SUFFERED SINCE YOUNG GIRL

Words Failed to Express Benefit Received from Lydia E. Pinkham's Vegetable Compound

Greenville, Texas.—"Words cannot express how much good Lydia E. Pinkham's Vegetable Compound has done for me. Every month I would have cramps and headache, and I felt like I was freezing to death. I suffered in this way from the time I was a young girl, and all the doctors said was 'operation. For months I had a tired, sleepy feeling all day, and when night would come I would be so nervous I couldn't stay in bed. Our druggist recommended the Vegetable Compound to my husband and he bought four bottles. I have taken every one and I think I have a right to praise your medicine."—Mrs. J. B. Holleman, 2214 E. Marshal Street, Greenville, Texas.

For fifty years Lydia E. Pinkham's Vegetable Compound has been used by women from girlhood through middle age.

It is a dependable medicine for troubles common to women. Such symptoms as Mrs. Holleman had are relieved by correcting the cause of the trouble. For sale by druggists everywhere.
