THE TOWN YOU LIKE.

If you want to live in the kind of town
Like the kind of a town you like,
You needn't slip your clothes in a grip
And start on a long, long hike.

"You'll only find what you left behind
For there's nothing that's really new;
It's a knock at yourself when you knock your town—
It isn't your town—it's you.

Real towns are not made by men afraid
Lest somebody else gets ahead.
When every one works, and nobody shirks
You can raise a town from the dead.

And if you make your personal stake,
Your neighbors can make one too;
Your town will be what you want to see—
It isn't your town—it's you.

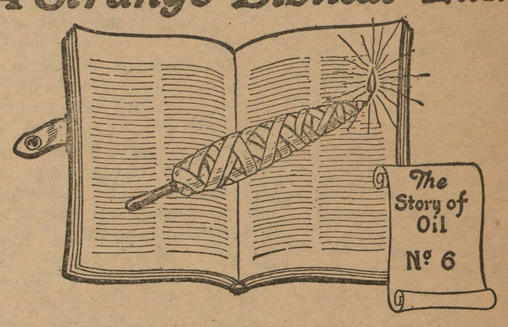
A Strange Biblical Lamp



THE PARABLE of the wise and foolish virgins in the New Testament, telling how, when the bridegroom came the wise virgins who had trimmed their lamps went out to meet him, but the foolish virgins who had not trimmed their lamps were ashamed to go to him without light, brings to our attention another form of lamp.

IN REALITY the lamps they carried were a kind of torch, made with a core of iron or potter's earth, wrapped about with linen and moistened from time to time with Oil.

Nowadays the wise housewife keeps her lamps filled with The Red "C" Oil or The White "C" Oil, same except in color. Long-burning, and free of all smoke and odor, it is the better kerosene for lamps, stoves and incubators.

The Red "C" Oil — A cheerful ruby color for lamps

The White "C" Oil — The excellent clear, white kerosene
