THE TRI-COUNTY LEAGUE BEGINS WITH FINE PROSPECTS OF SUCCESS—OTHER NOTES

(Other Sports on page 7)

Chestertown and Centreville will play today at Chestertown, and local fans will have an opportunity to see just which team is most likely to be ahead in the Tri-County League when September thrusts itself between summer and the first frost. Centreville is Chestertown's natural opponent on the diamond and which one of them will win is for the future to decide. On the other hand, the fans should turn out for these games and make the league a success and insure it for the future years.

The Tri-County League finally opened Friday, when Chetsertown lined up against Oxford. Chestertown was the victor, 5 to 1. Robinson was on the mound for Chestertown, while Harrison did the honors for Oxford.

On the asme day Easton defeated Centreville 5 to 4 in a hard-fought contest. Centreville was ahead until the ninth, when Easton won out by hard hitting.

On Saturday Centreville won from Chestertown on the former's field by the score of 12 to 8. Loller started on the mound for Chestertown, but was hit hard and was relieved by Blackway in the third inning, at the close of which period Centreville had a six-run lead.

On Saturday Oxford defeated Easton 7 to 0. Oxford used the willow rather handily in this game, which proved too much for Easton.

Chestertown trimmed the Easton aggregation Tuesday by the score of 9 to 4 before a good crowd. Robinson was on the mound for Chestertown and pitched good ball.

Centreville also defeated Oxford on this day, 8 to 4. A large bunch of fans were on hand for the contest.

The Chestertown team is much strengthened by the addition of Pitcher Archibald and Harry Hill, both of near Kennedyville. These are two good players and they are both popular with the fans.

Standing Of The Tri-County League:

	W	L	P.C.
Chestertown	3	1	.750
Centreville	2	2	.500
Easton	2	2	.500
Oxford	1	3	.250

Chestertown hurtled into the lead in the Tri-County League on Thursday, with Centreville as the stepping stone to the stellar honors that come with the occupation of this lofty position. The game at Centreville was a hard-fought one, with Centreville doing everything possible to turn back the Chestertown aggregation. The score was 5 to 4. Chestertown's veteran mound artist was on the mound for Chestertown and held the Centreville lads safe when hits meant runs.

On the same day Easton won from Oxford by the score of 8 to 1, driving that time to the cellar, and tieing with Centreville for second place.

With Mr. Fred S. Russell and Prof. Louis J. Thibodeau receiving the aerial whispers, Chestertown boxing enthusiasts heard the results of the Leonard-Tendler fight as it took place at New Jersey on Thursday night by radio, through the courtesy extended by Mr. L. B. Russell, proprietor of the Lyceum Theatre, where the instrument is installed.

The Leonard-Tendler lightweight championship fight at Jersey City terminated about as the fight experts predicted—that is, now that the affair is over. But our recollection is that a great majority of the dopsters fed up their readers pretty well with the fact that Leonard was to knock the challenger flat, etc. In our opinion, after reading the fight by rounds, it looks to us that Tendler came pretty near dislodging a well-cemented crown from the willing and heavily-laureled brow of Champion Leonard in the eighth session, when Leonard retired to the canvas for a brief period. It may be, as some say, that Leonard simply used Tendler as a "meal ticket," and allowed him to stay the limit in order to get a return match and thereby filch some more hard-earned coin from the public. But we have heard this argument used so often, in so many encounters, for so long a period of years, and have seen it "go wrong" so often, that, in our opinion, each fighter gave the best that was in him, and that they were so evenly matched, that the result was about a sample of the respective work of the two men.

Johnson, former W. C. third basemen and Kent countian, is leading the Cambridge team in batting and base stealing. He has an average of .320 at the bat and has stolen 10 bases. Flowers is a close second in both of the above mentioned departments, with a batting average of .313 and seven stolen bases. Flowers also has secured the greater number of extra base hits, having made five home runs, eight doubles and two triples. Duffy, also of W. C., has made the greatest number of sacrifice hits.

A QUALITY SIX

JEWETT

A Thrifty Six Built by Paige

50 Horsepower $1065

A finely balanced six means much more than smoothness and flexibility. It means long life and economy—because vibration is reduced to a minimum and working parts are not subjected to brutal punishment.

Such is the immense advantage of all good sixes. But it has remained for Jewett to produce perfect six cylinder balance—combined with rare body comfort—and sell it for $1065 f. o. b. Detroit.

Understand that fact and you will understand why the Jewett is breaking sales records in every section of the nation. It is a true quality six at the price of a four.

One ride will tell the complete story. Then you will realize that there is no substitute for ample horsepower as it is developed in a spirited six cylinder motor.

Then, too, you will realize that the Jewett is a perfected UNIT with clutch, transmission, drive shaft and rear axle—all of them, harmonious factors designed for strength and unvarying efficiency.

In brief, the Jewett is precisely the kind of six that you would expect the Paige-Detroit Motor Car Company to make and endorse. There could be no stronger guarantee of enduring satisfaction.
