WE WANT

several thousand feet of Thoroughly Seasoned OAK LUMBER, in any of the following thicknesses:

1¼, 1½, 2 or 2¼ inches.

Cream Harvesters

Did you ever give it thought that the cream you are throwing away by the use of all the old methods of saving it would soon pay for a Cream Separator? This is a matter of great importance to every butter maker. Think it over and then call and see us, or drop us a card, and we will come and see you and explain our easy plan of buying one.

Fodder Yarn

We have the strictly first-class Sisal Yarn, and as we bought very early we can furnish you at the lowest price possible.

Gasoline Engines

If you have ever thought of buying an Engine don't buy until you let us present to you the merits of the "I. H. C." famous Engines. They use less gasoline and batteries than many of the other makes and give more power. Let us explain to you the many details of advantage.

REPAIRING and MILL WORK well and promptly done.

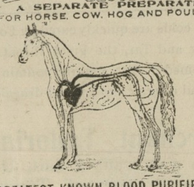
FEED FAIRFIELD'S BLOOD TONICS (POWDERED)

A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY



GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY
