Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

SPORTS

ITEMS OF INTEREST CONCERNING MANY BRANCHES OF SPORT

Considerable trouble is being experienced in the Tri-County League with players wrangling with the umpires. Practically all umpires, everywhere, give the decisions as they see the plays and don't try to rob the other team. Players should realize this and refrain from expressing themselves too freely and causing disturbances at the games, which spectators now-a-days abhor. Fairly good crowds are watching the games here, and considerable interest is being manifested. If the games continue clean and are unmarred by disturbances, we believe the interest will gradually increase and the success of the league for next year will be insured. If the managers allow the games to become disorderly, interest will, on the other hand, gradually wane.

And now a "horseshoe pitching league" has been formed, with Prof. Louis Thibodeau as president, secretary, etc. The "league" is composed of eight players (more if they want to enter), and the place where the contests are pulled off is the Bramble Poultry Farm, across the river. Interest in the contests is keen.

Walter Johnson, of Washington, has lost more low-hit and low-score games of baseball than any pitcher in baseball history. He has also pitchd more shutouts and has been shut out oftener. With only average batting and run-making support, Johnson's record would be in a class by itself.

The football and basketball teams at the college will be greatly strengthened by the acquisition of Michael Fiore, of Waterbury, Conn., who intends to enter in September. As a member of the basketball teams at Crosby High School the past few years, Fiore earned a position as all-scholastic guard at both the University of Chicago and U. of P. tournaments. His football position is tackle.

Kennedyville's crack ball players are contributing greatly toward keeping Chestertown in the lead in the Tri-County League. With Hill, Nickerson, Kennedy, Archibald and Hurlock in our line-up we will make the other teams in the circuit hustle to win from us. With these players on our team it also boosts the attendance, because of the interest that naturally comes from their section, which is really, and has been for years, the baseball center of interest in Kent county.

Jack Carroll, whom we have often termed in this column the "wizard of the floor," has recently taken up swimming and is quite successful. We predict Jack will be as successful in the great game of life as he has been in the athletic game. He has the fundamentals of success in life in all its manifold branches.

Chestertown retained its lead in the Tri-County League Saturday, winning the poorest played game of the season by the score of 13 to 9, before the largest crowd that has seen the local league team in action. Chief Usilton went to the mound for the locals, but was greeted with some hard-hit balls and was unable to control his shoots. Kennedy relieved him. Sullivan was on the mound for Oxford but was forced to retire in favor of Harison, who fared little better.

On the same day Mallonee pitched good ball for Easton, who triumphed over Centreville by the score of 6 to 0. Scott twirled for Centreville.

Chestertown was defeated by Easton Tuesday by the score of 5 to 3. Blackway was on the mound for Chestertown and had the game well in hand until the ninth, when Easton batted out four runs and a victory. Sherwood worked well for Easton.

Centreville defeated Oxford 5 to 4 on Tuesday, with Perry on the mound; Golt worked for Oxford.

The schedule for this and next week in the Tri-County League is as follows:

Saturday, August 5—Chestertown at Oxford; Easton at Centreville.

Tuesday, August 8—Chestertown at Easton; Oxford at Centreville.

Thursday, August 10—Easton at Centreville; Chestertown at Oxford.

Saturday, August 12—Centreville at Chestertown; Oxford at Easton.

Manager Fred Russell is piloting the Chestertown baseball team over the troubled waters of sport in a manner that does credit to the game. That he will bring his team safely to the haven—at the head of the heap—when autumn, the greatest artist of them all, has begun to paint its master picture in woodlands and across the pastoral valleys—we have no doubt. A managerial position requires considerable work, foresight and diplomacy and Manager Russell is performing these duties well.

Old Timer Passes Through Town

For a moment Wednesday, history repeated itself in Chestertown. We were back twenty-five years ago when the Eastern Shore was the chief peach section of the country and bands of "peach plucks," as they were then known, were camped along the water courses of Kent. The reason for this throw-back to the old times was the visit to Chestertown of one of the real, honest-to-goodness old-timers. He had everything which the old-time pluck had, that is, dirt, plenty of whiskers, the same old coat thrown across the shoulders and a liberal amount of nerve. He lacked what they lacked—money and food, but he soon sought both, and received neither in a great many cases. He was about sixty years of age, possibly seventy, and when we saw this one-time familiar figure, we could almost catch the scent of their camp-fires and hear the whistle of the Ericsson liners.

GALENA

Mrs. Victor Stradley is spending a week with friends in Denton.

Mrs. McCoy, of Wilmington, spent a few days of this week with her daughter, Mrs. Henry Bolton.

Mr. William Johnston, of Cambridge, spent Sunday with his parents, Mr. and Mrs. Frank Johnston.

Miss Mattie Whitaker spent the week-end with her mother, Mrs. Ella Whitaker.

Mr. Joseph Cradock, of Philadelphia, spent the week-end with his family at the home of Mr. and Mrs. J. D. Davis, Sr.

Mrs. Ella Huffman, of Baltimore, is spending some time with her neice, Mrs. George R. Jones.

Mrs. O. H. Connelly and two children, of Millington, are spending a few days with relatives in town.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

WEAK, NERVOUS, ALL RUN-DOWN

Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me.

"I saw after taking some Cardui . . . that I was improving. The result was surprising. I felt like a different person.

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me . . . My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments.

For sale everywhere.
