Vandemark, the hustling agent for the celebrated Goodwin washing machine, has sold the territory embraced in Talbot and Caroline counties to Mr. Bradley Thompson, of Chestertown. The Goodwin washer received a cordial welcome in Kent and its numerous good qualities have already made it an established household article in the county. THREE PROMISING HORSES.

News of Local Goers with Promising Futures.

That Kent has two very promising young horses, was clearly demonstrated to a few of the knowing ones who visited A J. Hynson's track, across the bridge, on Monday morning. They are John Belton and Sailor Girl, both young horses by Belton 2.17¼, the former owned by Richard Lockwood, of Georgetown, the latter by A. J. Hynson, Chestertown. After scoring once, they were given the word by Dr. Jarman, with John Belton at the pole and slightly in the lead. He went the half mile in 1.14¾ an easy winner. In the second heat Sailor Girl was given the pole and showed that she was a good one by coming in a winner in 1.12¾. Both owners were pleased with the speed shown by their horses. The track was soft and slow, and that these two young horses can go a mile in 2.25 there is not a doubt.

A large number of persons witnessed an interesting free-for-all trot, at Worton Manor Beach, on Monday of last week. Mr. Ellwood Morris' trotter headed the list in 2.50. Mr. Gale stated to a TRANSCRIPT representative, that a series of trots will be arranged for the present season, in which it is hoped to have some of the speediest goers in Kent and adjoining counties.

Mr. W. T. Lane drove Polka Belton, at Belmont one day last week, a warming-up mile in 2.30, and repeated her a mile in 2.20; first half in 1.11, last half in 1.09.

BOATS AND BOATMEN.

Staunch Crafts Making Ready for the Summer Cruise.

Monday was the formal opening, as it were, of the summer boating season, and the occasion was celebrated by an impromptu race between the Happy Bachelor, commanded by Capt. W. P. Howard; the May, Capt. Len Catlin; the Helen, Capt. Eben F. Perkins, Jr., and the Tot, Capt. G. B. Westcott. The boats ended the race in the order named.

The Happy Bachelor has been repainted and has a brand new racing sail. The May has been newly painted and put in thorough order, while the Helen has been painted and otherwise beautified, and has had her name changed from The Three Brothers to the Helen. The Tot has been newly canvassed, has had five feet added to her length and is resplendent in a coat of black and orange paint, with canary trimmings.

The schooner Eva, the property of the Chestertown Yachting Association is hauled up at Scott's Point and is being thoroughly overhauled and painted.

The schooner Marie Westcott is also undergoing repairs at Scott's Point dock.

The graceful Hallie, also the trim little craft of Miss Plummer, than whom no lady in Chestertown pulls a stronger oar, and a number of handsome skiffs and pleasure boats have been launched.

The fine new pleasure craft being built for the Perkins Brothers will be ready for the water in a few weeks.

Mrs. H. M. Brown has purchased of the Messrs. Perkins, the fine skiff Three Brothers, and has changed her name to the Helen.

Crumpton Items.

Saturday's election passed off quietly. The Keating men are jubilant and the pocket-books of many of this district are better off by several thousand dollars than before. There was a brisk market all day for votes, prices ranging from thirty to fifty dollars, while very choice stock sold as high as seventy-five dollars per head.

Children's Day services were observed in the M. E. Church on Sunday night. Much credit is due to Mrs. Loller, wife of the pastor, for the creditable manner in which the children were trained.

The Epworth League festival will be continued next Saturday evening. The celebrated Smyrna cream will be furnished.

A game of baseball was played last Saturday by the third nine of this place and Double Creek, resulting in a score of 55 to 8 in favor of Crumpton.

An addition is being built to the hotel to accommodate the constantly increasing business of this popular summer resort. CHESTER.

Locust Grove Items.

Mr. and Mrs. John Sylvanus, of Wilmington, and Miss Susie Johns, of Pennsylvania are the guests of Mrs. Wm. H. Kelley.

The "Y" contemplates holding a festival on the evenings of the 21st and 22d of this month.

Mr. S. Shallcross and Mr. Lambert rode up Monday on a tandem. One of our old colored men, never having seen one before, gazed at it in wonder and finally exclaimed, "good lawd what's comin' next?"

Mr. Walter Shallcross graduated from Goldey's Business College last week. We wish him much success.

Miss Lulu Crow, who has been attending school in Virginia, is home for vacation.

Persosal Mention.

Messrs. Virgil P. Pippin, of Millington, and Walter G. Shallcross, of Locust Grove, were graduates at the commencement of Goldey's Commercial College, Wilmington, Del., last week. May business success crown the efforts of these promising young men, is the graduating congratulation of the TRANSCRIPT.

