DEMOCRATIC PRIMARIES.

To the Democratic Voters of Kent County.

Pursuant to the action of the County Executive Committee, the democratic voters will meet in their respective election districts and precints, on Saturday, June 3, 1899, between the hours of 2 and 6 o'clock P. M., for the purpose of appointing six delegates from each district to meet in Chestertown on Tuesday, the 6th day of June, 1899, at the hour of 11 o'clock A. M., to nominate one candidate for Senator, two candidates for House of Delegates, one candidate for sheriff, one candidate for county treasurer, three candidates for judges of the orphans' court, three candidates for county commissioners, one candidate for State's Attorney and one candidate for county surveyor. The judges hereby named for each district shall appoint two clerks and shall open and close the polls at the hours herein prescribed, and when the polls are opened, shall receive the votes of all democrats offering to vote whose names shall appear upon the registration books and who shall vote in the district when they are registered, and shall also receive the votes of all young democrats who on account of their age are not now registered but who will be entitled to registration and to vote at the ensuing November election, provided such persons shall give satisfactory proof equal to that required by the officers of registration, to said judges, and shall further pledge themselves to support the nominees, and of none others. And upon the closing of the polls at the hour herein directed, the said judges shall proceed to count the votes cast, and shall certify to the six persons receiving the highest number of votes as delegates, the number of votes cast for each person for the respective offices to be filled. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said Tuesday in June, and cast the vote of the district for those candidates receiving the greatest number of votes until it shall be made to appear that all or part of such persons cannot be nominated. In this event the convention shall proceed to nominate a ticket by a majority vote of the same.

The voters at the primary election on said Saturday, June 3d, shall vote for one person for Senator, two persons for the House of Delegates, one person for sheriff, one person for county treasurer, three persons for judges of the orphans' court, three persons for county commissioners, one person for State's attorney, one person for county treasurer and six persons as delegates to the county convention.

The mode of procedure herein prescribed shall be strictly followed, any other method will not be legal, as this committee has full power so to decree.

The clerk of the circuit court is hereby requested to furnish each election district with the registered voters thereof.

All democrats wishing to be considered candidates in these primaries will give their names to the secretary, for the respective offices to be filed, otherwise their names will not appear on the ballots.

The following were appointed to serve as judges at the democratic primaries to be held Saturday, June 3rd, 1899, from 2 to 6 o'clock P. M.:

1st district, Millington precinct—James Donahoe, Harry D. Hendrickson and John S. Newnam.

1st district, Galena precinct—James R. Hicks, Wm. A. Hyland and B. P. Walters.

6th district—Wm. T. Brice, S. H. Tood and Frank Plummer.

7th district—Richard Groves, J. C. Loud.

WM. S. WALKER, Chairman.
WM. F. RUSSELL, Secretary.

The following changes or substitutions were made because of absence of the regularly appointed members of the committee: Henry Parr and Wm. T. Hicks for E. S. Morris and J. F. Ernest, first district; William Crow, for Alwyn N. Stavely, second district; Wm. A. Smith, for Enoch N. Roland, fourth district; John Wood, for James M. Wood, fifth district; M. M. Rasin, for S. H. Todd, sixth district, and A. C. Loud, for J. J. Goodman, seventh district.

☞NOTICE.—The Secretary of the County Executive Committee, Mr. Wm. F. Russell, Chestertown, was directed to have tickets printed for the primary with the names of all the candidates thereon and committees.

Names of all candidates must be handed to him together with the proportionate cost for primary expenses, which is estimated at three dollars each. These costs include tickets and about $25 for copies of registration lists.

The names of all candidates should be in the Secretary's hands on or before Saturday, May 27.

It is understood that the candidates for county commissioners will be voted for only in the first, second and fourth districts—in their respective districts.

In the first district the custom in the past has been to accord three delegates to each precinct.

WILLIAM S. WALKER, Chairman.

THE BOARD of election supervisors met on Tuesday for the purpose of naming the registers of voters for the respective districts of the county. The lists were not all complete and the board adjourned to meet again on Monday, June fifth.

AN UNSIGNED communication has been received from Galena, relative to the Washington-Western Maryland College base-ball game. It is regretted that the writer failed to sign the communication, as it is a rule which cannot be violated that all communications for publication must bear the name of the writer.

THE LONG DELAY in making the appointment of a postmaster for Chestertown has given rise to mysterious speculations. Some gentlemen are disposed to stake money that that staunch representative of pure republicanism, Justice Ben. N. S. Wilkins, will be the name of the next postoffice official. W. H. Lambert, Jr., is still in the fight. The friends of Mrs. Lucas are still active.

