CHESTERTOWN experienced its first effect of organized crime early Monday morning with a wholesale robbery of clothing from the store of Bordley & Sons. This section has felt free from organized crime activities due to its geographic location and the inability of criminals to get to the city stolen goods markets without apprehension. Howevr good roads and fast motor vehicles have gradually removed this security and we can well join in the efforts made by other sections of the shore for some sort of inspection at the three bridges over which it is necessary to travel in order to get to these city markets. Robberies of this kind on the Shore will stop only when thieves cannot quickly dispose of stolen merchandise and as the large cities cannot apparently cope with these markets for stolen goods, it is apparently necessary and possible for Maryland and Delaware to prevent the illegal transportation.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

Use *Doan's Pills*. *Doan's* help the kidneys to get rid of excess poisonous body waste. They are antiseptic to the urinary tract and tend to relieve irritation and the pain it causes. Many grateful people recommend *Doan's*. They have had more than forty years of public approval. *Ask your neighbor!*

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. 25c. Stubbornly refuse anything else.
