Kent Takes Three at National Show

A telegram received by Co. Agent H. B. Derrick, from Mr. Edgar R. Pennington, who is attending the World's Dairy Exposition at Syracuse, N. Y., states the following:

In the Holstein Club Class, in competition with the whole United States, Norman Pennington's calf took seventh place; Martin Sutton's calf ninth place; and Stanley Sutton's tenth place. All three of the calves sent to the Exposition by Kent County placed. This is quite a record, for all six of the Kent Club calves and the one cow won places at the state show also.

The sending of the three Kent Co. Boys' Club calves and two of the boys, Norman Pennington and Martin Sutton, was made possible by the co-operation of the Third National Bank, the Kent County Savings Bank and the Chestertown Bank of Md., by each contributing $15 for that purpose. The State Holstein Association raised the balance.

Edgar Palmer, of Harford Co., won first in the Holstein class and grand champion.

Maryland's Holstein Club Herd won second among the states. Maryland's Guernsey Club Herd won first. Maryland won three first and a Grand chmopion in addition to the many other places.

Pleges will be payable in five equal semi-annual instalments, beginning with January 1st, next, and ending on January 1st, 1926.

Kent County has been asked to contribute $5,500.00. The campaign here is under the supervision of Mr. E. Thomas Massey, of Massey, who will furnish information or subcription blanks to any persons interested.

The proposed additions to the Home will increase its capacity from twenty-eight to thirty-nine children, and as it is the only home for friendlless and Orphan Children on the Eastern Shore, and the only organized adjunct of the Juvenile Courts of this section, it is beleived that the efforts will meet with general and liberal response.