THE NEXT LEGISLATURE will be called upon to amend the law relative to the foreclosure of mortgages. The vicious and inequitable clause which sweeps away the crops and inaleinable rights of the tenant in the event of a foreclosure of a mortgage upon tenanted property, should and will be remedied. The present law works a hardship upon the tenant without any corresponding benefit to the mortgagor.

THOUGH CHESTERTOWN was not crowded on Tuesday, active political representatives were much in evidence and carefully canvassed the situation. Of course the champions of the respective candidates were making enthusiastic claims,—indeed, some were disposed to claim everything, and more too, were that possible. It were safe to say at this stage of the contest that all forecasts are the veriest speculation. The conditions are shifting and no man can with any degree of certainty pick winners in the June primaries.

A Book on Poultry

Containing 100 pages, a beautiful lithographic plate of a group of different fowls in natural colors, engravings of all kinds of land and water poultry, descriptions of the breeds, plans for poultry houses, how to manage an incubator, all about caponizing, and the value of the different breeds and where to buy eggs from the best stock at $1.60 per 13, will be mailed to any of our readers for 15cts. by addressing the Associated Fanciers, 237 South Eighth Street, Philadelphia, Pa.

Refuses to Serve.

Mr. Richard T. Turner, positively declines to serve as a candidate on the Prohibition ticket for the State Senate. Mr. Turner's reasons for declining the honor are not made public. A candidate for Senator on the ticket to fill Mr. Turner's place will be named later.

IN SPITE of her long experience Kent may still go to Queen Anne for points on politics. The political situation across the Chester is truly "red hot." The county clerkship is the bone of contention, and in about five of the seven districts the probabilities are that there will be three candidates in the field in the primary battle. In the Church Hill district ex-County Commissioner W. Harrison Newnam, Senator Wood P. Finley and ex-Clerk of the Court S. C. Dudley, are in the fight. In Centreville district Clerk of the Court Wm. H. Cecil, Edward B. Emory and ex-Senator W. T. P. Turpin are leading the forces.

ANOTHER CANDIDATE is the result of Tuesday's canvass of the political field. Up to Tuesday one vacancy remained in the Orphan's Court, there being three places to be filled and only two candidates, Mr. Samuel Burgess, the present efficient member of the court, and Mr. Victor Hendrickson. On Tuesday, in response to the appeals of a number of party friends, Mr. John S. Newnam, one of the most representative farmers and citizens of near Millington, took the field as a candidate for the third place. This leaves but one place on the ticket unfilled by a candidate, that of a second member in the State Legislature. Representative George E. Noland, whose record in the last House was so conspicuous for its vigorous work in behalf of his constituents and the people of the entire State, announced himself a candidate early in the campaign, and up to this time no candidate has appeared in the political arena for the second place.

A SPRINKLER FOR THE STREETS is a matter of supreme importance to every citizen of Chestertown. The long, heated months of summer are near at hand, and if the sprinkler is to come at all it should be provided at the very earliest possible moment. The health and comfort of the entire people demand that some remedy should be adopted against the dust-laden air which makes life a trial, and doubtless stands as a menace to health. The fact that Westminster has abandoned her system is not of necessity a reason why the adoption of the sprinkler in Chestertown is not thoroughly practical. In the first place, the Western Shore town has turnpike and cement roadways, rendering the nuisance from dust much less than in towns having dirt roads; and in the next place, the method adopted there is thoroughly impractical here. An increase of five cents on the hundred dollars would, while falling lightly upon the tax-payers, give a fund of five hundred dollars, ample to defray the expense of running the sprinkler four months. Then, too, it would result in those most able to give, contributing most to this great necessity, and at the same time the smallest and humblest tax-payer will do his part. A sprinkler is a practical necessity, and the ladies should be aided in every way possible in their splendid work of securing this greatly needed item in the proper equipment of the town. The children and the aged would be vouchsafed comforts heretofore unknown by this change in the condition of the streets during the dry and heated season. Let us have a sprinkler, and that soon.

A MAJORITY OF THE CANDIDATES for places on the democratic ticket this fall, were in Chestertown on Tuesday, and it was proposed that so far as possible the candidates meet and arrange their delegations. The meeting was held in the office of Lewin W. Wickes, Esq., but because of the absence of representatives from several of the districts only the first and fifth districts succeeded in completing their lists of delegates. These two districts have all details arranged for the great struggle of the ballots, and the gentlemen are left free to attend to more important matters. Mr. George E. Noland was not in town, the seventh district was not represented, and in consequence the second, third, fourth, sixth and seventh districts will complete their lists of delegates at a meeting which will take place in Chestertown on Wednesday next, for that purpose.

The candidates so far officially announced are:

State Senate—Harrison W. Vickers, fourth district, and William T. Hepbron, second district.

