club to reach the nude infant, partially wrapped in newspapers.

Mr. Fendley placed the body in a basket, covering it so as to be secure; then he notified county police stationed at Dundalk, who in turn summoned Coroner Edward J. Hermann.

After conducting a thorough investigation, the coroner gave a certificate of death due to premature birth. Nothing could be ascertained as to how or by whom he child was left in the isolated spot where it was found.

The theory advanced by the police is that it was thrown out of a boat and washed ashore, as indications pointed to the fact that the little body was not in the water over a day or two.

MEANS TO CORRECT DRAINAGE.

Recommendations to correct drainage conditions in Ralston and the southern portion of Pikesville were made at a meeting of the Pikesville Improvement Association. The reopening of drains on property of the Suburban Club will be suggested.

Representatives of the Suburban Club, the United Railways, the State Roads Commission and the Baltimore County Commissioners were invited to attend the meeting which was held in the Pikesville School.

A joint committee of members from the association and Suburban Club visited the course of a stream which last winter overflowed and flooded southern Pikesville. The committee agreed that newly laid pipes on the club property were not sufficient to carry off the water, Raymond A. Duke, president of the association, said.

Several years ago the water was carried off through an open stream over the golf links of the club. When the links were improved the water was piped. The beginning of the pipe line is above the level of some areas which it is supposed to drain, **members of the** association said.

The association plans to provide some inexpensive form of relief from small floods. At the meeting a resolution was presented asking the County Commissioners to give the community relief in its drainage problem as soon as possible, under provisions of the Metropolitan District bill, enacted at the last Legislature.

A proposal that Baltimore county establish an emergency hospital in the northwest suburbs was discussed at the meeting. It was suggested that part of the grounds of the Confederate Soldiers' Home at Pikesville be considered for a site.

RESOLUTIONS OF RESPECT.

At a meeting of the directors of the Sparks State Bank, held on this 6th day of December, 1924, the following resolutions were passed.

Whereas, It has pleased Almighty God to remove by death William .. Foster, a fellow director of the Sparks State Bank, and we desire to spread upon the minutes of the Board our appreciation of his services and sorrow at his death.

Resolved, That in the death of William N. Foster we have lost a valuable member, a sincere friend who always exercised good judgment and manifested rare wisdom in the deliberations of the Board; and, we deeply regret his loss. He was not only a valuable member of this Board, but his many good qualities and virtues, his intelligence and high sense of honor, ranked him among the foremost citizens of this County and earned for him the respect, confidence and esteem of his fellow-citizens.

Resolved, That this Resolution be spread upon the minutes of the Board and a copy be sent to his family.
DR. B. W. SHERMANTINE,
DUNCAN McCULLOCH, JR.,
JOHN E. ENSOR,
Committee.

RESOLUTION OF RESPECT.

Once more death has claimed a member of our board, this time the youngest in point of service, Ex-Senator JAMES J. LINDSAY, who died on Wednesday morning, November 26th.

Mr. Lindsay was in his customary seat in the board room apparently in his usual health and spirits only four weeks before that date; so that his death was entirely unexpected and came to us with shocking suddenness. We found Mr. Lindsay to ring true in every relation of life. He was faithful to his church; was an affectionate husband and father; a kind and unselfish neighbor; a true and loyal friend; a progressive and patriotic citizen; a lawyer with splendid attainment; a wise counsellor and an excellent business man.

As a member of this board he was always interested in the growth and success of the bank and took an active part in everything relating to its welfare. We were all fond of him and found him a most helpful and congenial associate and we will miss him.

And in order that this expression of the board may be preserved it is hereby made a minute of the proceedings of the board, and a copy ordered to be sent to the family of Mr. Lindsay that they may also know in what esteem he was held by his associates.

We report the above minute for the record of proceedings of the board on the death of Senator Lindsay and recommend that a copy be sent to his family.
