

4

where Aunt Mollie is.
I had heard that Aunt
Mollie was Tubercular
but I had no idea that
her case was that serious.
Poor Aunt Mollie, she
always was one of the
sweetest women in the
world and never did any
one any harm. I can't
see why such an affliction
should come upon her
either. It is probably
God's way of doing things
and we cannot understand
what He means by it
all and I don't know
that we have a right
to question His meaning,
but when a heart is