Mr. W. J. Sappington, one of the most skilled and well-known painters of Kent, with a corps of artists of the brush, are preparing for the finishing touches to the handsome home of Mr. T. E. Miss Grace Wilkins, a student of Lutherville Seminary is spending the summer at her home, "The Maples."

PROHIBITIONISTS MEET.

A Hustling Campaign Determined Upon and a Ticket to be Put in the Field.

A large number of prominent prohibitionists met in convention in Chestertown, on Thursday last, to take a general review of the field and discuss the political outlook of their party. Mr. C. B. Krusen was in the chair, and Mr. George B. Twilley was appointed secretary and treasurer. The outlook was thoroughly discussed and committees were appointed in each district to select available persons for the ticket this fall, and to secure a full attendance upon the county convention which will be held at Still Pond on July 25th, at 3 o'clock P. M. As already stated in the TRANSCRIPT, the convention will be followed by a rousing mass meeting at night at 8 o'clock, when State Organizer W. Frank Tucker, of Baltimore, will make an address. The committees on ticket work are as follows: 1st. district—G. W. Burke, T. J. McWhorter, B. F. H. Caulk; 2d, G. W. Covington, Jno. W. Copper, H. Davies; 3d, R. T. Turner, Harrison I. Parons, Thos. The W. C. T. U. are specially requested to be present at the convention and are asked to assist as far as is in their power.

The gentlemen decided upon a vigorous campaign, and decided to put a full ticket in the field.

BASE-BALL.

The Washingtou College Team's Work.

The Washington College team defeated the Mt. St. Joseph team yesterday by a score of 12 to 0. The game was delayed by the storm and in order that the team might return by way of Tolchester, the game was called at the end of the fourth inning. The visitors saw that they were out of it, and would not play, knowing that unless five innings were played the game could not count. They killed time by throwing the ball away.

The "boy wonder" of the Peabody team, which played the Washington College team on Saturday, is still wondering where those 16 runs came from and where their expected victory got itself to. The Peabody's were not in it after the sixth inning, when the score stood 4 to 1 in their favor. The 'boy wonder" then dropped, the "champion thrower" failed to throw and the game ended with a score of 21 to 4 in favor of Washington College.

Father George L. Ott presented the Washington College team with a base-ball mask as a prize for defeating the Rock Hall team by a score of 28 to 3. The team extends thanks.

The Chestertown base-ball club will play the Centreville club next Friday afternoon, at Tolchester.

The sporting editor of the Baltimore *Sun* will bring the Wyanokes over on Saturday to cross bats with the W. C's for the championship of the State.

The Washington College team will play the Y. M. C. A. Browns, of Baltimore, this afternoon.

A BRILLIANT ENTERTAINMENT.

The Members of the Brick House Club do Splendid Honors.

One of the most brilliant affairs of the season, was the reception given by the Brick House Club, at their cozy retreat on Princess street, on Tuesday evening, from 8.30 o'clock to 11 o'clock. The rooms had been made resplendent for the occasion. Gorgeous lights and flowers, and beautiful decorations had transformed the whole house into a veritable palace of loveliness. Mr. Jas T. Dixon kindly offered his magnificent lawn for the accommodation of the guests, and under the bewitching light of numerous japanese lanterns, the balmy atmosphere of a night in June was enjoyed to the fullest extent.

To the strains of the harp played by the inimitable Iula, the large company listened with unconcealed pleasure, while refreshments were served by the different members of the club. The club quartette, composed of the Messrs. Beck, tenors, and Messrs. McFeely and Clarke, bassos, gave three selections, which were highly enjoyed. The square window at the top of the broad stairway, which nature has so deftly and beautifully adorned with clinging ivy, struck the guests as being one of the most beautiful and attractive features of the many striking decorations. The romantically inclined gazed upon it with many Romeo and Juliet sighs, and thought and thought. Another beautiful sight was the large punch bowl, which sat surrounded by a mass of evergreens and ivy, so artistically arranged as to attract universal attention. It was suggestive of arctic coolness with its massive lump of ice, and those who quaffed the refreshing beverage enjoyed it all the more as coming from the bower of green and roses.

After the more settled part of the company had retired to their homes, the younger part stayed and enjoyed the dance until an early hour of the morning. Every one went away voting the Brick House Club reception a grand success, and it reflected great credit upon all concerned.

