CALL FOR

DEMOCRATIC PRIMARIES,

The Democratic Voters of Kent county are requested to assemble at their respective polling places in each election district, on

Saturday, the 22d day of July, 1899,

at 2 o'clock P. M., for the purpose of selecting six delegates from their respective districts to meet in convention to be held at the Court House in Chestertown, on Tuesday, the 25th day of July, 1899, at 12 o'clock noon, to select delegates to represent the county in the Democratic State Convention, which will be held in Baltimore on Wednesday, the 2d day of Aug., 1899, for the purpose of nominating one candidate for Governor, one candidate for Comptroller and one candidate for Attorney General. Where there are two precincts each precinct will be entitled to three delegates.

RICHARD D. HYNSON,
WILLIAM E. KEYSER,
TILGHMAN SHAFER,
Democratic State Central Committee for Kent County.

BALTIMORE CITY will have four executions on July 28th.

THE CENTREVILLE RECORD takes issue with the statement made as to the landed possessions of Captain Andrew Woodall. Our Centreville contemporary is correct, the amount should have been about nine thousand acres, and not ninety thousand as published.

IF ANY KENT COUNTIAN has a silver dollar of the coinage of 1804, he possesses a small fortune. A silver dollar dated 1804 was received a few days ago by A. Altman, a local dry goods clerk in Wisconsin, and he has just sold it for $1000. Only one other silver dollar of that date is in existence.

THE BALTIMORE CITY AUTHORITIES threw out a valuable hint to President McKinley on the Fourth. They drew a distinction between noise and patriotism, a thing which the chief executive has persistently failed to do. The President might with great profit to the people, go a step further and work out the difference between political clap-trap and patriotism as practiced by the chief executive of a once great country.

ANNAPOLIS REPUBLICANS are dazed by the probability that they will have no candidates on the official tickets to be voted at the approaching municipal election. The tickets were printed on Friday with only the democratic candidates on them, the republicans having forfeited their right by failing to file their nomination papers within the ten days prescribed by law. Under the circumstances the Republicans have two alternatives—writing their names on the blank spaces in the Australian ballot, or applying to the court for mandamus, which has been done.

THE PRACTICE which has prevailed during the summer of irresponsible colored boys racing overworked horses through the streets, has become an intolerable nuisance on Washington avenue and should be stopped. This section of the town has been transformed into a veritable race course, and on several occasions accidents of a serious nature have been narrowly averted. The doys are often boisterous and profane, and apart from this, the dilapidated animals which they so unmercifully ride are subjects for kindness and mercy rather than brutal treatment. The attention of the town authorities are respectfully called to this nuisance.

THE COUNTY TAX-RATE.

At a special meeting of the board of county commissioners held on Thursday, the county tax rate was fixed at 95 cents on the hundred dollars. This added to the 17½ cents on the hundred, State tax, gives a total of $1.12½, the same as last year.

The decision made by the circuit court that all private securities shall be assessed at 50 per cent, of their face value, will effect the total taxable basis to the extent of $250,000. All taxes heretofore paid on the erroneous taxable valuation of these securities will of course have to be refunded.

The delay in fixing the rate has been caused by State Tax Commissioner Graham in making his report on corporations to the board. The time having expired for delays the county officials were forced to go ahead and await developments.

THE GLORIOUS FOURTH.

Generally Celebrated and Enjoyed Throughout the County.

Though hot and dusty, the great national holiday was quietly but generally celebrated throughout the county. Many from Chestertown visited Tolchester and Betterton, while others remained at home for needed rest. The town was nearly deserted. At night a beautiful exhibition of fireworks took place on the spacious lawn of Hope H. Barroll, Esq., which was greatly enjoyed. Other minor displays took place.

It is estimated that thirteen thousand people were at Tolchester. Governor Lowndes and Hon. John Walter Smith were not there, but in response to a call by Dr. J. H. Hessey, Hon. Lloyd Wilkinson made a short but eloquent address.

BETTERTON'S GREAT DAY.

Not within the history of Betterton, the beautiful up-the-bay resort, was the crowd ever so great or the day more thoroughly enjoyed. On Saturday the great rush commenced from the city. In order that some idea of the crowd at this popular resort may be partially, at least, appreciated, at the New Chesapeake House over three hundred persons took dinner, while the Betterton House, Hotel Wilmer and private homes were largely patronized. Persons from distant sections of the county were there as well as from Baltimore and Philadelphia.

