QUESTIONS AND ANSWERS.

The New York Sun Answers Some Interesting Queries.

1. Where is Majuba Hill located in South Africa? 2. Who was in command of the British forces at the battle of Majuba Hill? 3, Who commanded the Boer forces at the same battle? 4. How many men were engaged on both sides and what cannon had they, if any? 5. What is the word Bahadur? the name of a place or is it Anglo-Indian slang? If the first, what did Lord Roberts do there to be called "Bobs Bahadur?" If the latter, what is its meaning in connection with Lord Roberts?

1. In the Drakensburg Mountains, between the Orange Free State and Natal; in about latitude 27° 45 south, longitude 29° 40 east. It is a conical hill with a depression at the top. 2. Major Gen. Sir George Pomeroy Colley. 3. Commandant General Joubert, who has just died, was in chief command; Gen. Smits, now dead, commanded the attacking force. 4. About 600 British, about 150-200 Boers. They had no cannon. 5. Bahadur means "brave officer," "champion," and was giyen as a title of honor. The last person of importance bearing the title officially and correctly was Sir Sala Jung Bahadur, Prime Minister and actual ruler of Nepaul. The title was given to Lord Roberts probably by some of the native troops of his command in 1879, as a mark of honor, just as Hooker was called "Fighting Joe" by his soldiers.

What was the "Black Death?"

The "Black Death" was an epidemic disease, first experienced in Europe about 1346, when it appeared in Sicily; it reached Constantinople and Italy in 1347; Spain, France, Germany and England, in 1348. The exact nature of this plague is not known; it is thought to have been a bubonic plague, with various elements not always present in bubonic fever. The name "Black Death" is not of contemporary origin, and is not known outside of English-speaking countries. It was given to the plague by Mrs. Markham in her History of England published in 1823.

Can you furnish me with a list of the mistresses of the White House (first lady of the land) and dates of occupancy since Martha Washington to date?

Martha Washington was never in the White House. Abigail Adams was the first "Lady of the White House," 1800-1801. After her came Martha Jefferson Randolph, 1802; Mary Jefferson Eppes, 1803; Mrs. Randolph again, 1803-4 and 1805-6; Dorothy Madison, 1809-14; in 1814 the House was burned by the British. Its next "lady" was Elizabeth Monroe, 1817-25; Louisa Adams, 1825-29; Emily Donelson, 1829-37; Sarah York, 1829-37; Angelica Van Buren, 1839 41; Priscilla Tyler, 1841-42; Letitia Semple, 1842-44; Julia Gardner Tyler, 1844, March 1845; Sarah Polk, 1845-49; Elizabeth Bliss, 1849 50; Abigail Fillmore, 1850-53; Jane Pierce, 1853 57; Harriet Lane, 1857-61; Mary Lincoln, 1861-65; Martha Patterson, 1865-69; Julia Grant, 1869-77; Lucy Hayes, 1877-81; Lucretia Garfield, 1881; Mary McElroy, 1881 85; Rose Cleveland, 1885-86; Frances Cleveland, 1886-89, and 1893-97; Caroline Harrison, 1889-92; Mary McKee, 1892-93; Ida McKinley, 1897.

I was born of American parents, in the United States, and am 13 years of age. Am I now legally a citizen of the United States of America or not until I am 21.

You are a legal citizen of the United States; being a minor, you have not the right to vote yet.

A bets B that there were more Union officers killed, wounded, missing and prisoners at the battle of Gettysburg, than the English have lost in the entire Transvaal campaign, up to and including March 1, 1900.

The loss of officers, killed and wounded, at Gettysburg, was 27 per cent. of the original strength of officers. Apart from these figures, we find no suggestion as to the actual loss of officers at Gettysburg. But as the officers formed about 5 per cent. of the strength, and lost about 6 per cent, it would appear that their loss was about 1,300. The British losses in killed, wounded and missing, up to March 1st, amounted to 12,834.

Has Congress provided for a national celebration in this year of the establishment of the seat of Government in the District of Columbia? If so, when does it take place?

Congress has not provided for a national celebration, but under Mr. Hoar's management a committee from the Senate, the House and the residents of the District of Columbia, will celebrate the transfer of the seat of Government to Washington in December.

Election comes on the 6th of November this year and my birthday on the 8th, making me 21 years of age. My friend says I can vote for President, but I don't agree with him as my birthday comes two days after election day.

Your friend is wrong. If your birthday was Nov. 7, you could vote on Nov. 6; but the law is not consistent, and you are born a day too late.

1. A bets B that the name Lisle, as applied to certain kinds of hosiery, is used to designate the weave or stitch used in manufacture. B. says that the name Lisle is simply a trade mark. 2. Can you give me any information as to the nationality of the name Lisle. A maintains that it was originally French.

1. As originally used, the name was given to "a fine hard-twisted linen thread" made at Lille or L'Isle, in France. The name is simply a commercial name now—not a trademark in law, however. 2. The name Lisle or Lille is French, and means "the island," the reference is to the islands in the river Deule, on which the city stands.

It's Worse For a Woman

To suffer with skin disease than it is for a man, for a smooth skin and a clear complexion are essential elements of female beauty. When the taint of scrofula is in the blood it will be sure to show itself soon or late. Often its manifestations are as repulsive as they are painful. Many people have been cured of scrofula in its most malignant forms by the use of Dr. Pierce's Golden Medical Discovery. This remedy is remarkable for its power to purify the blood. It absolutely eliminates the corrupting elements. It makes the blood clean and rich. It increases the action of the blood-making glands, and so increases the quantity of pure blood supplied to the body.

"I will forever thank you for advising me to take Dr. Pierce's Golden Medical Discovery," writes Mrs. Jas. Murphy, of Fonda, Pocahontas Co., Iowa. "It has cured me of chronic scrofula, of twelve years' standing. I had doctored for the trouble until I was completely discouraged. I also had chronic diarrhea for twelve years. I am in good health now—better than I ever was in my life, owing to Dr. Pierce's Golden Medical Discovery. I took several bottles of the 'Discovery' before I stopped."

Dr. Pierce's Common Sense Medical Adviser, a work for every woman, is sent free, on receipt of 21 one-cent stamps (to pay cost of mailing *only*), for paper edition. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