Those present during the evening were: Mr. and Mrs. Colin F. Stam, Mr. and Mrs. James A. Pearce, Mr. and Mrs. W. N. E. Wickes, Mrs. Goodwin, Mr. and Mrs. R. D. Hynson, Mr. and Mrs. H. M. Brown, Mr. and Mrs. George Brice, Mrs. B. F. Fleming, Dr. and Mrs. Samuel Beck, Mr. and Mrs. Horace Beck, Dr. and Mrs. W. F. Hines, Rev. and Mrs. S. C. Roberts, Mr. and Mrs. John D. Welch, Mrs. Fred Fountain, Dr. and Mrs. C. W. Whaland, Mrs. Ireland, Dr. and Mrs. J. A. Catlin, Mr. and Mrs. John D. Urie, Mrs. P. A. M. Brooks, Mrs. Thomas W. Eliason, Dr. and Mrs. S. G. WITH THE WHEELMEN.

What Bicyclists are Doing—Gossip of the Road.

The Eastern Shore Wheelmen's Racing Association of which the Chestertown Cycle Club is a member, has received permission from the officials of the L. A. W., to hold a series of races at their meet this season, the winner of which will be entitled to the championship of the Eastern Shore. The first race of the series will be run at the meet at Federalsburg, Caroline county, July 4th. The prize will be a handsome $40 gold stop-watch. All riders wishing to compete can obtain entry blanks of the secretary of the Federalsburg Cycle Club. Entries must be in by June 25th.

These will be held at Cambridge, Easton, Federalsburg, Chestertown and Salisbury. The man who wins the majority of the mile races will be declared the champion. The club whose members win the greatest number of events in the series of races will be declared the champion club of the Eastern Shore.

Messrs. Sereck Shallcross and C. C. Hopper, took a spin on their wheels to Rock Hall and the extreme lower end of Eastern Neck Island, on Friday. The gentlemen made the run to Rock Hall, a distance of fourteen miles, before a heavy wind, in fifty-four minutes. Cedar Point ducking shore and Hail Point were visited, and the steamer was taken at Bogle's wharf in the afternoon for the return.

Mr. Sereck Shallcross crossed the new bridge at Price's (old Conuelly's) mill on Friday, with his wheel, consequently has the honor, or distinction at least, of being the first cycler who ever crossed the new structure with a wheel.

The Middletown (Delaware) *New Era* closes its reference to the visit of Messrs. Sides and Shuster, two Chestertown cyclers who last week visited the *New Era* sanctum, with the following cordial invitation: "Hot as was the day, we received later advices of their safe arrival and subsequent journey home by rail. Come again, gentlemen, we promise you a cool, sparkling, refreshing glass of Adam's ale, and if addicted to none the worse vice, a free-smoking, anti-nicotine Sheeroot to smoke."

Ex-Congressman W. Laird Henry, editor of the Cambridge *Chronicle*, met with quite a painful accident while riding his wheel last week. He fell from his bicycle, was picked up unconscious, and removed to his home, but soon fully regained consciousness. Save a few bruises upon his head, he will doubtless in a day or so be all right.

Master Claud Parks combines pleasure with business and daily supplies his newspaper customers on his bicycle.

A visiting bicyclist last week entertained quite an audience by riding down the steep terraces in front of Washington College, a feat which no other rider has dared to attempt.

The Madison wheelmen will hold a race meet at Tolchester on Tuesday, June 18. The programme of races is: One-mile novice, open, first prize silver medal, gold mounted; one-mile club championship, first prize, gold medal; two-mile handicap, open, first prize search-light lantern; five-mile handicap, open, first prize set of racing tires; one-mile club handicap, first prize bicycle. There will be no second and third prizes given in all these races. The Tolchester Company is taking great interest in this race meet and besides donating a handsome gold medal, has had a number of lithograph posters printed and given them to the boys. The company says that the track at Tolchester will be in perfect condition on the day of the meet.

A large number of persons witnessed the bicycle races at Rock Hall on Monday. The course was from Rock Hall to Edesville, through the forest road to Mr. Wm. Stevens, thence to Rock Hall, a distance of 6¾ miles. Those who entered were Messrs. N. Bogle, Harry Bogle, John Watkins, John Walmsley, Wm. Apsley, Thomas Harrison, Charles Sewell. First prize was won by Mr. N. Bogle in 21 min. 40 sec., Thomas Harris was second, time 22 min. 53 sec.; John Walmsly third, time 22 min. 58 sec.; John Watkins fourth, time 23 min. 47 sec. Mr. Wm. Larrimore did not enter. Races for the Fourth of July are being considered.

Mr. R. Snowden Thomas is arranging a ten-mile handicap road-race, open to all riders of the county, for Friday, June 21, start at 4.30 P. M. sharp. The course will be from Chestertown to Pomona, return by Airy Hill. Entries will close on Thursday, June 20th. F. M. Miller, starter; Dr. C. R. Twilley, handicapper; H. Rickey, F. G. Usilton and C. C. Hopper, judges. There will be five prizes given. It is desired that Rock Hall, Kennedyville and other places shall be represented in the race.