Lower House—George E. Noland, sixth district.

County Commissioners—Samuel Todd and Thomas Roe, first district; John McGugan and William Cleaver, second; John Brice and John Bell, fourth district.

Orphans' Court—John S. Newnam, first district; Victor Hendrickson, fourth, and Samuel Burgess, fifth district.

Treasurer—James T. Ireland, third district; George W. Hatcherson, fourth district, and Frank H. Greenwood, fourth.

Sheriff—Charles L. Gill, second district; Benjamin Coburn, J. D. Kelley and J. W. McClary, fifth, and L. J. Keyser, sixth district.

[COMMUNICATED]

THE TOWN SPRINKLER.

The ladies having in charge the purchase of a street sprinkler have addressed a letter to the commissioners of Chestertown, stating that they have the funds necessary to purchase a first-class sprinkler, costing between $200 and $300 with a capacity of 600 gallons, but the ladies stated in their letter that they desired from the commissioners, before expending this large sum of money, an assurance that they would accept the sprinkler, and see that it is run in dusty weather by the town authorities. The ladies in charge of this matter are: Mrs. James A. Pearce, Mrs. William J. Vannort and Mrs. William R. Aldridge. The commissioners discussed the matter, but in view of the recent publication of an article showing that Westminster has abandoned the sprinkler, because of its expense, no definite conclusion was reached. Westminster is a much larger town than Chestertown, and the hills are exceedingly steep and precipitous, thus the expense of a sprinkler in that town is hardly a fair comparison with the expense of a sprinkler here on our level roads and streets. It has been stated that Mr. Edward Robinson, near town, would contract, if furnished with a wind-mill or gasoline pumping engine, which would cost about $150 or $200, put in at the wharf, to run the sprinkler for less than $400 a season.

A PARENT AND CITIZEN.

Many old soldiers now feel the effects of the hard service they endured during the war. Mr. Geo. S. Anderson, of Rossville, York county, Penn., who saw the hardest kind of service at the front, is now frequently troubled with rheumatism. "I had a severe attack lately," he says, "and procured a bottle of Chamberlain's Pain Balm. It did so much good that I would like to know what you would charge me for one dozen bottles." Mr. Anderson wanted it both for his own use and to supply it to his friends and neighbors, as every family should have a bottle of it in their home, not only for rheumatism, but lame back, sprains, swellings, cuts, bruises and burns, for which it is unequalled. For sale by M. A. Toulson, druggist.

SUBSCRIPTION to the TRANSCRIPT $1.00 per year.

FAIRLEE ITEMS.

MESSRS. EDITORS:—Things are very much the same around Fairlee. The roads are still in their unfinished condition, the abutments of the bridge just below this place are, however, nearing completion, and we understand that the bridge builders are expected in a few days, to place an iron bridge there.

The condition of the surroundings of the school house are unchanged, while the flag floats over the building, to teach those lessons of patriotism necessary for the full development of the rising generation. There is apparently no effort being made to provide comfort for or teach neatness to the children, at least by object lessons, as the grounds are in an unkept condition, and no water on the premises.

C. B. Lamb has about finished his out-buildings and addition to his already handsome dwelling, which he is now painting.

Contractor A. M. Kendell is building a school house at St. Paul's church.

Keyser & Bramble are putting up wind mills for Mrs. Wilkins, in Quaker Neck. They handle the "Maud S" wind mill and claim for it certain features not found on others, especially in the construction of the tower.

Our new preacher, Rev. J. D. Arters, conducted services at Salem both morning and evening on Sunday. Children's day will be June 11. The Mite society will have their annual outing and fishfry in the near future.

Georgetown Items.

Mr. L. C. Hayes has finished thinning corn, and in this respect leads the district, so far as we know.

The fishermen are returning home from the fishing shores after a season of hard work. The season has been fairly good and the returns are correspondingly large.

The children of our Sunday school are practicing a delightful programme for Children's Day. JOE.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Cure be sure and get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle. Hall's Family Pills are the best.

To the Democratic Voters of Kent Co.

IT HAS BEEN RUMORED about that I am in the contest for Treasurer in the interest of some one else. Now I honestly contradict this rumor. I am in the contest for myself alone, and in the interest of no one but myself, and expect to stay in until it is over; and I would like for you all to give me what support you can. You all know that I am qualified and competent to fill the position, and would fill it *myself* satisfactory to the tax-payers of Kent county. I have been voting and working for the best interests of the party for thirty-five years, and have never held an office from the people of Kent, and this is the first time I have ever asked for one, and I now appeal to you for your support in this contest. Respectfully,

FRANK H. GREENWOOD.
