic convention of Queen Anne's county on Tuesday nominated the following ticket:

Senator, Woodland P. Finley; House of Delegates, John O. Phillips, Eugene Dudley, George M. Vansant; State's attorney, J. Frank Harper; Judges of the orphans' court, C. H. Jefferson, Charles R. Walls, Louis Hergenrather; county commissioners; John F. Godwin, (six years), J. B. Bright, (two years); sheriff, James L. Wooleyhand; surveyor, Thomas B. Johnson. Delegates were elected to the Democratic State Convention as follows: John R. Cook, Thomas J. Keating, Jr., Arthur Reed, Edward F. Hammond.

GIBSON WON IN TALBOT.

Senator Gibson was more than successful in Talbot. He won with hands down and had a veritable walk-over, carrying every election district in the county and every precinct except Tunis Mills—Col. Edward Lloyd's voting place. The majority aggregated over eight hundred, which is more than the number of votes polled by the other side. At Royal Oak precinct not one anti-Gorman ballot was cast, and very few at Oxford and St. Michael's.

At Trappe Mr. Preston B. Spring demanded two of the judges of election, and being refused, opened an opposition polling place, at which five votes were polled.

In Bay Hundred district, where there are two precincts, Wittman and Tilghman, there was a contest between two candidates for sheriff, Edward Lowe on the regular ticket, and Ira K. Caulk on the anti-Gorman ticket. At Wittman, about 3.30 o'clock, when it was claimed by Lowe's friends he was twenty ahead by the votes already in the box and with forty more votes on the ground awaiting their turn to vote, the ballot-box was pulled from the window and destroyed with the ballots it contained.

The Talbot County Democratic Convention on Tuesday nominated a ticket and elected delegates to the state convention, instructing the delegates to vote under the unit rule for State nominations. The convention also adopted resolutions indorsing Senators Gibson and Gorman, and instructing the Delegates to the Legislature nominated to vote for Senator Gibson.

The ticket, which was nominated unanimously, is as follows: State's Attorney, Wm. E. Stewart; orphan's court judges, Jerome B. Bennett, Francis A. Benson, Wm. C. Dudley; county commissioners, Robert G. Dawson, (six years); Samuel A. Harper, (four years); Thomas A. Dudley, (two years); sheriff, Edward G. Lowe; House of Delegates, Wm. Thomas Harrington Lee, William Collins, Alga Smith.

ANTI-GORMAN.

A number of Democrats of Dorchester county have passed strong anti-Gorman resolutions, in which they say:

"We, Democrats of Costen's district, Worcester county, view with alarm the condition to which our beloved party has been brought by its present leader, A. P. Gorman. He has antagonized the principles of the party as embodied in its national platform. He is at variance with the President. He habitually ignores the wishes of the rank and file of the party. He manifests a disposition to sacrifice every wish of the people and every prospect for party success, intent only upon the accomplishment of his own personal ends at whatever cost to the people or party, which seems always to him a secondary consideration, if considered at all. The predominance of the great Democratic party, which is *of* the people, *by* the people and *for* the people, and in whose existence in power our dearest rights and continued prosperity is involved is nothing to him.

Mr. Wilbur Eliason was the vice-president from Kent county of the convention of the Maryland League of Republican Clubs, held in Baltimore on Tuesday of last week. Capt. William D. Burchinal was a member of the committee on resolutions. Col. William J. Vannort was elected one of the delegates at large to the national convention, and Fred. Nichols, Jr., was named as one of the district delegates.

THE ATTORNEY-GENERALSHIP.

The most prominent candidates discussed among the Republicans for the nomination for Attorney-General are Mr. H. M. Clabaugh, of Carroll, Mr. John C. Motter, of Frederick, Mr. David W. Sloan, of Allegany, Mr. George M. Russum, of Caroline, Mr. Phillips L. Goldsborough, of Dorchester, and Mr. John T. Ensor, of Baltimore county.

The most prominent Democrats mentioned in connection with the place are Attorney-General John P. Poe, Mr. Ferdinand Williams, of Allegany, and Judge John M. Robinson, of Queen Anne's.

THE COMPTROLLERSHIP.

M. deK. Smith has an open field in his party, as his own successor.

For the Comptrollership, the Republicans are considering Mr. Leon Seliger, of Baltimore city, Capt. W. D. Burchinal, of Kent, and Mr. L. E. P. Dennis, of Somerset.

It is now conceded that Senator Gorman will oppose the candidacy of Governor Brown for a renomination, to the very last.

MALSTER, LOWNDES AND WESTCOTT.

Many well-informed Republicans believe that the contest for the nomination for Governor, when the convention meets at Cambridge, will be between Ex-Congressman Lloyd Lowndes, of Allegany and Mr. Charles T. Westcott, of Kent, and that the large amount of strength heretofore developed by the adherents of Mr. William T. Malster, will, when the final and decisive vote is taken, be found on the side of Mr. Westcott and give him the nomination.

