VOL. LXVI---NO. 24 | CHESTERTOWN, MARYLAND, SATURDAY, AUGUST 26, 1922 | $1.50 PER ANNUM

THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Savings Depositors

We pay Four Per Cent compound interest to all our savings depositors.

We paid $43,059.94 in interest to our savings depositors during the past twelve months.

The rate we pay is at once profitable to you and absolutely SAFE, a combination of qualities that should be attractive. If you have moneyto invest you'll be tempted with promises of much higher rates of income, but with them (as a rule) will always go the chance of loss. Be on the safe side.

POINTS OF A SAVINGS ACCOUNT

1.—Money on deposit is more readily available for any emergency than when invested in other securities.

2.—You can get the full amount of your depoists plus all the interest they have earned. Unlike many other investments, a savings account doesn't fluctuate in cash value.

3.—If you need some money you can withdraw a part of your account without losing the interest on the balance. You can get the cash you need without having to go to the trouble of making a new investment.

4.—Your deposits with us are entirely safeguarded by the financial strength of this institution, which we are prepared to prove to you.

5.—There is no worry about collecting the interest and it is easier to save the interest when it is simply credited in your pass book to your savings account.

6.—You can start your investment in a savings account with us on any business day.

We will also handle your active or checking account to your entire satisfaction. Call and see us.

Very respectfully,

THE THIRD NATIONAL BANK

OF CHESTERTOWN MD.

DIRECTORS.

FARMERS' PICNIC BIG SUCCESS

Large Crowd Gathers At Washington College and Enjoy Big Event—Day An Ideal One

A beautiful day last Wednesday insured the success of the Second Annual Kent County Farmers' Day Picnic. About 1500 Kent Countians gathered on the magnificient grounds of Washington College to take part in the numerous features of the program.

Upon entering the atheltic park, a long line of booth-exhibitions presented a scene similar to that of a fair grounds. The first booth was occupied by John H. Clendaniel, Jr., with the Jewett car; the second by the Noland-Bennett-Russell Motor Co.with Buicks, Chevrolets, the Samson Tractor and implements; the third by John Speicher with Durants; the fourth by H. D. Orem & Son with a large exhibition of Case implements, including a tractor; the fifth by Jones & Satterfield with the I. H. C. line of tractors and implements; the sixth by Graham & Thomas with a good exhibition of farm machinery; and across the field was a Fordson Tractor and Frick Threshing machine in operation threshing wheat.

Perhaps the biggest feature of the day was the Holstein Show staged by the Kent County Holstein Association. This was held under a large tent, which showed the cattle off to good advantage. These were judged by Dr. De Voe Meade, of the University of Maryland and handsome ribbons placed on the winners. Following the judging Dr. Meade gave a most interesting and valuable demonstration of Judging Dairy Cattle, which was appreciated by a large number.

At this time the boys were staging a rare bit of baseball on the diamond.

Miss Engle gave an interesting talk in the auditorium before noon on Citizenship.

The Chetertown Band arrived at 12.15 p. m. and began a concert which was thoroughly enjoyed by all. It attracted the crowd to the beautiful, shady campus, where everyone began opening their baskets and enjoying a wonderful basket picnic dinner with delightful surroundings.

The afternoon program opened in the auditorium with music by the band. Chairman D. W. Ingersoll then introduced the Honorable T. Alan Goldsborough, United States Representative from this district, who spoke on several matters of legislation beneficial to the farmer.

Miss Frysinger, Field Agent of the Department of Agriculture then addressed the gathering on the rural home. The final speaker was Mr. O. B. Martin, of the Department of Agriculture, who was much enjoyed for the humor he mixed with a good talk on developing the agricultural resources on the individual farm in the community and county.

The final event was a baseball game between Kennedyville and Chestertown in which many farmers played with old time form. The game went to the former, 12 to 7, at the end of the sixth inning. Nobody knows what the score might have been if a full game had been played.

The winners of the Holstein Show will be published next week.

CHURCH NOTES

Christ M. P. Church, Chestertown, Rev. N. O. Gibson, pastor. Sunday, Aug. 27: S. S., 10 a. m.; preaching, 11 a. m., subject of sermon, "Christ and the Multitude." E. at 7 p. m., Ralph Usilton, leader, subject, "Lesons From God's Out-of-Doors." There were 105 out last Sunday night and our aim for next Sunday night is 125. Come and be one of that number.

Kennedyville M. P. Church, Rev. J. F. Wooden, pastor. Services for Sunday, Aug. 27: S. S. at 10 o'clock, L. W. Ford, Supt.; preaching at 11 o'clock, subject, "Abstaining from all appearance of evil and why." The C. E. meeting at 7.30 will be led by Mrs. J. W. Urie. The Second Quartely Conference will be held on Wednesday night, Aug. 27, at 7.30. All members are urged to be present.

NOTICE TO THE PUBLIC

Reports have been coming to my attention that persons in Kent County are killing upland plover. This species of game is protected by the Federal Government, and it is unlawful for any person to kill upland plover at any season of the year, as they are protected indefinitely by the Migratory Bird Treaty Act, which is enforced by the Biological Survey, Washington, D. C.