CHILDREN'S DAY.

Delightful Programmes Given at the Different Churches.

AT CHESTERTOWN M. E. CHURCH.

The programme of the Children's Day exercises at Chestertown, were never more beautiful or elaborate, and the M.E. church was literally crowded with an appreciative audience. Just back of the pulpit arose a beautiful arch of evergreens. On the arch were the words: "The Golden Gate," while from it hung a cross bearing the word Jesus. On the two columns were wreathes with the words: Duty, Wisdom, Culture, Truth, Service, Life. Two gates opened into a bower of potted plants, ferns and blossoms. To the left of the arch stood Miss Sue Ford, charmingly dressed in white, representing the Guardian, a crown on her head, holding in one hand a staff, and in the other a key. Harry Anthony, impersonating Obedience; Miss Claudia Thompson, Sincerity; John Toulson, Humility; Miss Lillie Crow, Love; Charles Pippin, Endeavor, and Adelle France, Self Surrender, all representing pilgrims, took position in front of the gate and repeated appropriate selections. The floral decorations were particularly beautiful. The part taken by the infant class was a beautiful feature. The interesting little tots took position in double line. Each recited a verse, the first line kneeling, when their verses were finished, the second line recited. The programme was as follows:

AT MILLINGTON.

Children's Day services were held in the M. E. Church on last Sunday evening. As the evening was very pleasant the beautiful auditorium was filled. The programme for the evening was called The Golden Gate, one of the prettiest ever held in the history of Children's Day exercises. It was represented by a beautiful gate built upon the platform and opening into a background of beautiful flowers and plants. This gate was guarded by Miss Etta Massey, representing the guardian to the Golden Gate. Six pilgrims came seeking admission: James Vansant, Mary Burke, Elliott Vansant, Lula Bailey, Geo. Vansant and Sallie Townsend, representing Duty, Truth, Wisdom, Service, Culture and Life. They were each given a key: Obedience, Sincerity, Humility, Love, Endeavor and Self Surrender. All took their parts perfectly, from the largest to little Mary Ahern, four years old. The committee deserve much credit for their untiring efforts in training the children, as there was not a break in the entire exercises. AT UNION M. E. CHURCH.

The Children's Day exercises at Union M. E. Church, in Queen Anne's, near Catlin, were the most pleasant and elaborate within the history of the church. The decorations of cut flowers, palms, potted plants and wreathes, were never surpassed for beauty and appropriateness. Superintendent Dewberry and his corps of assistants, deserve great credit for the excellence of the work of their scholars, while too much praise cannot be extended to the children for the splendid manner in which they acquitted themselves. vs.
Elizabeth Thompson, Alfred Thompson, Annie Ringgold, William Ringgold, Adeline Boyer, William Boyer, Sophie Holland, James Holland, Mary E. Green, Lewis Green, John Thompson, Tillie Thompson, William Thompson, Mary E. Thompson, Garrett Bell, Frank Thompson.

In the Circuit Court for Kent county, Maryland, in equity.

The object of this suit is to procure a decree for the sale of certain real estate, situated in Kent, Queen Anne's and Caroline counties, in the State of Maryland, of which William Thompson, colored, died, seized and possessed, for the purpose of partition among the heirs at law of the said William Thompson.

The bill states that the said William Thompson died intestate seized of 30 acres of land in the First Election District of Kent county, 14 acres of land near Greensboro, in Caroline county, and of a farm of 120 acres, called "Crumpton," in Queen Anne's county, Maryland, that the said real estate is not susceptible of partition among those entitled thereto according to their respective rights and interests without material loss and injury to them, that it is necessary to sell the real estate in order that a partition may be made thereof under the direction of this court, that the heirs at law of the said William Thompson are, Garrett Bell, William Thompson, Mary E. Thompson, who are residents of the State of Maryland, and Adeline Boyer, Wm. Boyer, John Thompson, Tillie Thompson, Elizabeth Thompson, Alfred Thompson, Annie Ringgold, William Ringgold, Sophie Holland, James Holland, Mary E. Green, Lewis Green and Frank Thompson, all of whom are non-residents of this State.

It is thereupon ordered this 23d day of May, 1895, by the circuit court for Kent county, Maryland, in equity, that the plaintiffs by causing a copy of this order to be inserted in some newspaper published in Kent county once a week for four successive weeks before the 22d day of June, 1895, give notice to the absent defendants of the object and substance of this bill warning them to appear in this court in person or by solicitor on or before the 8th day of July next to show cause if any they have, why a decree ought not to be passed as prayed.