Mr. Westcott's candidacy assumed considerable prominence during the week. His name has heretofore been merely "mentioned" in connection with the nomination, but on Wednesday he astonished the old crowd, as well as a portion of the new element by springing to the front and almost taking the lead in the race. He was backed by such shrewd and skillful politicians as Capt. W. D. Burchinal, of Kent, Ex-Congressman Henry Stockbridge, of Baltimore, State's Attorney P. L. Goldsborough, of Dorchester, and others almost equally well-known.

KENNEDYVILLE NEWS.

Hustling Juno Sends Down a Royal Royal Budget of News.

Sunday, June 2d, was observed as Children's Day at the M. P. Church, and notwithstanding the oppressive weather, large and appreciative audiences assembled both morning and evening to witness the exercises. The church was prettily trimmed for the occasion. Wreathes of evergreen adorned the walls, while blooming plants and flowers banked the pulpit. Upon a very pretty arch the word "Welcome" shown conspicuously, expressing the sentiment of the school. The exercises throughout were very interesting and were presented in a very pleasing and entertaining manner, reflecting credit upon all who participated. Credit is especially due the superintendent, Mr. W. T. Hague, for the success that attended this occasion, and for the successful management and increasing interest of the school in general. Misses Lulu Shreeve and S. Blanche McKnett deserve special mention for their assistance in training the children to a point so near perfection. Mrs. Annie L. Diggs, of Kansas, delivered an eloquent address in the town hall Friday afternoon, May 31st. Her subject was "The Enfranchisement of Women." She is an earnest advocate and spoke from experience of the excellent results in Kansas, Wyoming, Australia New Zealand and other places where women use the ballot. "Instead of thei, having been degraded," she said, "they have received just the same deference as before, and the political status has been greatly elevated, it having become a recognized fact that unless men of good social and business standing were made candidates they would not receive the vote of the women. The best men are sought to fill offices, consequently saloons are abolished in many districts, the school laws are bettered and morals elevated. Wyoming having enfranchised its women twenty-five years ago, found such beneficial results that it positively refused to change its constitution when it applied for admission as a State, four years ago. When it seemed doubtful that it would be admitted upon those grounds, the men of Wyoming telegraphed to their representatives in Washington: 'Wyoming may stay out of the Union a hundred years, but it will never enter without its women.'"

jl5. LUCAS ALRICH.

A Card.

GALENA, MD., June 13th, 1895.

To the Democratic Voters of Kent County:

—When I determined to announce myself as a candidate for the office of Sheriff, subject to the Democratic Primaries to be held Saturday June 15th, 1895, I was advised that every means would be used to defeat me. The edict had gone forth that the man whom the managers wanted should have the place. But I expected only an honorable opposition.

I haved lived in Kent County for 22 years, and I never voted until 1883, when I was 21 years of age, and since that vote I have never cast any but a Democratic ballot. I understand a report has been industriously circulated that I have sold my vote. Among those who know me, I hope my life and conduct have been such as will completely meet the denial of this charge. But there are others who know me only by report, and I desire to deny this malicious and slanderous accusation in a public manner. It has only recently come to my ears, and the mere repetition of such a report would be calculated to injure any man, when heard by those who do not know him. I will (although a poor man) give $50 to any one who will furnish me the means of proving that this charge has been made by a man of property, against whom I can, and will, seek redress by an action at law. To those who do not know me it may be sufficient to state if I were capable of doing such a thing, especially if the fact of the sale of my ballot had been hinted at, that it would be impossible for me to hold the office of Constable which I have filled for nearly three years. Ever since I have been in office Mr. A. F. Huey, Mr. C. S. Hurlock, and Mr. John F. Ernest, three of the most prominent and leading citizens of the First District, have been on my bond as Constable, and are now on my bond for $2000, and certainly neither of these gentlemen would be likely to bond for a man who would be capable of selling his franchise. In this time I have collected thousands of dollars for citizens, and members of the bar in Chestertown. Not one dollar remains unaccounted for. My opponent, Mr. Morgan, ought not to ask for this office. His father was postmaster of Galena for four years. His brother, Cecil Morgan, was deputy sheriff in '89 and '90 under Sheriff Samuel Comegys; then he was appointed Constable for two years. Another brother, Robt. C. Morgan is now a County Commissioner and has been in that office for six years. Another brother, George Morgan, is in the Custon House in Baltimore, and has been there for ten years. His sister has been overseer of the poor for nearly eight years. Is it Democracy to keep one family in office forever?

I again repeat that I am in this fight to stay. I hope that my friends on Saturday will be at Masseys to a man, and give me the encouragement of their open and honest support. I pledge myself to be influenced by no man, nor by any set of men, in any manner which will prevent me from discharging the duties of my office in a frank, fearless and impartial manner.

Yours respectfully,
JOHN F. VOSHELL.

TO THE PUBLIC.

Because of the constantly increasing number of candidates for the commissionership from the Fifth District, a fact which tends to greatly complicate the situation, I herewith announce my withdrawal from the field. This is one of their Five Dollar Suits. Don't it fit perfectly? I was a little short of funds, or would have gotten one of their six and a half or seven fifty suits. They are just the best I ever saw, though I am satisfied with this, for it certainly is a good one for the money.

This is about the current conversation relative to our zero marked prices, and we have plenty to serve you all.
