Royster Fertilizers

are not just raw materials thrown together and run through a mixer.

They Are Highly Scientific Plant Foods

Materials are all carefully selected after long study of the plant requirements, formulated in just the right proportions, and then fully cured for months before shipping.

Of all years, this is the one you should *know* your fertilizer—you can't afford to take any chances. Consider what you can lose for the sake of saving a few dollars in the price of fertilizer.

ROYSTER BRANDS are sold on their merits. They have stood the field test for nearly forty years.

They Produce Results!

Lion Creates Stir in Havre de Grace

Havre de Grace was given a real taste of jungle life on Thursday afternoon, when the lion, king of the jungle, that is the property of the Walter L. Main Shows, which was in Chestertown last fall and which circus is wintering in that town, walked out of his cage. One of the men connected with the circus left the door open and out walked Leo, who enjoyed a nice run into the fields. The big beast ran across the field about a quarter of a mile and sat down along the road. In a few minutes, men and boys armed themselves with guns, knives and revolvers and started after the animal. But there was no cause for bloodshed, as the beast made no effort to attack anyone and apparently was enjoying his liberty, although being absent without leave.

In less than thirty minutes after his escape he was recaptured by means of a lasso in the hands of the show's wild animal trainer. A cage was hauled to the scene and the lion was taken to his regular berth.

—A will scratched on a side wall of his lonely cabin is now being offered in court to settle the estate of John L. Sullivan, aged hunter and miner, who died Aug. 3, 1920, near Novato, California.

Improvements For Telephone Co.

A new telephone plant, costing $3,113,000, will be added to the system in Maryland in 1922, according to plans for additions being made by engineers of the C. and P. Telephone Company. Every section of the state will benefit through the expenditures, as the company is laying plans to add new lines and increase its Central office facilities wherever population and business growth justifies.

Preliminary estimates from managers in the different towns indicate that the business growth is general. In many sections the requests for the telephone service and increase in calls is so great that much new plant must be added. More than $780,000 is estimated as the cost of installing the telephones, protectors, inside wires and other apparatus at the subscriber's premises, exclusive of the outside lines, cables and central office equipment that must be added.

In addition to the general amount for installations throughout the state, many specific appropriations will be made for local improvements. The tentative plans provide for the expenditure of about $167,000. This is divided among towns of the Eastern Shore and includes numerous additions in the cities and smaller places in the western and northern sections.

Grange Notes

Fairlee Grange held a most interesting meeting on the evening of Feb. 22. The meeting was called at 6 p. m. and the first hour devoted to a business session, at which several new members were admitted. At 7.15 everybody repaired to the supper room and enjoyed a bountiful supper of stewed chicken, hominy, beans, cold meats, salads, etc. After supper the officers of the Grange, for the ensuing year, were installed, the lecturer's program completing the evening. The program included a solo by Mrs. W. F. Leaverton, a report of the meeting of the Pomona Grange by Talmage Strong, a piano solo admirably rendered by Miss Laura Rees, an address by W. G. Smyth setting before us some interesting facts, not generally known, concerning Geo. Washington, and a quartette and chorus by the Grange. A most pleasing feature of the program was a tableau and flag-drill by some of the children of the community, in charge of Miss Elliott. The officers of the Grange for the present year are: Worthy Master, B. T. Hudson; Overseer, Weldon Walbert; Steward, Clarence Wood; Lecturer, Mrs. Henry Anderson; Associate Lecturer, Miss Margaret Elliott; Sec., Mrs. Harry Hoyle; Fin. Sec., Mrs. Pricis Watson; Att. Steward, William Loller; Lady Asst. Steward, Miss Lorain Urie; Pomona, Mrs. Clark; Ceres, Mrs. Walbert; Flora, Miss Rose Walbert; Gate-Keeper, Dixie Smyth; Chaplain, Miss Smyth. On Wednesday next, March 8, the new members will be initiated.

ROCK HALL

J. E. Kirwan & Son Co., of Baltimore, have leased a cannery from T. E. Joyner and expect to contract for 300 acres of tomatoes and employ about 80 people during the season.

Mrs. Ella Ward's class in Piney Neck M. E. Sunday School held a George Washington Social Thursday evening.

The K. of P. anniversary Wednesday evening was delightfully pleasant. The supper was of the best that could be secured.

A dance was held in the Jr. O. U. A. M. Hall Saturday night.

Mr. Alfred Culley, of Washington College, was home this week.

Mr. Andrew Stevens has been at home with his family.

Misses Marvel Ashley and Mildred Kendall spent some weeks in Piney Neck recently.

Mrs. Annie Alexander is making an extended stay in Baltimore.

Mr. Joseph Martin, of Takoma Park, D. C., has been the guest of his wife at the home of Mr. and Mrs. Clifton Coleman.

Mrs. George Ayres is at the bedside of her daughter.

Miss Marjorie Dickinson was taken to Easton Hospital Monday afternoon in a serious condition.

Mrs. Harry Mench has the tonsilitis.

Mr. John Coburn is spending some time in the mountains.

Randolph Jacquette was badly injured Monday by the flames from some oil which he poured upon the fire.

Miss Edna Blackiston injured one of her hands at Edgewood Arsenal recently.

Mrs. John Lewis is spending some time with her children in Baltimore.

Mrs. John R. Dowling, Jr., and Mrs. Reuben Rodney were over-night guests of friends in Baltimore.

—The bill, providing for a longer season for shooting squirrels in Maryland, was advanced to its third reading in the Maryland Legislature on Tuesday and within the next few weeks will be passed. The season this year will, as a result, open September 1, instead of November 10. This change has been made because of the many complaints regarding the destruction of the corn crop by squirrels prior to the season's opening.

—Rep. Linthicum announced recently that he would ask for an immediate hearing upon his bill, now before Congress, for federal protection for the Cheseapeake crab and fish industry. Mr. Linthicum is moved by report of Chairman H. W. Vickers, of the Maryland Conservation Commission, that Virginia has refused to carry out its part of the joint agreement entered into between Maryland and Virginia for the protection of the crab industry.

IT IS SERIOUS

Some Chestertown People Fail To Realize the Seriousness of a Bad Back

The constant aching of a bad back,
The weariness, the tired feeling,
The pains and aches of kidney ills
May result seriously if neglected.

Dangerous urinary troubles often follow.

A Chestertown citizen shows you what to do.

Mrs. Mary V. Elliott, 531 W. High St., says: "I had kidney trouble for a long time and would be down with lumbago for weeks at a time. I had kidney trouble and suffered from morning until night with pains through my back. I could hardly turn over in bed. My feet became so swollen and painful, I couldn't be on them long at a time. My kidneys acted too often and annoyed me. I used Doan's Kidney Pills from Toulson's Drug Store and they soon had me free from all the distressing symptoms of kidney trouble. I seldom have a sign of it now."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills— the same that Mrs. Elliott had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
