THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Savings Depositors

We pay Four Per Cent compound interest to all our savings depositors.

We paid $43,059.94 in interest to our savings depositors during the past twelve months.

The rate we pay is at once profitable to you and absolutely SAFE, a combination of qualities that should be attractive. If you have moneyto invest you'll be tempted with promises of much higher rates of income, but with them (as a rule) will always go the chance of loss. Be on the safe side.

POINTS OF A SAVINGS ACCOUNT

1.—Money on deposit is more readily available for any emergency than when invested in other securities.

2.—You can get the full amount of your depoists plus all the interest they have earned. Unlike many other investments, a savings account doesn't fluctuate in cash value.

3.—If you need some money you can withdraw a part of your account without losing the interest on the balance. You can get the cash you need without having to go to the trouble of making a new investment.

4.—Your deposits with us are entirely safeguarded by the financial strength of this institution, which we are prepared to prove to you.

5.—There is no worry about collecting the interest and it is easier to save the interest when it is simply credited in your pass book to your savings account.

6.—You can start your investment in a savings account with us on any business day.

We will also handle your active or checking account to your entire satisfaction. Call and see us.

Very respectfully,

Elected State President

Mr. John C. Davis, of Chestertown, was elected president of the Patriotic Order Sons of America, at their annual convention in Westminster this week. Mr. Davis has been an active member of this order for many years.

A Busy Firm

Stavely & Bowers, of Lynch, the well known contractors and builders of Lynch, are rushed with some big jobs at this time. This firm has a large force of men engaged on a house for Mr. Frank Meeks, near St. Paul's Church, upon which they are making good time. They have also contracted for a fine residence for Mr. John P. Nicholson, ex-judge of the Orphans Court, on the Morris Bramble lot, at Fairlee. When completed these residences will be a big improvement to the sections in which they are being erected.

Saving Kent's Wheat

C. A. Goodwin is producing threshing machines almost out of the air. A long run to Waynesboro last week brought back a rig, which has been working on Lambert's farm, near Melitota.

Threshing Outfit No. 5 is now doing excellent work, saving the farmers' wheat crops. It is very interesting to note that these small threshing machines, together with the Fordson Tractor, are really helping to solve the problem in this vicinity. To date they have threshed an average of 615 bushels the day per tractor.

Mr. Wm. T. S. Rasin, of Worton, purchased a No. 5 outfit and is prepared to give the farmers of that section excellent service, he supplying the outfit, feeders and all fuel at the charge of 9 cents per bushel.

It has been suggested that the farmers in all sections should band together to purchase an outfit of this kind and thus prevent crop losses from waiting on larger machines to come to them.

Dr. Copeland and a number of Piney Neck farmers have the proposition under consideration and are awaiting the coming of Mr. Goodwin's rig. They say it will never leave the neck.

It is high time for all to realize that the farmers' success is the success of the community and that their failures are the failures of the entire county.

State Meeting Of P. O. S. Of A.

The delegates from the 75 Washington camps of the P. O. S. of A., attending the 27th annual state convention at the armory at Westminster, Md., with large numbers of members of county camps, staged a big parade there Wednesday with James M. Stoner as chief marshal.

At the annual memorial service State Secretary Heaps read the names of 70 members of the camps who have died during the past year. Rev. L. B. Hafer, state chaplin, made the address.

In resolutions adopted the order resolves as follows:

That we reaffirm our stand as simon-pure, red-blooded, upstanding Americans.

That we oppose, unalterably, in state and nation(and especially in our state) the nefarious practice of racetrack gambling which takes millions of dollars from our state annually; and that we use every means in our power to educate the citizens of the state as to the effects of this alien evil, 90 per cent of whose stock and profits is controlled by those not citizens of Maryland.

That we believe the Sabbath day was created as a day for rest and worship, and that we unalterably are opposed to an open and commercialized Sabbath, merely because the Jews and a few others demand it.

That we reaffirm our allegiance to the Constitution of the United States and our belief in its unity as to every part, including the recent amendments; that we urge our citizens to work politically for those who pledge to uphold the Constitution, regardless of party or creed, and likewise to oppose any who would weaken or destroy the Constitution.

That the Bible is God's revealed will to man—the guide book of this Christian nation—therefore, we demand, as an overwhelming majority of Americans are actually or nominally Christian, that the Bible be read each school day, without comment, in all public schools of the state.

Four To Hospital From Auto Accident

Because of a near-collision between a motorcycle and an auto, Sunday afternoon on the state road in Queen Anne's, four members of the Miller family, of Mardella Springs, Md., were compelled to go to Easton Hospital. It seems that the young man at the wheel of the Miller car became somewhat excited when a motorcyclist passed him, and losing control, the machine swerved to the roadside, and upset. While painfully cut and bruised, Dr. H. G. Simpers, who gave them medical attention, says none of them were dangerously hurt.
