SACHS' SERVICE SHOE STORE

5th Anniversary Spring Opening.

Five years ago we opened an "EXCLUSIVE SHOE STORE" in the little store room of the Toulson Bldg. At a small expense, with but one purpose in view, namely, "TO UNDERSELL," public opinion has decreed that we have succeedd from the start.

Five years increased business has enabled us to buy and sell in larger quantities at lower prices, thus giving you extraordinary values. Five years of constant application to one particular line, caerfully fitting all feet, guarding against any misfits, and selling only the very best makes of shoes, have gained for us the good will of all our customers, extending over a radius of fifty miles or more.

Our best advertisement is our customers.

There are no complaints, because we make good any unsatisfactory purchase.

All foot troubles relieved.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

First to establish the $10.90 price—"Usco"

THE makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30 x 3½ 'Usco' is $10.90."

The lowest price ever quoted on a tire of *quality reputation* and *standard performance.*

* * *

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the $10.90 price range.

Perhaps you are wondering just what there *can* be either "new" or "special" about these tires.

It can't be the $10.90 price—"Usco" established *that* five months ago.

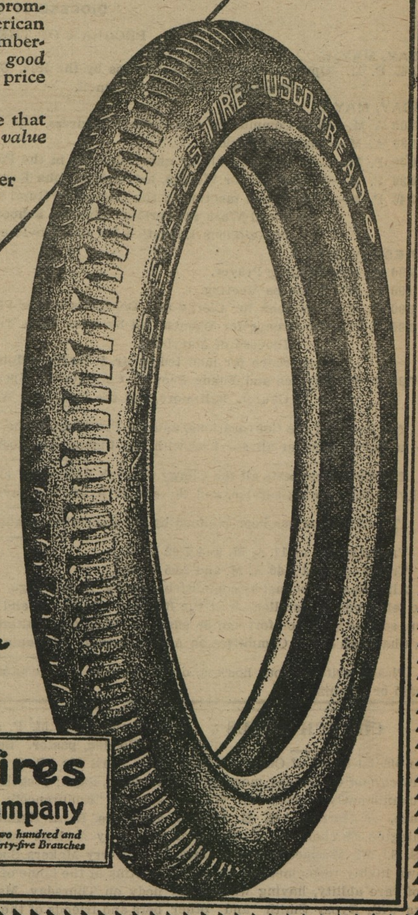
Nor *quality* reputation and *standard* performance—for it takes more than one full season for any new tire to *demonstrate* where it stands in quality and value

* * *

With so many tires rushing into this $10.90 price field (now that the season promises business from the American car-owner), it is worth remembering that "Usco" showed its *good faith* by announcing this price *last fall.*

The same intent to serve that has made "Usco" a *standard value* for years.

The "Usco" Tire was never better than it is today—with its established quality, its time-tested performance, *and its price closely figured in tune with the times.*



$10.90
and even better than the price

WASHINGTON COLLEGE ITEMS

The Easter Dance was given by the College Cotillion Club in the gymnasium on the night of April 21. The usual select crowd that characterizes the Cotillion assemblies turned out in full force. The music was furnished by Wise's Orchestra, of Dover, Del. The decoration committee consisted of: Carlton A. Walls, '22, Chairman; Preston Heck, '25; L. A. Cooper, '25; and K. Waller, '25.

Our next year's foot ball captain, Jack Stenger, called out the foot ball candidates for spring practice. Quite a number of students, both veterans of the game and novices turned out. It is quite too hot to wear the regular foot ball togs, so the boys wear jerseys, basket ball trunks, shoes and stockings. But what matters the dress, so long as they are playing foot ball. Of course Ed. Keenan and Tim Crowe came out. Ever since the close of the foot ball season these two players were sad. It seemed that with the passing of foot ball their greatest hobby passed away. But they are now back again into their former selves. Their old "pep" and vigor has returned at the touch of the football. Then amongst others we must not over look C. Lohran, Harry Russell and A. Bischopf, all of whom distinguished themselves on the gridiron last fall. Heck, who showed some talen during the season, is taking advantage of the early training. Fedderman, who entered the college after the foot ball season, has taken this opportunity to show what he can do, and has impressed us with his doings. Howeth and Sasse are also showing up pretty well. Billy Nichols and E. Russell are also in the number. H. Moss is taking advantage of the early training and reporting daily, with the idea of entering the college in the coming fall.

Shifterism has shifted over to Washington College. The organization has not met with very much success, but the members are hoping for the best.

And amongst other things, Prof. Woodman is contemplating the formation of a new society. He has his plans already outlined. We do not know exactly what they are or what the purpose of the society will be. But judging from the class of fellows whom he has on his list as the members of the prospective society, the organization will be unique in form and rather exclusive in its personnel.

—Thursday was a big day among the colored folks of Kent county it being rally day. The day was an ideal one and large crowds from all parts of the county were here.
