BOOM TOWN HAS FOUR BIG STARS IN ACTION DRAMA

Gable, Tracy, Colbert and Lamarr Form Screen's Most Breath-Taking Cast

OPENS NEXT WEEK AT LYCEUM THEATRE

Replete with such spectacular action scenes as a blazing oil well being whiffed out by a blast of TNT, oil gushers roaring in to shoot derricks high into the air, a dive into a sea of mud to escape whizzing bullets, fist fights extending from a swanky Manhattan office, and other thrills of the oil fields, "Boom Town" comes on Monday, Tuesday, Wednesday and Thursday, Sept. 16, 17, 18 and 19th to the New Lyceum Theatre.

Overshadowing even the intense fast action of the story is the stellar cast which comprices Clark Gable, Spencer Tracy, Claudette Colbert and Hedy Lamarr as stars, supported by Frank Morgan, Lionel Atwill, Chill Wills, Marion Martin, Minna Gombell, five-year-old Casey Johnson and Baby Quantanilla, who made a sensational debut in "Forty Little Mothers."

The picture was ten weeks in production and location scenes were made in more than thirty sites to record all of the thrilling drama of men who seek fortunes in oil and of the women who love these two-fisted men. It was directed by Jack Conway, noted for his action pictures, and was produced by Sam Zimbalist.

"Boom Town" covers the entire field of the fabulous oil field while following the story of two men who meet in a rough boom town and form a partnership. They remain friends through adversity, even when one marries the sweetheart of the other. They split when the husband apparently is untrue to the wife, but are reunited years later when both men bury the hatchet at a time when both are wealthy from oil. Then a siren enters the story to snatch the husband from his wife and the friend resorts to one of the most poignant schemes in screen drama to break up this affair and send the husband back to his wife.

CHAPTER 732

AN ACT to repeal and re-enact, with amendments, Sections 1, 2, 5 and 6 of Article 101 of the Annotated Code of Maryland (1935 Supplement), title "Workmen's Compensation," sub-title "State Industrial Accident Commission."

Section 1. Be it enacted by the General Assembly of Maryland, That Sections 1, 2, 5 and 6 of Article 101 of the Annotated Code of Maryland (1935 Supplement), title "Workmen's Compensation," sub-title "State Industrial Accident Commission," be and they are hereby repealed and re-enacted, with amendments, to read as follows:

1. A Commission is hereby created which shall be known as the State Industrial Accident Commission, to be composed of four Commissioners. Upon June 1st, 1939, all of the terms of the Commissioners in office upon the taking effect of this Act shall terminate, and the Governor shall thereupon appoint one Commissioner who shall hold office for a term of one year, one for a term of two years, one for a term of three years, and one for a term of four years. Upon the expiration of the term of each Commissioner, his successor shall be appointed by the Governor for a term of four years. Each Commissioner shall devote his entire time to the duties of the office, and shall not hold any position of trust or engage in any occupation or business interfering or inconsistent with his duties as such Commissioner, or serve on or under any committee of a political party. Each Commissioner shall hold office until his successor shall be appointed and shall have qualified. Vacancies shall be filled by the Governor for the unexpired term. The Governor may at any time remove any Commissioner from office for inefficiency, neglect of duty or malfeasance in office. Before such removal he shall give such Commissioner a copy of the charges against him and shall fix a time when he can be heard in his own defense, either in person, or by counsel, which shall not be less than ten days thereafter, and such hearing shall be open to the public. The principal office of the Commission shall be in the City of Baltimore, but branch offices may be established at other places in the State for the purpose of administering this Article.

2. The Governor shall designate one member of the Commission as the Chairman thereof, and he shall be the administrative and executive head of the Commission and shall have the final authority in all matters relating to the assignment of cases for trial, the management of the State Accident Fund and the administrative work of the Commission and its employees, except in the promulgation of rules and regulations wherein the Commission shall act as a body, and in the trial and determination of cases, as hereinafter provided. The other three members are hereby vested with authority to hear and determine any hearing, trial, inquiry or investigation which the Commission is authorized to hold or undertake; and any one of such other three members can preside alone at any such hearing, trial, inquiry and investigation, and every order and determination made by any one member shall be deemed to be the order or determination of the Commission. The Chairman shall only sit in the trial of cases when, in his judgment, it is necessary to expedite the trial work of the Commission.

5. The present employees of the Commission shall continue to serve in their present positions and shall retain all of their rights under Article 64A of the Annotated Code, title "Merit System." The Chairman of the Commission shall have the power to make any future appointments as are provided for in the Budget, which appointments must be made in accordance with the provisions of said Article 64A. The secretary and other assistants that may be employed shall be entitled to receive their actual necessary expenses while traveling on the business of the Commission. Such expenses shall be itemized and sworn to by the person who incurred the expense, and allowed by the Chairman of the Commission. The Chairman of the Commission shall keep and maintain its main office and such branch offices as he shall deem proper and necessary for the administration of this Article, and shall provide suitable rooms, necessary office furniture, supplies, books, periodicals and maps for the same. All necessary expenses shall be audited and paid out of the appropriation in the State Treasury provided for in this Article. The Commission shall provide itself with a seal for the authentication of its orders, awards and proceedings, upon which shall be inscribed the words, "State Industrial Accident Commission, State of Maryland—Official Seal."

Each member of the Commission and each person appointed to office or employment by the Commission shall, before entering upon the duties of his office or employment, take and subscribe the constitutional oath of office.

6. The Secretary of the Commission shall keep and maintain a full and true record of all proceedings of the Commission, of all documents or papers ordered filed by the Commission or by its rules, of decisions or orders made by any member of the Commission and of all decisions or orders made by the Commission or approved and confirmed by it and ordered filed, and he shall be responsible to the Commission for the safe custody and preservation of all such documents at its office. He shall have the power to administer oaths in all parts of the State, so far as the exercise of such power is properly incident to the performance of his duty or that of the Commission. The Chairman of the Commission may designate, from time to time, one of the clerks of the office, appointed by him, to exercise the powers and duties of the Secretary during his absence.

Sec. 2. And be it further enacted, That this Act shall take effect June 1, 1939.
Approved: May 11, 1939.
