EASTERN SHORE INTERSCHOLISTIC TRACK AND FIELD MEET, WASHINGTON COLLEGE MAY 19, 1923

Washington College is holding its second annual "Eastern Shore Interscholastic Championship Athletic Meet" at Washington Field on Saturday, May 19, 1923. The meet will begin promptly at 12 o'clock.

The entry list is open, not only to the winners at the county meets, but also to any and all bona fide students who can meet the age and weight conditions. We are using the same age and weight classes as the Public Athletic League, so that any boy competing in his county meet should be eligible to the same class in the Eastern Shore Meet.

Our meet is given with the approval of the Public Athletic League, and is in no way intended as a substitute for the State Meet at Homewood in June. Our entries are confined to the Eastern Shore of Maryland and Virginia—an attempt to build up athletics among our home boys.

Suitable medals will be awarded to the winners—gold for first place, silver for second place, and bronze for third place. These medals will be distinctive emblamatic of the championship of the Eastern Shore.

Lunch will be served at 11 a. m. to all those taking part. In case of the three lower counties of Maryland—Worcester, Wicomico, and Somerset, and the two counties of Virginia—Accomac and Northhampton, we will furnish entertainment and lodging over Friday and Saturday nights provided we are notified at least a week in advance as to the number desiring this accommodation.

We are anticipating a much larger list of enteries than last year. To properly register and program this list requires quite a little time. Hence we are asking that you return the entry blank properly filled out as soon as possible, in no case later than Saturday, May 12. Since in many cases the names are unfamiliar to us, we would appreciate it if you would take the trouble to typewrite the entries.

Feeling that the success of the meet depends largely upon your interest, we wish to thank you for your co-operation and enthusiasm in the past, and to invite you to be with us this year. Come out, and put your school and county at the top of the list of winners.

THE EVENTS AND REGULATIONS ARE AS FOLLOWS:

Events:—

80-Pound Class:— 50-yards Dash, Standing Broad Jump, 440-yards Relay Race, (4 boys).

95-Pound Class:— 60-yards Dash, Standing Hop, Step, and Jump; 440-yards Relay Race, (4 boys).

115-Pound Class:— 70-yards Dash, Running Broad Jump, 660-yards Relay Race, (4 boys).

Junior Unlimited Class:— 80 yards Dash, 220-yards Dash, Running High Jump, 8-pound Shot Put, Medley Relay Race (4 boys), Nos. 1 and 2, 220 yards, Nos. 3 and 4, 110 yards.

Senior Class:— 100 yards Dash, 440 yards Run, 880-yards Run, Running Broad Jump, Running High Jump, 12 pound Shot Put. One Mile Relay Race (4 boys).

Regulations:—

It is agreed that boys shall be classified according to their age and weight. Boys who were 16 on or before January 1, 1923, are considered as seniors; all other boys are juniors.

The juniors are divided according to their weight into four classes—eighty pounds and under; ninety-five pounds and under; one hundred and fifteen pounds and under; and unlimited weight.

Boys will be weighed on the day of the meet in the costume in which they are to compete, and must not be over that weight.

No boy who has reached the age of twenty-one years is eligible to compete. A boy must not represent his school after he has become a postgraduate student. A boy must have been a bona fide student since February 1, 1923.

A boy may enter only two events in the meet—one running and one field event.

Relays will count the same as other events—5, 3, 2, and 1.

Events will start promptly at twelve o'clock.

BUSINESS MEN'S ASSOCIATION MEET WITH PENNSYLVANIA R. R. OFFICIALS

The Business Men's Association met with Mr. Miller and Mr. Dunbar, of the Pennsylvania R. R., Tuesday afternoon for the purpose of bringing about cooperation between consigner, consignee and the R. R.

The Rail Road through Mr. Dunbar said that they faced a serious car shortage in the early fall when shipping would be at its height and only with cooperation of the public, could this be met and overcome.

The way the public can cooperate is to load and unload the cars as soon as possible after they reach their destination, and not to hold them the whole grace period of 48 hours, if they can be unloaded in 12 hours.

Another point brought out was that, when possible, to load the cars to full capacity instead of about a three-fourths olad, as was generally the custom. He also urged the public to buy their coal and have it delivered as soon as possible and in that way they greatly relieve the car shortage next could greatly relieve the car shortage next fall. Mr. Dunbar told of some instances where coal dealers had already delivered 75 or 80% of their coal for the year.

