THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Every courtesy and accommodation that can be possibly extended will be shown you at this Bank. Make our Banking Rooms your MONEY HEADQUARTERS. Kindly bear in mind that we do not ask you to spend any money or to buy anything. You are out nothing, but ahead a great deal by establishing the Banking Habit.

Without encouragement or incentive anyone would just naturally drift along—careless about present money affairs, unmindful of future advantages. But don't you see we are putting squarely before you that incentive? The THIRD NATIONAL BANK OF CHESTERTOWN, MARYLAND, deliberately asks you to join its rapidly growing family of thrifty, prudent customers. When once you have started building up a balance in a bank book, you will keep going.

Will you make that start? It's easy, and think of how much that start will eventually mean to you. All of our business with our customers is strictly confidential. We want you to feel perfectly at home with us, and whether or not we do a great amount of business together, we shall try to make our relations both pleasant and profitable to you. Call and see us.

Program of Photo-Plays To Be Shown At The

LYCEUM THEATRE

CHESTERTOWN

Showing Only The Best In Motion Pictures

Friday and Saturday, June 2-3—Wesley Barry in "SCHOOL DAYS."

Did you ever play hookey from school?

Wesley Barry, the freckle-faced movie star, plays hookey more than once in Gus Edwards screen play, "School Days."

The very mention of the words "School Days" holds an appeal for young and old, and it is said that every mother who has boys, every man who remembers his boyhood, every human being who can thrill to the joys, the disappointments, the pranks and the glory of boyhood will gloat over the trials and tribulations of Speck Brown, better known to the screen world as Wes' Barry.

Two shows Saturday night, 7.15 and 8.45. Come early as everybody will want to see this play.

Monday and Tuesday, June 5 and 6—Blanche Sweet in "That Girl Montana."

That girl, Montana, was a plucky kid! She was just a slip of a blonde thing fighting out her life's problems all by herself in a young and primitive country where the lust for gold stripped men of the thin veneer of civilization and showed up their coarser and baser natures.

The opening of the picture discloses Blanche Sweet in boy's clothes, a disguise forced upon her by her father, who forces her to rob stage coaches and cheat at cards. Once freed from him she struggles to live down her past and prove her right to the friendship of decent people.

ALSO NEWS, MOVIE CHATS and 'WINNERS OF THE WEST' serial.

Friday and Saturday, June 9 and 10—Lewis J. Selznick presents "CONCEIT," a unique creation.

"Conceit" of course deals with that element of mental imperfection that is so often found in men and women whose inflated opinion of themselves exceed their true worth. But the subject is not handled with a spirit of levity. Instead, it is a straight way, modern drama with a variety of scenes, character and action that are most refreshing. The hero of the plot is not a gilted saint and the villian is not a cloven-hoofed fiend. They are just men with all the faults and virtues usually found in the normal, average person.

Also Pathe Review and Comedy.

Farmers' Field Meeting

On Wednesday next, June 7, at the Alms House Farm, at 2.30 p. m., there will be held a field meeting for all Kent County farmers.

The field meeting is being arranged for by County Agent Derrick, Mr. J. B. Sutton and Dr. A. G. McCall, of the Maryland Experiment Station.

The purpose of the field meeting is to view the experimental plots on the Alms House Farm, which are cared for by Mr. J. B. Sutton, under the direction of Dr. A. G. McCall, who is in charge of Soils Work for the Maryland Station. Of special importance will be the fertilizer tests on both wheat and grass and the effect upon yield of having two legume crops in the rotation.

Everyone is cordially invited to view this important experimental work being conducted primarily for the benefit of the farmers of Kent county.
