Lincoln Ford Fordson

New, Unique, Original Time-Payment Plan

Your dealer, C. A. GOODWIN presents to the public the easiest and surest way of becoming the owner of Car, Truck or Tractor.

SPRING SAVINGS PLAN

Many of our readers are planning to get either a good used or new car this Spring. Spring itself is only thirty to sixty days off—Then everybody will want their car. A Ford is a necessity in your life today. You can hardly do without it.

Stop in at once—or advise us to call. Just make an initial payment; large or small and specify what kind of car you want. We will order it at once; get it here, hold it free of storage until you want it—in the meantime just keep on making what payments you desire from time to time—they will be credited to your account plus 4 per cent. interest—just as though the money had been deposited in the bank.

When you are ready to make delivery of the car, truck or tractor, the whole of our down payment must be made—the balance can then be paid on Monthly Payments dating from delivery date.

Just think of the protection to you. You pick out your car (either new or used). We keep it here for you; you pay as you wish; getting interest on the payments until the following amount is accumulated is the down payment — followed by the monthly payments as shown — and car, truck or tractor is yours.