The graceful Susquehanna and the always popular Sassafras brought large numbers, while some came by the Ericsson Line.

The first event was an interesting game of base-ball between the strong Galena club and the Betterton Invincibles. The following is the history of the game:

	1	2	3	4	5	6	7	8	9	
Galena,	1	3	0	1	0	0	0			5
Betterton,	4	4	2	0	0	0	0			10

The playere were:

Galena—Whitaker, c; Hoover, ss; Scotten, 2b; Massey, 1b; Pinder, p; Vansant, rf; Woodall, 3b; Boyer, cf Hayes, lf.

Betterton—Owens, c; Wheeler, 2b; Atwell, lf; Moore, p; Turner, ss; C. Crew, 3b; Gough, 1b; B. Severson, cf; Kiker, rf.

In the boat race were the following contestants: Capt. Harvey Brice, in the Sadie; Capt. Frank Meeks, in the Nancy Hanks; Capt. John Brice, in the Annie; Capt. Medford Crew, in the Adonis; Capt. G. W. Owens, in the Ida; Capt. J. M. Sutton, in the Lenora; Capt. J. H. Crew, in the Emma and Capt. J. A. Bowman in the Estelle. Capt. Bowman's sprit was carried away and his time is not given. Capt. Harvey Brice came in first, having covered the five mile triangular course in 32 minutes and ten seconds, Capt. Meeks came second in 32 minutes and twenty seconds, Capt. John Brice third and Capt. Medford Crew fourth.

Major William E. Stewart, of Easton, was the orator of the day and made an eloquent and patriotic address. The chairman of the meeting was J. W. F. Cooper, vice-presidents, Messrs. Eben Crew, Alexander Wheeler, James T. Brice, John H. Crew, Thos. E. Norris, J. S. Johnson, Jos. W. Howard, E. A. Corey, Howard Turner, W. J. Shaw.

The people were delighted with Major Stewart's masterly grouping and review of national events.

At night the New Chesapeake House was ablaze with light and a grand ball was held in the spacious dining hall. Splendid music was furnished by the McCauley orchestra composed of Miss Daisy McCauley, pianist; Miss Jennie McCauley, violin, and Mr. Andrew McCauley, cornet. Fine music was furnished in the New Chesapeake House all day by musicians from New York.

A SERIOUS MISTAKE.

Mr. Enoch Roland Mistaken for a Burglar and Shot While Going for a Doctor for a Sick Child.

Mr. Enoch Roland, a member of the butchering firm of Roland Brothers, Chestertown, was shot under peculiar circumstances at about one o'clock on Sunday morning. The shooting gave rise to various rumors, statements and misstatements in regard to details, and in order that rumor may not be given currency to the disparagement of either party to the unhappy affair, the TRANSCRIPT gives below the corrected statement of both Mr. Roland and the officers:

Mr. Roland and his wife board at the home of Mrs. William T. Matthews, Mr. Roland's sister, corner of Maple avenue and Cross street. When seen on Monday Mr. Roland gave the following detailed account of the shooting: "About one o'clock on Sunday morning Crook Matthews, my sister's seven-year-old son, was taken ill with convulsions and I was called to go for the doctor. I dressed myself quickly, fastening my clothes as I went from the house and walked down to the street. I closed the door behind me, walked off the porch hurriedly, and until I reached the middle of the road. When in the road I hastened to a brisk trot down Maple avenue toward Dr. Hines'. When just past what is known as the Vannort lot, I heard two pistol shots closely followed by one call of 'halt'. Up to this point I had neither seen nor heard a solitary soul on the street. There were only a few seconds between the two shots. I stopped, turned round and saw Officers Dill and Cooper walking down the road toward me, and asked them what they wanted. I asked a second time what they wanted, without receiving a reply. I recognized both of them. They made no reply and I started on in a brisk walk (I may have gone in a trot, but I don't think so). I had not gone ten yards before the third shot was fired and I was struck in the left arm just above the elbow. There was no call of halt before this last shot; the call came immediately after. In response to this last shot and the subsequent call I stopped and the two officers came up and took hold of my arms, one on each side. Cooper asked if I was hurt. I answered, 'you men have shot me.' I then said, 'What do you fellows want?' They answered, 'We want to know who you are,' to which I answered, 'I suppose you know who I am now, let go me, I am after a doctor.' They then released me and I ran on to Dr. W. F. Hines', told him that Crook needed him, and showed him my arm. Officer Cooper followed me to the house and expressed his regret at what had happened. These are the facts of this case as I know them."

