Republican Record for the Past Two Years.

THE DEEDS OF COMMISSION AND OMISSION.

Financial Condition of the County a Disgrace to the Tax-Payers.

Responsible for the Farmers' Labor Troubles. Have Wasted County's Money on Public Roads.

The Republican party presents to the voters of Kent County the following record for the past four years, and asks to be continued in office. The man who votes the Republican ticket votes against every interest of his county, his home and his property:

THEIR RECORD.

The Republican party has saddled upon the people of the county an enormous tax rate of **$1.35** by their wanton extravagance and iniquitous use of the tax-payers' money.

They have made the conditions of farm labor absolutely alarming by fostering a spirit of indolence and idleness on the part of the negroes.

They have increased the expenses of the Circuit Court by advising indolent negroes to appeal from the decisions of the magistrates.

They have wasted **$38,000** on the public roads of the county, instead of $30,000, as the levy of 1903 shows.

They have paid the State's Attorney a salary of **$3,019.20** instead of $2,319.20, as the levy of 1903 shows.

They have made the negro a burden to the tax-payers by encouraging him in his idleness.

They have failed to appropriate a sufficient sum of money to keep the public schools of the county open longer than Feb. 1.

They have used the tax-payers' money for political purposes by employing incompetent negroes to work the county roads, thereby making every tax-payer, man and woman, a party in the purchase of votes.

They have made it absolutely certain that the tax rate for next year will be more than **$1.35.**

They would have gone on in their scheme of bankruptcy had it not been for the investigation of the affairs of the commissioners' office.

They have demoralized the negro, making him a menace to all good government, and to the best interests of the farmers of the county.

They have raised the "race issue" in this campaign, by making themselves the party of the negro, and the Democrats, the white man's party, the party of the intelligent and liberty-loving people are ready to meet it at the polls on Tuesday.

This is their record. This is the legacy which the Republican party of Kent county has to leave to its posterity. It is to be hoped that every man who loves good government, who loves his home and his property will rise up in his might on Tuesday next, and by his vote and his efforts, sink to oblivion such a record and the posterity as well.

Voters, Here's the Issue!

THE SUPREMACY OF THE INTELLIGENT WHITE CITIZEN OR SOCIAL EQUALITY FOR THE NEGRO.

Your Vote Will Determine Which it Shall Be.

Read What Negro Domination Means. A Question of Race Preservation.

What the negro wants is social equality and all which that involves. His quarrel is with Providence for making him black. He wants to change the color of his skin, and there is but one way to do it, and that way spells race and national ruin, for color is more than skin deep. It tells the whole story of race classification, a classification made by Providence and never violated in human history without disastrous results. Whom God hath put asunder let no man join together.

If anyone doubts that this is the ultimate aim of the negro—as it must be the logical result of the Republican effort to put and keep him on an equality with the white man—let him read the following from the New York *Age*, an organ of the black man, edited by Thomas Fortune, the negro whom President Roosevelt sent a few months ago on a special mission to the Philippines. Fortune says in the *Age* of October 8, 1903:

"Here is our attitude on race and State questions: We believe in manhood suffrage, pure and simple, without restrictions of whatever sort, with the imperative obligation upon the Government to educate all the children in *mixed* common schools, supported by public taxation; (2) we believe in higher education, industrial education and professional education, and the right of every parent to select for his child the sort of education he desires it to have; (3) *we believe in intermarriage of the races, of all races, and in the enactment of a marriage and divorce law by the Federal Congress which shall supersede all State laws on that question, the marriage obligation being primarily the basis of right living, and, therefore, of national citizenship life;* (4) we believe in equality of civil rights and the enactment of a Federal law prohibiting the States from making and enforcing discriminatory enactments on account of race, color and condition."

White men of Maryland, the issue is before you. The Republican candidates are the Negro's candidates, because through them only can he hope to break through the barriers against social equality erected by nature and the wise laws of experience. In voting for the Republican candidates you will be voting in effect for negro equality and against your own wives and daughters. This appeal should go home to every white man, irrespective of party. This is not a party question. *It is a question of race preservation.*

Miss Dovey Connelly entertained a few of her friends very delightfully on Friday evening last at a "Chafing Dish" party. A sumptous menu, consisting of cream salmon, chocolate, uneeda biscuit, olives, pickles and cheese was daintily served. Among those present were Misses Eva Beauchamp, Mary Hines, Eloise Ringgold and Agusta Aldridge, and Messrs Bryan, Peterson, Whittington, Kaufland, Garey and Gill, of Washington College.

Miss Josephine Wickes is the guest of Baltimore friends.

Mrs. M. C. Ringgold has been visiting friends in Baltimore.

Little Miss Jane Miller, who was two years old on Tuesday last, entertained a few of her little friends charmingly at her High street home on Tuesday afternoon from 2 to 4 o'clock. The feature of the afternoon was a "chestnut hunting," leaves and chestnuts having been scattered over the parlor in a promiscous manner for the little folks to find. Bountiful refreshments were served. Among the little folks present were: Isabelle Brice, Ellen Beck, Jack Welch, Esther Urie, Mary Simpers and Master Gaffney.

Miss Rebecca Ellason is at home from School in Boston recuperating. She is improving rapidly from her recent illness.

Rev. and Mrs. William A Melvin celebrated their wooden wedding on Monday evening at the parsonage, 28 South Centre Street, Cumberland. They were the recipients of many useful and handsome presents. Rev. and Mrs. Melvin were married Oct. 18th, 1898 at Chestertown. She is a daughter of Mr. and Mrs. Wm. E. Peregoy, Mill street.

Voters, remember your tax-bill and the $1.35 rate heaped upon you by Republican mismanagement, before you cast your ballot on Tuesday next.
