Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

PAUL COMEGYS
Millington, Maryland.

NOTICE TO Parents & Guardians

Violations of the School Attendance Law, in Kent County, have become so numerous and flagrant as to endanger the school system both from an educational and a financial standpoint.

The Board of Education, therefore, desires to notify all parents and guardians that, from this time on, steps will be taken to enforce strictly the law requiring all children under 13 years of age to be sent to school throughout the entire year of 180 days. Those 13 years and 14 years of age may make 100 days, beginning not later than Nov. 1, if regularly employed; and must attend throughout the year if not so employed.

Those 15 years and 16 years of age must make 100 days beginning not later than Nov. 1, if regularly employed; or must attend the entire year if not so employed or have not finished the elementary grades, that is, from the 1st to 7th grades inclusive.

Methods similar to those adopted to enforce other laws on the statute books, will be applied to the enforcement of this law. Parents and guardians are, therefore, requested to cooperate with the Board of Education in the peaceful administration of the law, rather than compel them to harsh measures.

By order of the Board of Education of Kent County.

EDWARD J. CARKE, Secretary.