The officers, when seen, stated that they were on special duty in that section at the special request of citizens of the neighborhood who complained of certain acts of lawlessness. Continuing they said: We were in the alley which runs into the old Perkins Hall site about 2 o'clock Sunday morning. Everything was quiet when all at once we heard a scream and some one crying. In a very short time a man rushed out from Mrs. Matthews' home, slammed the door and rushed into the street and continued to run down Maple avenue toward Queen street. The whole circumstance struck us as suspicious and we at once gave pursuit, calling all the time to the man to halt. He ran faster than either of us could and after going about half a square we decided that something had better be done, so after continuing to call to him to halt two shots were fired into the air for the purpose of intimidating him. He had never halted, and so far as we could hear, had never uttered a word. His pace was still kept up, and after following him to a point nearly opposite Mr Rickey's, at the corner of Maple avenue and Queen street, all the time calling to him to halt, another shot was fired and the party, who proved to be Mr. Enoch Roland, stopped. This was the first idea we had had as to the identity of the man whom we had been pursuing. We hastened up to Mr. Roland and were told that he was shot in the arm. One of us then offered to go for the doctor for him, but he refused. These are as far into the particulars as it is necessary to go. We at no time had any idea that the man was a personal friend, and deeply regret the unfortunate occurrence."

"We have sold many different cough remedies, but none has given better satisfaction than Chamberlain's," says Mr. Charles Holzhauer, Druggist, Newark, N. J. "It is perfectly safe and can be relied upon in all cases of coughs, colds or hoarseness. Sold by M. A. Toulson, druggist.

Copper will spend the time with his parents near Chestertown.

OCCASIONAL.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed for ever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The Kent County Savings Bank is subject to the same examinations as the National Banks of this county, and is also annually examined by a committee of its Directors, who are distinct and separate from its Board of Directors.

Look at These New Features!

On Tuesday, May 9th, 1899, a full meeting of the Directors of this bank decided to pay

Two Per Cent. Interest Per Annum On Accounts Subject to Check.

These accounts are to be subject to check at any time, for any amount without notice, and 2 per cent. will be paid on balances of $50 and like amounts.

SPECIAL DEPOSITS may be made with the bank for 12 months or longer, on which we

Will Pay 4 Per Cent Interest Per Anum.

It is our determination to do an absolutely safe business and to pay our depositors the best rates of interest consistent therewith.

We desire you to become a depositor in the only Savings Bank in Kent county, and shall be glad to communicate or talk with you concerning our methods of transacting business.

Very respectfully,
J. K. ALDRIDGE, President.
WM. F. RUSSELL, Cashier.

Honesty is the Best Policy.

HONEST GOODS, honest prices and honest dealings will surely bring success. Every hour proves it. The last days of the nineteenth century show nothing more clearly. We believe this fact and our works demonstrate our belief. Our goods are warranted to be exactly as represented, that is honest; our goods are guaranteed to give perfect satisfaction, that is honest. If any article of jewelry of our manufacture does not give perfect satisfaction we will refund the money paid for such articles; that, too, is honest.

T. S. BORDLEY has a complete assortment of our goods in his store for sale at prices that defy competition. These goods are made from rolled gold, gold filled or solid gold stock and are warranted to give perfect satisfaction or the money will be refunded.

If this notice should reach any one living too far away from Mr. Bordley's store, or any other customer of ours, to permit their purchasing the goods of our customers, we will sell the goods at retail to such persons, under the warranty, and deliver by mail. We will also send printed instructions as to the care of the jewelry, how to clean it, etc., on application.

SOMETHING NEW

AND FULL WORTHY OF TRIAL

CREAM SEPARATED FROM MILK BY GRAVITY PROCESS.

No cranks to turn, no ice needed, no machinery to get out of order, no oiling, no repairing, no speed regulations needed, no need of an extra supply of brains. It is simply a tank with a faucet and two glass windows, and is made of the very best brand of heavy tin (4x Marlboro brand) well-made, therefore durable, easily cleaned, a great labor saver. The refuse milk is a better calf feed as it is sweeter than the refuse milk from steam creamery. You can carry the cream to the creamery in one or two cans and but one trip per day in place of two trips, and 6 or more cans each trip. Ponder well over this matter. I will put out for trial one dozen tanks. Now as to prices.