In return the association asked: 1. For a daily freight service between July 10th and the middle of Sept. to take care of the wheat and fertilizer shipments which have been delayed in the past due to the three day a week freight service. 2. The Installment of a small power unit such as a Fordson tractor on car wheels, which has been used in other parts of the country, for the purpose of shifting loaded and empty cars on sidings in order that shippers will not have to wait for the freight engine to shift but can load continuously. 3. The building of a larger loading and unloading platform at the station in Chestertown. 4. The possibility of the Railroad Companies' cooperating so that cars of the different companies when unloaded in a yard, can be loaded again. This will help relieve the car shortage and save the expense of hauling empties. 5. The regulating of freight rates on a ton-mile basis, so that shipments can be made between towns on the Eastern Shore at a reasonable rate.

STILL POND

Mr. and Mrs. Wm. Marshall, of Trenton, N. J., spent last week-end with Mr. Charles Norris and sister.

Mr. Howard Toulson spent several days this week in Baltimore.

Mr. Stanley Matthews, Jr., of Annapolis, spent last week-end at his home.

Mr. Millard Wilmore is spending some time with his niece in Annapolis.

Miss Gladys Culley, of Galena, spent last weekend with Miss Mabel Norris.

The Ladies Aid Society met at the home of Mrs. F. B. Harper on Wednesday afternoon with a good number present. This was a very good meeting and the membership is increasing. The regular monthly business and social meeting of the E. L. will meet in the Sunday School room on next Friday evening following the prayer service as usual.

Miss Sophia Miller met with an accident on Monday while returning from school when her horse became frightened, upsetting the carriage. Although badly bruised and cut, Miss Miller was at her place of duty on Tuesday.

The reception given by the E. L. on last Friday evening to Rev. and Mrs. Shockley was well enjoyed by a good number.

The devotional service of the E. L. will be led on Sunday evening by the pastor.

—The first sturgeon of the year was caught recently in the Delaware river by fishermen. The fish was a roe variety and measured 10 feet and 6 inches. One hundred pounds of roe were obtained which brought about $3 per pound.

GALENA PLAYGROUND OPENING

Event To Take Place On Friday Afternoon, May 11

The Galena Community Playground will be opened for this season Friday afternoon, May 11. Plans are being made for a gala day such as Galena has not known for years. The opening exercises will be featured by a field meet to which all the neighboring schools are invited, and the schools are especially invited and urged to send teams to compete in the different events. A shield will be given to the school winning the most points. The tentative program is as follows:

2.00—Flag Raising Exercises, school children participating. Patriotic address.

3.00—Volley ball game between high schools, girls vs. girls, boys vs. boys.

3.30—Dodge ball game between elementary schools, boys vs. boys, girls vs. girls.

4.00—Races as follows:
(a) 50 yd. dash for boys in 80-lb. class.
(b) 30 yd. dash for girls under 11 years.
(c) 100 yd. dash for Junior unlimited.
(d) 50 yd. dash for girls, Junior unlimited.
(e) 440 Relay for boys 12-14 years.
(f) 880 Relay for boys 14-17 years.
(g) Mile relay for boys in Senior class.
(h) Racing events free for all.

4.30—Contests and athletic events.
(a) All up relay for girls 12-14 years.
(b) Base ball throw for distance, for accuracy, junior class.
(c) Broad jump for boys 12-14, 15-20.
(d) High jump, running, for boys 14-17, 17-20.
(e) Volley ball throw for distance, for girls under 12, girls 12-14.
(f) Tug of war for Junior and Senior boys, for men.
(g) Pass ball relay for women.
(h) Wheelbarrow race for men.

Medals will be given to the winners of the different events. Schools entering teams will please notify Rev. Geo. E. Sterling, Galena.

6.00—Directed play.

7.30—Entertainment on the playground. A May pole drill by twenty-four young ladies will be given. Recitations, solos, addresses on community co-operation and a band concert. Admission to the ground will be charged in the evening; children 10 cents and adults 25 cents.

Come and join us in a good time and witness these interesting events. Bring the "kiddies," have your supper in picnic fashion and stay for evening program. It will be an event that you cannot afford to miss.

—Through the War Dept. in Washington last week came a silver star for Capt. Harry C. Butler, of near Queenstown, for bravery in the late war.

FORD

The Announcement of Interest to Millions of Families

"I will build a car for the multitude," said Henry Ford in 1903—Read how the fulfillment of that prophecy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your Ford Car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little. Why not start today. Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a Ford car.