Pesons violating this law will be dealt with accordingly, and it is therefore requested those sportsmen who believe they can be killed should refrain from doing so.

Under the Federal Law there is an open season on yellow-legs, black-breasted and golden plover from Aug. 16 to Nov. 30.

E. J. WATSON,
a26-1t. Deputy Game Warden.

AUTO DISASTER

TWO KILLED NEAR CHESTERTOWN WHEN BIG AUTO TURNS OVER—OTHER MISHAPS IN AUTOMOBILE WORLD ON SHORE DURING WEEK END

During the week-end just past a tidal wave of automobiles swept down the Eastern Shore of Md. in numbers unprecedented and almost uncountable. In the wake of it has been left broken homes, ruined hopes, fatherless children, childless parents, wrecked autos, teams demolished, cattle killed and general disaster to such an extent that our people, for an instant, stood back dismayed and amazed in the presence of this delirium of unbridled speed and unharnessed automania.

Teams and pedestrians, as well as automobiles, were so unsafe on the state roads that many sought other less-frequented avenues for travel as this unbridled host flowed an almost unbroken stream down the main arteries of traffic that lead to Ocean City, while even the by-roads, usually lying peaceful in their quiet, pastoral beauty, furnished their quota to fill the ever-widening human stream, in its mad rush toward the theatres of pleasure and the resorts of recreation.

Beginning last Saturday morning before the first chirp of bird had announced the approach of dawn and not ending until the usual quiet shades of Sunday had flung its fall-like mantel over Kent county, the traffic ceased for but a few hours and that was when sleep demanded its toll of rest. And with such unheard-of traffic, "King Disaster" was verily in his element and held high carnival exactly in proportion to those who participated in the almost endless passing panaramo.

The worst disaster which has ever occurred in this section took place Saturday night about 11 o'clock on the state road near Mr. Julian Jones gate, when Mr. and Mrs. Otis Raymond Hancock were both killed when a Catalac automobile upset. Both were thrown heavily to the road on their heads, their skulls being crushed. With them on the rear seat were three children, who, except for a few bruises, were unhurt. They resided in Philadelphia.

They left Philadelphia after sundown Saturday for Church Hill, Queen Annes county, and intended to spend Sunday with Mrs. Hancock's parents, who reside in Church Hill. From all evidence, the car was proceeding at a somewhat swift pace and probably skidded. It appears as if Mr. Hancock then put on the brakes too hard, stopping the car too suddenly and hurling it from its wheels, causing it to upset and being badly demolished.

They were thrown about 25 feet by the car and killed instantly. The three children, upon the rear seat of the car, were 4, 8 and 11 years old.

Mr. Hancock was a business man of Philadelphia and about 36 years of age. Mrs. Hancock was Miss Katherine Whaley, daughter of Thomas Whaley of Church Hill, and was 33 years old.

As soon as the report reached Chestertown of the accident, a big crowd was soon there, some for curiosity, but a great majority with the hope that they could do something for the ones in trouble.

Mr. Charles L. Dodd took the dead couple to his undertaker shop in Chestertown and prepared the bodies for removal to Church Hill and it was nearly morning before his gruesome task was completed. The children stayed all night at the home of Dr. H. G. Simpers, who was the first physician upon the scene of the disaster.

The funeral of Mr. and Mrs. Hancock took place Tuesday afternoon from the home of Mr. and Mrs. Thomas Whaley in Chucrh Hill.

According to a report in the Wilmington Every Evening, Miss Sarah Tucker, of this town, made a promise to Mrs. Hancock, who was killed on Saturday night in an auto accident and mentioned above, that if anything ever happened to her she would take the 11-year-old son of Mrs. Hancock, who has displayed remarkable fortitude and intelligence during and since the tragedy, and care for him. It is said that the Hancocks were expected to spend the night at Miss Tucker's, across the river, and then proceed to the home of Mrs. Hancock's mother, in Church Hill. When she heard of the terrible accident to Mrs. Hancock, she immediately made preparations to take the boy, if the realtives are willing.

Mr. James E. Morris loaned his auto to a colored employee with the result that on Sunday it was found in a wrecked condition, being almost demolished. It is said to have collided with a Ford auto owned by Mr. Stockton Startt and driven by an employee.

While driving along the state road in Queen Anne's Saturday night, Mrs. Hanson, who resides on the Williams farm, near town, was run into by a car and her team almost demolished. She escaped unhurt.

Mr. Harry Schreiber collided with a carriage Monday and took off a wheel.

It is stated that no less than ten automobile accidents occurred in this section from Saturday until Monday, while down the Shore a train struck an auto and killed four children, leaving the parents unhurt.

The accident mentioned above occurred near Eden, when the N. Y. P. & N. southbound passenger train struck the automobile of Henry W. Jones and killed three little girls, a fourth being so seriously injured that she died late Monday night. Mr. Jones and family were enroute to visit the father of Mrs. Jones when the accident occurred.

PERSONAL AND SOCIAL

Mr. Highland Jewell, of the sales force of the Westinghouse Electric Co., is spending a week in Chestertown.

Mrs. M. C. Ringgold has returned to Salisbury after spending some time in Chestertown.

Mrs. A. E. Physick and Miss Lucy Martin have returned from Virginia, where they have been spending the summer.
