SATURDAY, AUGUST 9, 1902.

Democratic Primary Meetings.

The Democratic voters of Kent county, are hereby notified to assemble in primary meeting in the several districts and precincts, at the usual places of holding primary elections, on

SATURDAY, the 23 day of Aug.,

1902, at 2 o'clock P. M.,

for the purpose of choosing delegates from each district to assemble in County Convention in Chestertown, on

TUESDAY the 26th day of AUGUST,

to elect six delegates with a half vote each to represent Kent county in the Congressional Convention to be held at Ocean City, on September 4, 1902, the duty of which convention is to nominate a candidate to represent the First Congressional District of Maryland in the 58th Congress of the United States.

By order of the State Central Committee of Kent county.

WILLIAM W. BECK,
THOS. J. PENNINGTON,
JOHN H. O. STOKES,

RICHARD D. HYNSON, E Q., has declined most positively to be a candidate for Congress. Then heres to Philemon B. Hopper, of Qeen Anne's county. Magnificently equipped; rock-ribbed in his Democracy, and the favorite son of the greatest of great Democratic counties.

PHILEMON B. HOPPER,
of Queen Anne's,
FOR CONGRESS.

YES, we believe that within the next twelve months Kent will have a real, active electric railway. Yes, we have thought that before and have been mistaken.

IT IS REMARKABLE with what avidity lovers of an exalted womanhood will witness the unwomanly acts of women.—857 ladies and gentlemen witnessed the base ball game on Tuesday last.

THE TALBOT COUNTY Democratic Convention on Tuesday named delegates to the Democratic Congressional Convention, to convene in Ocean City on September the fourth. A resolution was passed instructing the delegates to use their best efforts to secure the nomination for Congress of Gen. Joseph B. Seth, and another instructing them to observe the unit rule in voting on all questions before the convention.

THE CECIL CONTESTS.

Democrats Gain Heavily in the Recount so Far as Made.

The Cecil County Election Contests were taken up by Chief Judge James A Pearce and associate Judges Martin and Brown, on Tuesday afternoon. Counsel for the respective parties came to the following agreement:

"The Court having before it the examination of the original ballots cast at the last election, and other evidence, in order to ascertain which of the parties to the contest were elected, it is agreed that, if the Court shall, without ordering a formal recount, ascertain the resutof such election, it shall declare such result."

It was further agreed that the disputed ballots in the First precinct of the Fifth district should, as offering the greatest variety of objections, be passed upon by the Court as a guide to determining the legality of disputed ballots in other districts. The ballot box for the North East precinct was accordingly brought into Court and opened and the ballots examined by counsel and passed upon by the Court. This work was finished Wednesday night and showed a heavy Democratic gain.

By this recount Treasurer Hohn, democrat, gained 156 votes, Commissioner Davis, democrat, gained 140 votes, and Sheriff McAllister, democrat, gained 83 votes. Argument was heard by the Court in reference to the Ninth district ballots, which were marked by the election judge with pencil instead of ink, Albert Constable, Sr., of the contestants' counsel, contended for their counting, while A. L. Crothers argued that they were in distinct contradiction of the election law and should not be counted.

The court held in the Cecil cases that any ballot in which the X mark extended entirely cross the line of the square should not be counted, but where the mark only touched the square the ballot, if otherwise perfect, should be counted.

These cases will have material bearing upon the Kent county contests, and certainly so far need give the democratic officials no uneasiness.
